PRESIDENT'S REPORT

The football club is in good health with all teams performing well and threatening to take their grades by storm. It is also apparent that we have weathered in any storm that has come our way, as club operations are steady and productive with no major concerns arising. The camaraderie around the club is fantastic and everybody is becoming involved in what is a 'friendly' environment.

The famous faces night was an enormous success with people promoting their favourite celebrities and some attempting to make their own. The range of novelties at this function was tremendous and it was great to meet so many influential people. It was a night where we hit the jackpot with all enjoying an entertaining night. The bourban night was also sensational as we had a vast volume of skunks before the night and indeed morning was through. Perhaps the drunkest skunk was John Davies who saturated his body with alcohol and other beverages that he managed to acquire.

The Casino night was very disappointing with only fifteen people in attendance. A more discouraging issue though was that thirty people had booked and committed in advance with only fifteen turning up. It was an enormous convenience to everybody else who were prepared to go because they had to wait and to the organiser who had booked the bus for a certain quota of people. It is imperative that if members commit to a function such as the Casino night, that they attend or explain to the organiser why they can't attend.

Recently Daniel Porter became the deserved recipient of the 'Doc Murphy' award. This is an honour granted to an individual on an annual basis who has excelled in the area of science. Daniel has been an integral player, person and leader around the football club and this accolade does justice to his character. We congratulate him on this award and wish him well with his physiotherapy course he is studying at Melbourne University.

The Thursday night meals have been absolutely delicious and have more than satisfied everybody's appetites. Our appreciation is particularly extended to Sandra Van Brummelen for the luscious homemade lasagna she prepared. The palatable feasts that have been prepared have probably caused many players to throw away their microwaves and conventional ovens.

As a result of a nasty on field incident, Steve Bell was admitted to the Angliss Hospital and later transferred to the Austin Hospital suffering from liver pain. Steve is a fantastic bloke and highly regarded player at the Emerald Football Club. We wish him and his family well through this extremely difficult and trying period. Get well soon Steve because the club is much healthier with quality people like you around.

Good luck to all participating teams in this upcoming round.

Yours in Football,
Nick Wright (Club President)

EMERALD V YARRA JUNCTION (HOME) – 04/05/02
RESERVES

In recent previous encounters with Yarra Junction, we have threatened the opposition but despite all our valiant assaults have sporadically defeated the eagles. The eagles landed without many of their winged players and if an opportunity arose to cease the their soaring success over us, it was in this game.

The opposition whose high flying and swift motion was causing havoc for us dominated the first quarter and if it weren't for their inaccurate kicking and disposal, we would have been permanently grounded.

The next quarter was not an exemplary display of skills and this was reflected on the barren scoreboard. We didn't score that quarter and as a result Frank was probably preparing another political campaign while we lingered in at the main change not side by side but miles apart.

The third quarter commenced with us booting the opening two quarters and suddenly out of nowhere, we were reclaiming our territory. The opponents were also sliding and more of their integral players were perched on the bench. Although we took the flight out of the eagles, we only outscored the team by two points as they added two late goals.

We absolutely air raided by the opposition in the finale and if they had used the ball better and kicked straighter, we would have been blown to smithereens. Matthew Bromfield charged like a bull all day and his work ethic must be commended. Ben Bowden's return was exceptional, as was Adam Parsonage who played a divine game. Scott Delmarco constantly provided a contest even against three players and Ray Ferrari's consistency down back would make you think that he was tying the knot with some of his opponents.

A special mention to Jason Cox and Daniel Hickleton who played yet another two games of football but this time in twenty five degree heat. They have been our firepower this year along with many other of the cubs and their run in this game absolutely burnt the opposition. They also missed their under eighteen's luncheon because they preferred to dine on our opposition. It is imperative that all players arrive at the ground at 11:00 am and that training is attended. Training is essential in showing players how to win football matches not lose matches.

EMERALD V SEVILLE (AWAY) – 18/05/02
RESERVES

There were many new inclusions to the Reserves team for this match and extensive experience was evident in the form of other players. The conditions for the game bizarre with the wind swirling and rain threatening but the ground as hard as rock. We dominated the first quarter and played quality team football. Mick Mott was a rock himself down back allowing nothing past his guard and setting up productive team plays.

Despite our inaccuracy in the first quarter, the set shots that had been practiced at training proved fruitful as we kicked five straight for the term. Aaron Lupton's continual presence and spatial awareness up forward was outstanding and he arguably took mark of the year over the top of two opponents.

The third quarter saw us keep our opposition scoreless in the term for the third time this season. Ray Ferrari was enjoying a honeymoon down back and Justin Eadie's ability to block any forward thrusts from the opposition was critical to keeping Seville scoreless. Ryan Aschenbrenner was also battling hard in the middle creating opportunities for our team, as was David Archer who we welcome back with loving arms.

The fourth quarter compared to the previous three was a slight let down but our inaccurate kicking again was probably the biggest let down of all. Matthew Bromfield had a sensational game and last quarter in the particular charging down his opponents and the umpires like only a bull knows. Please don't wear red to training otherwise you may be his next victim. Peter, the coach, was exceptional up forward kicking six and players should watch him kick for goal because he rarely misses. He was well supported by John Cranfield who sent his opponent on the merry go round even without music to dance to.

Congratulations to Russell Smits alias number 27, who was a solid contributor to our victory. Nathan Robb also played a substantial game and it is great to have him back from America and in the team minus another accent. Ray Ferrari and Deryk Lock must also be recognised for playing all the games this season to date.

Emerald gave Seville a dose of the blues today but it is imperative that players attend training to practice and maintain skills and become acquainted with their fellow teammates. It was pleasing though that players arrived at the ground early with time to complete warm up drills and for a change we weren't cold from the first bounce but it was Seville who were made to look blue.

Emerald	5.7.37	10.7.67	14.13.97	16.18.114
Seville	0.1.1	2.2.14	2.2.14	3.8.24

Goals: Peter Van Brummelen 6, Matthew Bromfield 2, Andrew Rolfs 2, Aaron Lupton 2, John Cranfield 1, Russell Smits 1, Deryk Lock 1, Ray Ferrari 1

Best: Matthew Bromfield, Aaron Lupton, David Archer, Ray Ferrari, Peter Van Brummelen, Ryan Aschenbrenner, John Cranfield, Justin Eadie

Round 6: Emerald Battles to Overcome Seville

Emerald 12.15-87 def Seville 4.13-37

In wintry conditions Emerald travelled to Seville and came away with a solid 50 point win to consolidate its position in the top four.

Kicking against a strong breeze in the first quarter Emerald found itself under early pressure from a determined and physical Seville. Inaccuracy in front of goal cost Seville dearly who led by 8 points at the first change but it could have been much more.

In the second and third quarters Emerald broke the shackles and took control of the match. But it wasn't until the final quarter that the Bombers really kicked away to score a solid victory.

Paul MacKenzie was at his best playing four quality quarters of football, Steve Bell and Steve Kenny absorbed all the physical pressure Seville could throw at them and stamped their mark on the game, Brad Charman, Matt Dixon and John McKay were important contributors in their first senior match for the year, Rob Gluckman was crafty across half-forward, Adrian Allen seems to have found his niche at half-back, Danny Thomas' pack mark was a highlight and Leon Aschenbrenner's last quarter goal was the icing on the cake.

Reserves: Emerald 16.18-114 def Seville 3.8-26

The Reserves played their best match for the year defeating Seville by 88 points. Ray Ferrari was in great form and relished his run on the ball,

New: Spor Ente Shop Trav Chat Love Finar Phot ninei

Matthew Bromfield was again inspirational, Emmet Doran keeps getting better every week, Peter Van Brummelen kicked a bag up forward, Deeka had a tremendous game and his goal from the pocket was a highlight, and it was great to see Nathan Robb back in the red and black.

Under 18s: Emerald 13.9-97 def Seville 1.2-8

The undefeated Under 18s made it 3 wins for the day after defeating Seville by 89 points. Ben Van Brummelen was outstanding, David Black continued his fine form, and Mitch Watton and Daniel Hickleton were among the best.
