

SEASON 2012

28th April 2012

YVMDFL ROUND 3

EMERALD VS OLINDA

DIVISION ONE

PRESIDENTS REPORT

"The unsung heroes of any club are the water carriers, goal umpires, boundary umpires, time keepers and team managers."

We would like to welcome *Olinda Ferny Creek Football Netball Club* to Chandler Reserve and we hope you enjoy our hospitality and that all games are played in the right spirit. After 2 rounds we are going along okay, however we want to make sure that we win all of our home games and create a significant home ground advantage. To succeed as a club you need people to volunteer their time in order for the club to function properly. The unsung heroes of any club are the water carriers, goal umpires, boundary umpires, time keepers and team managers. If people like Kris & Judy Strong, Nobby & Melissa Burns, Steve Nuttall, Terry Kennedy, Mick Anzin, Ross Macumber did not do what they do we could not function as a club, thanks for all your support we really do appreciate it. While I am on this subject we still need someone to take on the role of Team Manager of the reserves which will take a load of Graham Steers shoulders. If anyone is interested please come and see me.

It was great to catch up and have a chat with all of our Netballers, and I am pleased to report that they have been training hard and are really keen to do well this season. A big thankyou to all involved with our netball it really is growing and is very vital to our club moving forward.

Our *Red & Black* Supporters Club is coming together nicely but I am still looking for new members to join, so get in before its too late as we will be kicking the draws off at our next home game.

We have put together a fantastic new deal to become a foundation member of our new social rooms, so please commit now as we need to start this project by September so its ready to go for next season.

Finally to our SPONSORS who have once again supported us thank you, please support them when you can as this partnership needs to work both ways to be successful.

Have a great day supporting the Mighty Bombers.

Paul Reilly
President

CLUBROOM EXTENSIONS

The Beginning

On Thursday the 8th of December 2011, the new committee for Emerald Sporting Club was formed. Their mission was to raise enough funds to build a new and improved sporting club for the Emerald community. A major part of these improvement was the extension of the clubrooms which are home to five Emerald sporting teams.

This committees first task is to raise \$350,000 to commence the building project on the clubrooms. To achieve this goal we will be raising money sponsors, fund raising days and of course you the members of the club. The plan set out to raise these funds has a plan of initiating 130 Foundation members as the backbone of this fund raising effort.

These 130 Foundation Members

These foundation members are key to these clubroom extensions going ahead and will act as the foundations for which the future of this club is built upon.

The Opportunity

The opportunity is open to the first 130 Individual or partners to purchase a Foundation membership. These members will be given

- . Lifetime Social Membership to the club
- . Signature plaque having your name within the clubrooms, celebrating your part in the success of this project.

Cost

The foundation membership is priced at \$1000 dollars, in this donation you will be helping build a strong future for Emerald FNC giving our teams and community the best chance for success in the future.

The plans are ready to go ahead, all we need now is your help and together we can take Emerald Football and Netball Club to the "Next Level". This is not just about today it is about building a successful future.

The plans are ready to go ahead, all we need now is your help and together we can take Emerald Football Netball Club to the "Next Level".
