1st June 2013

YVMDFL ROUND 7

## EMERALD VS WARBURTON

DIVISION ONE

# PRESIDENTS REPORT

**“We look forward to hearing all your singing and chanting and appreciate you making your annual pilgrimage to our club and I hope we can duly salute today.”**

I would like to welcome the Warburton Millgrove Football Netball Club to Money Choice Chandler Reserve. We hope you enjoy our hospitality and that all matches are played in the right spirit. I would also like to extend a very warm welcome to our sponsors who have made the long trek up and across the hill. Thanks again for your commitment to this great club. Also, a huge welcome to the “Puffing Billy Crew”. We look forward to hearing all your singing and chanting and appreciate you making your annual pilgrimage to our club and I hope we can duly salute today.

What a rollercoaster start to the season at Bomberland. A fortnight ago we trekked out to Mt Evelyn for what both clubs saw as an 8 point game. Although it looked ominous for the Bombers at ¾ time being 5 goals down, the lads were still motivated, inspired and, after a pumped up speech from JT, had belief. What transpired next was by far our best quarter of footy for the year, a 7 goal to 1 final quarter saw us salute. The most impressive parts were that the buzz is back around the club, we had no less than 5 under 18s in our senior team, which paves the way for a very long and strong future. The break last week came at the perfect time,

with a few big names returning today from injury.

The netballers last week should be very proud of their efforts, I know I am. The way in which the girls conduct themselves, week in and week out, is a real credit to them. They travelled to the most feared courts in the Yarra Valley and gave it a real shake. You should hold your heads high. We have had a couple of changes off-court this week in the netball department and I look forward to the return of our strong, united unit.

For those who are unaware, we received great news in the past fortnight with the council allocating the EFNC a \$500,000 grant to get our ground upgraded. The focus of the works will be done on levelling, drainage, irrigation and the correct screening and seeding. Early indications are that work will commence at the beginning of October with mid-late December as the deadline. I will endeavour to keep you updated as more great news comes to hand.

# BOMBER VICTORY AT THE DEATH

**Young Bombers steal a famous victory at the death against inaccurate Mt Evelyn.**

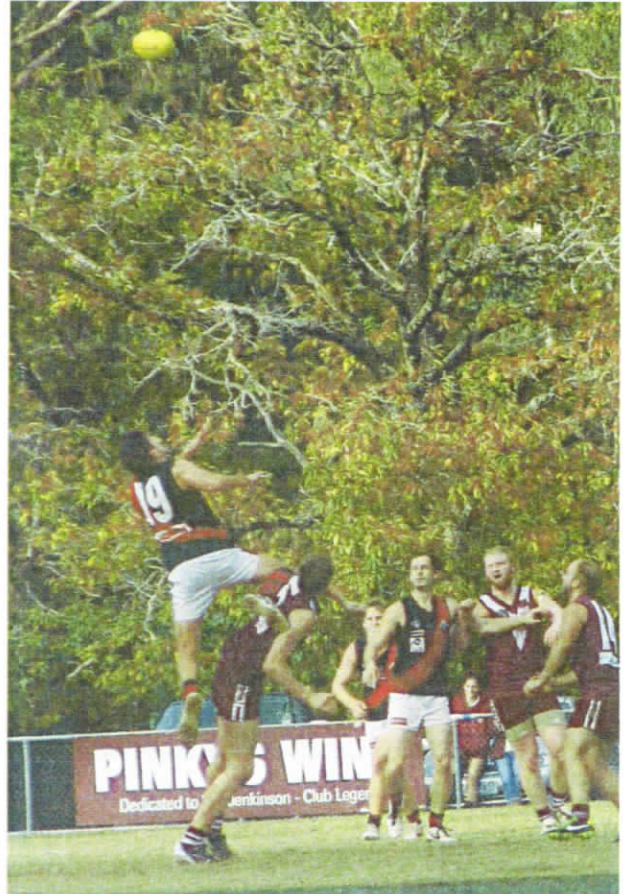

We are six rounds into the 2013 season and the Bombers sit a respectable 3 wins and 3 losses.

Trailing by more than a few goals at three quarter time all looked lost for a tired looking Emerald team. Mt Evelyn were running on top of the ground and capitalizing on their chances. Then finally the momentum began to change.

They stormed back into the contest taking the lead and never giving it up, in the process recording a famous victory.

It showed a fighting spirit, something that at times has gone missing in many games this season. It has been a common pattern that after putting up a strong performance we have put in a sub par performance the following week.

With only a couple of games separating the most of the competition wins like this will be crucial come the business end of the season.

# BOMBERS LEFT TO RUE CHANCES

After showing promising signs the momentum slows just a little with a heart stopping draw.

With victories in two of the previous weeks there was good feeling amongst the reserves group. They have played skillful and daring football showing the competition the type of play they are capable of. Against Mt Evelyn they faced strong competition and after both teams had numerous chances ended in a thrilling draw.

## “News Update– May-June 2013”

Great news has just been received from Cardinia Shire, in the form of commitments to firstly, the oval and secondly, the pavilion.

Firstly, the Shire has committed \$500,000, in this year's budget, for the renovation of the oval. This means the oval will be closed as of the end of the football season, or when the ground becomes unplayable, whichever comes first. The oval will be levelled out, with new drainage, watering system and new grass to cater for the harsh winters, experienced in the Emerald district.

The works are expected to commence around September 2013 and the oval will be ready for use, starting season 2015.

This is great news, as the playing surface has been an embarrassment and a safety issue for players.

**Secondly, and this is what the Emerald Sporting Club has been striving for, is the progress of the upgrading, extension, refurbishment, whatever you want to call it, of the clubrooms.**

The Emerald Sporting Club Committee, has had a meeting with the Cardinia Shire CEO, Sports and Recreation Manager and Building and Construction Manager.

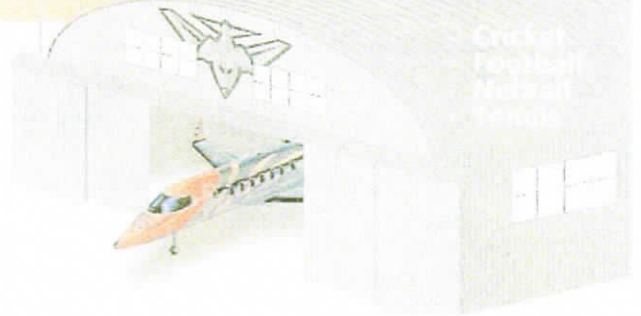

Our proposal was presented at the meeting and it soon became apparent, that with regulation changes and changes to disabled policies, our proposal fell short of requirements. An example of this is the new requirements for disabled access to second stories. We can no longer drive, or transport to a distant area, we must now supply access from the viewing areas downstairs. This means a lift between floors, at an additional, sizeable cost.

The whole project seemed to have become too expensive and difficult, when the Shire CEO stepped in and made a couple of commitments.

The first commitment is to have Cardinia Shire personnel produce the required drawings, computations and soil test, in readiness for the commencement of the building. These drawings will be completed by the end of July, 2013. We have already seen Shire personnel at the clubrooms measuring up and inspecting the conditions of the current facilities.

## THE HANGAR

get on board with your bomber friends

The second commitment was that Cardinia Shire is going to follow up various funds available and budget for next year's planned commencement of the new facilities. These facilities will be state of the art and comply with Health, Safety and Disability regulations.

The building works should be completed in time with the opening of the newly renovated, playing arena.

This has been brilliant news for our community and has only been able to happen because of the backing of supporters, who have committed to become Foundation Members and Sponsors who believe that this is a critical project for the Community.

The Shire personnel were also most impressed with the commitment everyone has made and this in turn, has also seen the fantastic support from our Ranges Ward Councillors, Leticia Wilmot and Tania Baxter and Cr. Brett Owen.

We have also seen great support from our local State Minister, Brad Batten, as well as our pre-selection, Liberal Candidate for the Federal Government, Jason Wood. This project has been very well communicated and flagged from Local, to State and Federal Governments. Our continual persistence with all these people is now starting to pay off.

With all this great news, we still have to meet our commitments of having \$200,000, in our Bendigo Bank accounts. This means that people, who have pledged to come on board as Foundation Members, **must be fully paid by the 30th June, 2013.**

We still have a few Foundation Memberships on offer, **however our original 130 memberships still stands, and will work on a first in basis.**

Sponsorships for Companies' name on our logo are still available and information for these is available from:
