# PRESIDENT'S REPORT

On behalf of the Emerald Football Netball Club I'd like to welcome the Worri Yallock to Chandler Reserve as we host the last game for the 2017 home and away season.

As the season comes to an end I would like to wish our U18's and reserves teams all the very best in your finals campaign. Our U18 boys will be looking to go one step further winning the Grand Final this year after going down by 4 points last year to Mt Evelyn and I'm sure both Paul Preston and Danny Thomas will have our boys firing when the time is right.

The whole town is right behind both teams and we wish you all the very the best boys.

Unfortunately our senior footballers and netball teams have missed out on finals this year however I'm positive they will be playing finals in 2018 enjoying the September action.

I'm pleased to advise our members that Glenn Daley has committed to the club a senior coach until the end of the 2019 season along with both Stuart Pierce as his senior assistant and Mathew Osbourne as the reserves coach.

This fits perfectly within our 3 year plan and all three coaches have done a great job in achieving the clubs set KPI's in 2017.

Chef Mel will be severing his famous marinated spit roast this evening from 6.00pm so be sure to join us upstairs in The Hangar for meals and awards after today's senior game.

Sunday 3rd September sees the EFNC hosting the Division 2 football and netball Semi Final at Chandler Reserve, we are well underway with our preparations however we will require all hands on deck that day so please make sure you're available to assist.

We will need upwards of 8 car parking attendants throughout the day, 12 canteen assistants, 10 bar assistants (must have an RSA certificate) and at least another 6 – 8 people to assist with jobs as they come to hand on the day.

Please don't wait to be asked to assist on the day, see Bruce Rush (parking), Mel Wilson (canteen), Shane Rodwell (bar), Graeme Steer / Rod Smith (general duties) to offer your services on the day as it would be most appreciated.

Final reminder that the EFNC 2017 Presentation Night will be held in The Hangar on Saturday 16th September and tickets are being pre sold at \$50 per person. You will need to get in quick and purchase your tickets as we have limited seats available (150) and tickets will not be sold on the night.

The final function of the 2017 season will be on Saturday 30th September in The Hangar as we host the EFNC family AFL Grand Final Day live at Chandler, entry will be a gold coin donation with finger food provided throughout the day along with happy hour and prizes going off throughout the day, we will also have a jumping castle and face painting to keep the kids amused.

Best of luck to all teams today and go Bombers!

Dean Stuhldreier  
President  
Emerald Football Netball Club

# NETBALL REPORT

## ROUND 16 - EMERALD VS Warburton Millgrove

### A & B Grade

Great round for the Emerald netball club as we headed into the second last home game for season 2017. Warburton were well placed on the ladder for each grade, however there was much to gain from a strong performance against them.

A grade were strong and we had a very competitive game against Warburton. In looking back to where we were last time we played them to where we are now, the difference is amazing. The final score was that we went down by 14 points. A great effort considering they are a top 5 team. Looking forward to playing them next year! Best on the day was: Morgan

B grade came out in force against Warby. Steady and strong. Although the scorecard at the end of the game didn't reflect the pace or the construct of the game, going down by over 30. Best on Court: Hayley Scott

## ROUND 17 - EMERALD VS OLINDA FERNY CREEK

### A & B Grade

It was always going to be a tough round against Olinda. They are a very strong club and play a skilled/tough game of netball. Our goal across both A and B was to take it quarter by quarter to either better our performance last round or keep it on even ground.

We were a little short in A grade with not a lot of flexibility on the bench to rotate players through. To their credit, the starting 7 toughed it out all day. The A's second quarter was the best, bridging the gap and only going down by 9 in that quarter. Olinda's goalers were too strong for us on the day, and Olinda's set plays and hard netball won the game for them. A great effort by our girls to stick it out for the full 4 quarters. Best on court for the 100% game all day: Nancy

B grade have continued to improve as the season has gone on. Their mental strength and positivity at the end of the 2017 season is enormous. Strong efforts right across the court, with Bags playing half a game in B and then playing a whole game in A. She dominated in both games and she is a credit to the Emerald netball club. Best on court: Eilish

# NETBALL REPORT

## ROUND 14 - EMERALD VS WARBURTON MILLGROVE

### C Grade

Our girls fought hard for the first three quarters of this game, being only 2 goals down at half time they were fighting strong against a physical Warburton side. Unfortunately early in the last quarter our GS Alana took a nasty fall and hurt her ankle. This unsettled our girls whilst Warburton continued to be consistent!

They girls fought hard today and managed to keep Warburton to a lesser margin than the last time that we played them.

Congratulations to Bailey Sullivan who received Best on this week.

Final Scores: 22/35

### D Grade

Warburton were very strong the last time that we played them, and we expected nothing less this week! They had a very strong start to the game making the goals for our girls very hard to come by. All credit to our girls they never gave up and remained consistent throughout, Warburton were just too strong.

Congratulations to Tayla Sailsbury who received Best On this week.

Final Scores: 15/47

## ROUND 15 - EMERALD VS OLINDA FERNY CREEK

### C Grade

This week was going to be tough with Alana our GS out for the rest of the season and dealing with new combinations the girls had a task ahead of them. Olinda had very strong defence and accurate goalers, there defensive pressure shut our girls down in attack well and we found it hard to find goals.

Credit to the girls they did not give up and kept fighting until the last whistle, it just wasn't our day!

Congratulations to Stacey Liccardi who received Best on this week.

Final Scores: 12/52

### D Grade

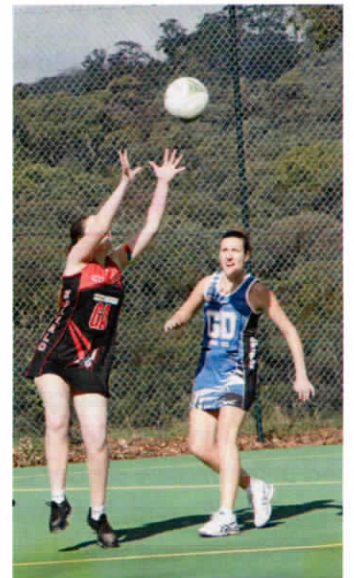

Olinda sit second on the ladder whilst our girls are currently on the bottom! Our girls had a great start to this game being only 1 goal down at quarter time. They had an exceptional second quarter with strong defence, mid court and goaling taking a 5 goal lead into half time. Unfortunately we got complacent in the third quarter and allowed Olinda to claw back and take a 1 goal lead into the last quarter. Our girls fought hard to get a goal up and unfortunately a poor umpiring decision lead to a turn over which cost our girls the game. They went down by 2 goals in the end, but considering there positions on the ladder and performance I am extremely proud of there performance and would consider this a win!

Congratulations to Amy Mitchell who received Best On this week.

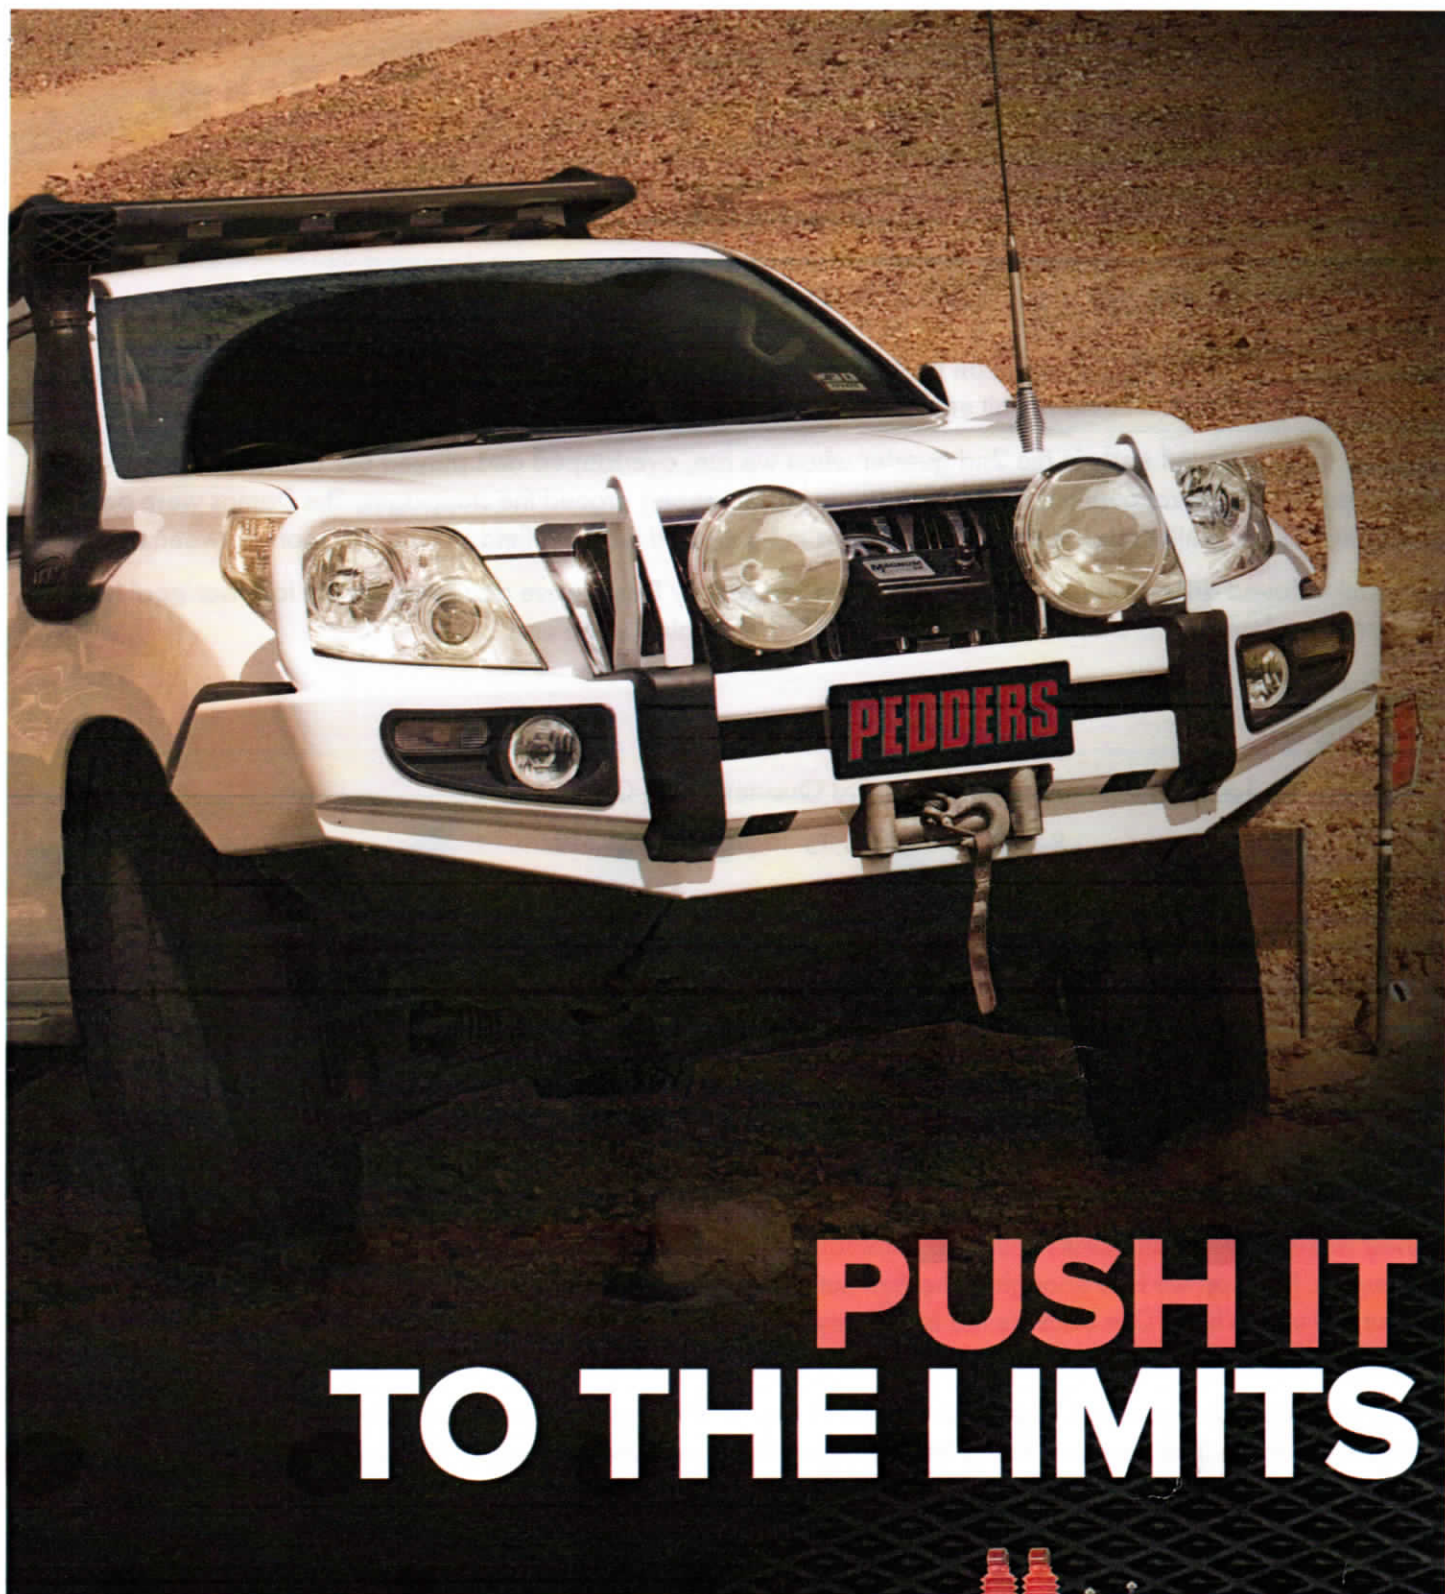

Final Scores: 30/32

# SENIOR FOOTY REPORT

## ROUND 16 - EMERALD VS WARBURTON MILLGROVE

After a slow start we finally got a win on the board, a bit of reward for our efforts over the last few weeks. Early on we had plenty of ball but could not hit enough targets or be accountable for our opponents to be competitive.

This is all turned around early in the 2nd quarter when we ran, overlapped and played our brand which led to a 7 goal quarter and control over the game. Karrots was again strong around the stoppages, The Dumps were powering out of the midfield while Soup, Richy and Bisho finished the good work up field kicking 10 goals between them.

Our back 6 found drive of the back half while Ports and Mitchy Pierce were dangerous. If not for poor goal kicking, it should have been a more comfortable victory than the 47 points in the end.

Well Done Boys, A Little Reward For Effort

Cheers Daley

	1st Quarter	2nd Quarter	3rd Quarter	4th Quarter
Emerald	1-3	8-9	13.13	17-17-119
Warburton	3-1	5-5	7-6	11-6-72

Best : Karrots, White, M Domp, Sheppo, Pierce, Bisho

Main Goal Kickers: Soup 4, Rich 3, Bisho 3, Ports 2

## ROUND 17 - EMERALD VS OLINDA FERNY CREEK

On a very wet and cold day, we were shown the difference between us and the top sides at what it takes to be a competitive consistent good football team.

Olinda was too strong and slick for us and if not for us digging in and not taking a backward step it could have been a lot worse. Early on we had enough of the ball but our composure let us down and skill level dropped away when they turned up the heat. Our back six led by Whitey, Paully, Anthony and Casey were solid and repelled plenty of ball but our use between the arks let us down and therefore gave our forwards limited opportunity to score.

Strong work from Stepho and Coxy (Ernie and Bert) was another good sight into our future, while Jack Thomas did a serviceable Job on their best mid. Paully held charge to no goals when he was forward, a lot better than his 11 last time we met.

Our Mids battled hard but their ruck work was too superior, although the efforts from Triffo and Harry Leo were good.

Lets give our last game a real crack boys and see what comes of it.

Cheers Daley

	1st Quarter	2nd Quarter	3rd Quarter	4th Quarter
Emerald	1-2	1-5	2.6	4-7-31
Olinda	3-4	4-8	9-13	14-16-100

Best : Whitey, Stepho, Thomsen, Anthony, Paully, Triffo

## ROUND 16 - EMERALD VS WARBURTON MILLGROVE

If you were to put a brand name to Saturday the 12/8, an appropriate label might be Rollercoaster Saturday. From Thursday evening through to about 12:11 pm Saturday, the struggle of getting the required playing numbers seemingly failing, even the optimists looked worried. With the confirmed number of available players low, and the quality of players that were unavailable high, the game we had to win, a win some players pencilled in several weeks ago, suddenly looked to be a difficult task.

Not sure if it was because some players got a good night's rest, or that the pre-game cheesy music was it, but something clicked in the rooms prior to the bounce, because the focus and effort from every player was evident from the very first bounce.

Many players embraced an opportunity to lead us on the field, and Zac started the day with the words of 'Damo Who', then backed up his recent strong form with a quintessential 'captains' game.

We were also again blessed to have several of our talented group of U/18's join us, Nick Pascoe, Aaron Stuhldreier, Mitch Thomas, Brayden Wood, Brad Pepi, Dan Edwards & Tanner Thomson are all stars of the U/18's competition, and as usual played at a level that reiterated again why we speak with such confidence when talking about the club's bright future. All of these boys have played with us in the 2's on several occasions this year, and I for one am a huge fan of all seven of them.

From a coaching perspective, it is very pleasing to report there were numerous highlights throughout the game, Ed Pascoe really set the scene for us with a superb first quarter. Kev Burns was prominent all day and could of kicked 10, however Kev's performance in the last 10-15 minutes of the game didn't include a shot on goal, but it did include some of Kev's best footy of the season. Some other performances of note were the games of Marty Bass, Marty was pushed further up the ground today than usual, and Marty was instrumental in linking our defence into attack, many of the Bomber scores today involved 'distribution' through Marty. Rawley Van Haren channelled the 'old man', and relished the opportunity to set the tone of our defence. Rawley lockedg down his opponents, attacked the ball and any oppo player with the ball with a ferociousness that spilled the ball our way on a number of occasions, his work rate was also a catalyst for the speed in which several rebounds out of the back half resulted in our forwards enjoying far more open space than they are generally accustomed to. Harry Leo's first half was solid in the ruck, however after a little bit of a push and shove with a couple of opponents early in the third, Harry seemed to be everywhere. Harry gave us first use of the ball with some nice ruck work, used his athleticism to get around the ground like a wingman, take some nice contested marks and impact other he couldn't. With Harry's ability to run and carry the ball quickly of 30 metres then deliver a 50 metre pass to a leading target on show a number of times today, we saw plenty of evidence as to why Harry is seen as a player with huge as yet unfulfilled potential. If Harry can start to put all these facets of his game together, and perform as confidently and in the same manner as he did today each and every week, then Harry will be become a player to watch in 2018.

I most pleased with the group's overall effort, we didn't take the foot off the pedal throughout the entire game, we were able to remain focused and disciplined, and as a result the Bombers ran out to a well-earned victory.

Emerald 18.13.121 v Warburton Millgrove 6.6.42

Best: W. Hanson, K.Burns, J. Fidanza, E.Pascoe, H.Leo, M.Bass

Oz

# RESERVES FOOTY REPORT

## ROUND 17 - EMERALD VS OLINDA FERNY CREEK

This was yet another game where the 2's were struggling for numbers, to the point the dirty F word was banded about on Friday.

Thankfully once again many of our U/18's put their respective hands up to save the day.

The fact the u/18's could play for the 2's, was only made possible through the wheeling and dealing of our Prez, Dean Stuhly.

Only the day before the game, Stuhly was able to get the league and the Yarra Glen FC to agree to an earlier start time for the U/18's game being away against Yarra Glen, so willing u/18's could be whisked off to Olinda in time to join the 2's take the field. This work behind the scenes involved more than just a couple of phone calls, too long a story to go in to right now, suffice to say that if The Prez had rolled up to Olinda in white shorts I would not have been surprised, nervous and more than a little concerned, but certainly not surprised.

Taking on the top of the ladder OFC with nine u/18's, someone could expect and maybe even accept that a one-sided result was the likely outcome. Being down by 5 goals at quarter time made such a result appear to be a very safe bet.

However, we were able to dig in and take the game up to the quite obviously bigger opposition. For the majority of each of the remaining 3 quarters I thought we had the better of them in terms of general play, we just couldn't convert that good work in general play into goals. We were the superior team in the attack on the ball, there were many situations where Damo (Playing Against Medical & Coaches Advice!), Jason 'Guns' Burns, Tanner Thomsen, Ed Pascoe and co, had some opposition players second guessing their commitment, via he willingness to run straight through contests to push in order to push the ball forward, a key requisite in such wet conditions.

Young Steve Kapahnke made his senior debut, and despite the conditions being non-favourable to big men, Steve put the ball into favourable positions for our midfielders, covered the heavy ground very well, taking several marks around the ground, and impacted numerous contests to bring the ball to ground. Steve was clearly the best performing big man on the ground and against a quality 2's team who had a good ruckman. We also had the senior debuts of Jake Zimmerling and Roy Pack, with both boys contributing well for us forward of centre. We also gave Jake the opportunity to rotate through the midfield and he showed all the signs of being a senior player in the very near future, perhaps even as early as 2018, which is an achievable goal for Jake in the year he turns 18.

To surmise the day; we started poorly (lacked sufficient senior player numbers), before regrouping (Led by The Prez), then stuttered a little (Clearly beaten in the 1st quarter), before finishing the day strongly with a quality team performance after quarter time.

Thanks again to all the U/18's who played today, along with their coaches and parents, you all contributed to the club's display of real camaraderie today.

Final Scores; Emerald 4.8.32 v Olinda Ferny Creek 12.6.78

Best: (The Prez-Offield) S. Kapahnke, T. Thomsen, J. Zimmerling, E. Pascoe, S. Buhmann, D. Edwards.

# U18 FOOTY REPORT

## ROUND 16 - EMERALD VS Warburton Millgrove

Last time we played Warby we had a solid win against them but this time we thought it was going to be a real challenge. They did bring pressure and played hard all day but our lads seemed to find another gear. Some great link up footy with eight different goal kickers. Our defence is working well with great run from half back.

We believe our Under 18's are playing the style of footy that we work on at training. We need to be a little better in some areas, but the satisfying thing is we know we can improve and we are all working towards that. Another solid performance lads.

	Emerald	Warburton Millgrove
1st Quarter	3.3.21	0.0.0
2nd Quarter	10.3.63	0.0.0
3rd Quarter	14.8.92	1.0.6
4th Quarter	18.14.122	2.1.13

Best Players: C. Roma, B. Brockwell, B. Wood, R. Hall, J. Zimmerling, L. Hoyer

Goal Kickers: L. Hoyer 5, T. Rodwell 3, N. Pascoe 3, B. Wood 3, H. Stratford 1, C. Donders 1, J. Zimmerling 1, C. Roma 1

## ROUND 17 - EMERALD VS OLINDA FERNY CREEK

Our game was played at Powelltown on a ground that we are not used to anymore, we have been spoilt!

It was a game of two halves, as we needed six boys to leave at half time to help out Ozzie. So the lads worked their backsides off and got us out to a 90 point lead by half time. The second half saw us one player short but still managed to kick 4 or 5 goals and still hold Yarra Glen at bay. This was a game that our lads can look back on and be proud. They showed us that our Club comes first not the team. Many weary bodies at the end of the game and a well deserved 106 point win.

Final Scores	Emerald	Yarra Glen
	18.12.120	2.2.14

Thank you to all that supported Ozzie's lads and to the boys that stayed with us, well done on a HUGE EFFORT.

Best Players: The Whole Team

Goal Kickers: B. Wood 7, J. Webb 4, N. Pascoe 2, L. Hoyer 2, T. Rodwell 1, M. Thomas 1, R. Pack 1

Go Bombers!!!
