### LEON BIRD

Leon is 16 years old and is a rising star in Association Football.

He has been a member of the Canterbury Representative sides at South Island Representative Tournaments since he was 11 years of age, and in 2018 was a member of the Mainland Representative side at the National Under 14 Championships.

He has been selected to attend the Wellington Phoenix Academy and has moved to Wellington to take up that opportunity, while studying at Scots College. The academy is a proven pathway to The Wellington Phoenix professional team.

Leon is a Football fanatic who lives every spare minute that he has practicing, watching or playing football.

His aims are to play for the Phoenix in the Trans- Tasman competition and then for the New Zealand All Whites
