

CITATION FOR LIFE MEMBERSHIP – LYN MILES

Lyn joined the Management Committee of the Foundation in 1998, on the nomination of Canterbury Primary and Intermediate School Sport.

In her time on the committee she has been a member of the Grants committee and for a number of years, the Chair of that Committee. In that position she introduced a set of criteria for junior coaching projects that is still used by the Foundation today.

Her role as sports director for Canterbury primary and intermediate school competitions and tournaments has given her great insight into the development of junior athletes and this knowledge has been invaluable to the Foundation.

Her service of 22 years is an outstanding contribution to the operation of the Foundation and she is a most worthy recipient of Life Membership.

I move that Life Membership be awarded to Lyn Miles.

Can I have a seconder, please?
