THE BLUEPRINT

Once more it is my great pleasure to write to you at the end of a year that has seen much success across all aspects of softball umpiring in NSW.

2019 marks 10 years for me as the NSW Director of Umpiring and President of the SNSW Umpires Association (SNSWUA). At this milestone, of sorts, I have taken the opportunity to pause and reflect on the recent performance and future direction of the SNSW Umpires, particularly in context of our changing softball and general sporting landscapes.

I am hugely optimistic about our future to continue to provide quality service to softball, while creating a positive environment to support and develop umpires at all stages in the umpiring pathway.

Our future is bright! To be built on our strong foundations of proven strategies; to be driven by skilful and generous volunteers.

The SNSWUA has passionately provided umpiring services to softball at all levels across our state and has proudly supported Softball NSW, Affiliates and individual members during the past season.

In many ways our successes this year validates our strategic intent to remain focused on five key areas of our strategic plan called ***Our House that includes***: 1. Leadership and Management, 2. Service to Softball, 3. Recruit Umpires, 4. Develop Umpires and 5. Retain Umpires.

Each area of Our House contains initiatives and programs that consistently deliver results in the short term with the intention of sustainability for our mid and long-term. The longevity of our programs, with evolutionary innovations is a core strength that is a solid platform for future growth.

Our People bring Our House to life in a community built on teamwork, generosity and enthusiastic skill.

Umpire leaders at all levels are to be applauded for their commitment to our technical area and specifically for the support and care exhibited toward each other as we strive to develop umpire capability whilst remaining focused on providing the best possible service to our sport.

Special acknowledgement to all umpires, Association umpiring coordinators, UIC's, TCU's, mentors, trainers, assessors and support personnel who help deliver umpiring programs across NSW.

Thank you also to the elected members of the SNSWUA Executive Committee. Your individual and collective contributions keep momentum and spark fresh ideas for our program, and I am very grateful for you all.

The level of experience on the SNSWUA Executive Committee is a great strength. We have a combined 87 years of service to SNSW and the Umpires Association as elected members. Individual years of service on the Executive Committee is noted below (*total years in various roles*).

Scott Rindfleish - Director of Umpiring (18 yrs)
Andrew Rindfleish - Deputy Director (33 yrs)
Vicki Lansley - Secretary (14 yrs)
Andrew Birks - Treasurer (1 yr)
Claire Austring - Executive Member (1 yr)
James English - Executive Member (4 yrs)
Leanne Gearside - Executive Member (9 yr)
Shane McIntosh - Executive Member (1 yrs)
Krissi Travers - Executive Member (6 yrs)

Congratulations to all individual umpires who have achieved successes in 2019. This report proudly showcases all the new and higher accreditations, and state, national and international umpiring achievements.

From the new umpires starting their umpiring journey to the elite umpires representing on the world stage, we all share a passion for softball and pride in our work.

Finally, thank you to our three commercial partners of the SNSWUA: **Adam Dean, Mad Hatter Concepts** and **Whatley Trophies**. Your ongoing support greatly helps deliver quality support to our members, thank you.

Wishing all umpires great success for 2020!

Scott Rindfleish
Director of Umpiring

SNSW STATE EVENT UMPIRES

Thank you to the following umpires for service to Softball NSW at state events during 2019.

94 umpires were appointed to state events. This list includes State Championships and the Blacktown Junior International Challenge.
