

Albury Representative Squads – 2021

The Albury Basketball Association would like to congratulate all the Athletes that trialled for representative teams across age groups Under 12 - Under 18, both Girls and Boys.

As with other years we had high numbers of trialists which makes selections challenging.

All coaches were impressed with the effort and passion showed at the trials which made coaching the groups a fantastic experience for everyone.

As was discussed at the trials not everyone that trialled will be selected.

We encourage unselected athletes to continue to work hard and improve their game and the coaching group will be happy to provide feedback and support.

PLEASE NOTE: There is a lot of detail in the following so please take the time to read all information.

The Rep Season Commitment

To all athletes and parents, please be aware of the commitment required as a selected Representative Player. Key points to consider when accepting a place in a squad.

- All rep teams will have squad training at a nominated time on Sundays (Commencing Sunday 15th November, see below). It is an expectation that players attend these sessions
- Most if not all teams will organise at least one other training session per week.
- Albury will have rep teams competing in the Murrumbidgee South West Tournament on the 5th and 6th December hosted in Albury (and possibly Wagga)
- Albury rep teams will compete in the Wodonga Basketball Carnival in February 2021.
- Albury Rep teams will be entered into the BNSW Southern Junior League (SJL). Those athletes competing with these teams will be required to attend competition on the following weekends (venues TBC):
 - Round 1 6th - 7th March
 - Round 2 27th – 28th March
 - Round 3 8th – 9th May
 - Finals 22nd – 23rd May
- Further BNSW competitions that our Representative Teams could be competing in include
 - Country Tournament 12th-14th June
 - State Championships 20th – 22nd August
 - Junior Premier League – Albury is yet to confirm if they will nominate for this league which would be a greater commitment than SJL. This will be discussed with the teams and their parents once teams have been selected and announced.
- Expenses associated with representative basketball include
 - Rep Levy to cover training, competition entry fees (approx. \$410 per athlete TBC)
 - Travel and Accommodation expenses

If after considering the requirements to be a Representative Player, you decide not to accept a place in the squad please notify the Lead Coach as soon as possible.
