

BASKETBALL IS BACK!

The long-awaited return to basketball is just around the corner. Kilsyth have announced that Junior Domestic Basketball will return on **1st December**, with the season to finish 31st March 2021

With basketball starting in just a few weeks, we have limited time to submit our teams, so we ask for everyone to act quickly to help our Team Coordinators plan. Please get in touch with your child's previous coach to confirm if playing in the 20/21 season.

Or TEXT one of our Head Coordinators

URGENT!

Coaches, we need to hear from you ASAP so we can make up teams!

Further information regarding fees structure, PlayHQ registration, training times and Covid19 Protocols will be posted on our Socials, emailed to families and available on our website early next week.
