3 Formal Game Protests

In the event of a protest occurring, it is preferable that a) 1 senior umpire of SAL level 3 or above or b) at least two umpires of SAL level 2 be responsible for hearing the protest at the time it is lodged. If the protest cannot be heard immediately, a written protest must then be lodged. The game is to be played out to regulation. Protest forms can be obtained from the Control Room (Refer Appendix 1).

Format of written protest

A written protest must contain the following:

- Time the protest is being lodged
- Name of teams involved
- Name of all umpires officiating in the game
- Game situation at time of protest – including:- runners on base, count on batter, outs and runs scored
- Reason for protest, including rule if possible
- Signature of the protesting coach.

All relevant information must be submitted within 48 hours of completion of the game for the protest to be considered.

No protest will be considered if:

1. All parties have signed the scorecard
2. The protesting side has won the game
3. The protest is based on a judgment call

Protest committee to consist of the WSA Umpire In Chief, a Match Committee Representative and a WSA Executive Committee Member.

Protest committee decisions are final.

4 Dispensation Requests to Match Committee

Dispensation requests to the Match Committee must be made in writing from the Club's President, a minimum of two days before match day via the match committee email address.

The Match Committee will advise the opposition Coach, where required, and may note on the scorecard any approved dispensation.

5 Player Eligibility Rules

Eligibility – This section should be read in conjunction with the ‘Penalties’ section in the Rules Manual.

If a player is named and subsequently does not play during the season, the Match Committee reserves the right to request an alternate named player.

GENERAL INFORMATION

Clubs are advised that if they have a new, or relatively new player who they feel may not safely participate in their age group, can request dispensation for that player to play in a lower age grade. The request must be made in writing to the Match Committee for approval by SEMR or WSA.

The WSA Match Committee will intervene if players are considered to be playing in a grade not appropriate to their skill level, irrespective of their age.

OPEN 1 AND 2

Clubs must name a pool of 10 players. Players from the pool can play in both grades unlimited. If they have played equal/more Open 1 games than Open 2 during the season, they must have played in a minimum of half the number of available Open 2 games to be eligible to play in the Open 2 finals.

NOTE: This pool eligibility rule will also apply to a pool of 10 players named for Open 3 and 4 grades where a club has been given permission to enter such a pool for the current season.

INTERNATIONAL / NATIONAL / STATE - OPEN PLAYERS

Clubs must provide the names of any player who has represented (Team Member or Squad member) at an International/National Open Women’s Tournament, or Open State Team Member in the past 2 YEARS who wish to play in Open 2 or lower. Details must include positions held within the above mentioned team/s UNLESS they are Under 21 at Dec 31 in the current season.

A player given dispensation to play in an open age group below Open 1 must play under any stipulations provided by the WSA Match Committee. If a player is found to be playing outside of these stipulations will be classified as an Ineligible player and the Ineligible player penalty will apply.

JUNIORS PLAYING IN SENIOR COMPETITION

Clubs are advised that junior players must be 14 years of age before they participate in open senior competition. If a club wishes to submit an exemption a Player Assessment Form (Appendix 2) must be completed.

A player under 14 years of age given dispensation to play in an open age group must play under any stipulations provided by the WSA Match Committee.

Junior Players who pitch in WSA U16 State Championship teams, Representative teams, or above, are not eligible to pitch in Open 4. They may play in other fielding positions.

ELIGIBILITY WITHIN ALL GRADES

- A player must have played at least five (5) games in one grade for the club to be eligible for finals.

-
- Subject to grade rankings, a player may play finals in the grade in which they are registered and a higher grade as long as she has played half the number of available games in the registered grade.
 - If a player has not played half the number of available games in their registered grade, they will only be allowed to play in the higher grade.
 - If a player wishes to play finals in a further higher grade, she must have played at least half the number of games in the lower grade to play finals in both.
 - If a player's registered grade is the only team to make finals; the player is eligible for finals in that grade (as no higher grade is available) provided she has played at least five (5) games in the grade.
 - If a player is playing for two separate clubs across multiple grades, then eligibility rules apply per player and not per club.

Examples: (assume 20 available games in all Open grades for these examples).

1. Player is registered in Open 4; she plays 5 games in Open 4, 6 games in Open 3 and all available games in Open 2. She has not played half the available games in Open 4 or 3, so is only eligible for Open 2 and Open 1 finals.
2. Player is registered in Open 4; she plays 5 games in Open 4 and 18 games in Open 3. She played more than half the available games in Open 3 so is eligible for Open 3, 2 and 1 finals.
3. Player is registered in Open 4; she plays 5 games in Open 4, 20 games in Open 3 and 1 game in Open 2. Open 4 is the only team to make finals. She has played the required 5 games to play Open 4 finals and is therefore eligible.
4. Player is registered in Open 4; she plays 1 game in Open 4, 15 games in Open 3 and 2 games in Open 2. Open 4 is the only team to make finals. She has NOT played the required 5 games to play Open 4 finals and is therefore NOT eligible.

Permission may be obtained from the Match Committee for players who register after the Christmas break to be eligible for finals if they have not played at least 5 rounds.

NOTE: SV fees are applicable as soon as a player takes the diamond, with exception of NEW casual players. Please note: all players must be registered before they take the diamond. Softball Victoria defines NEW players as those who have NOT been registered with an affiliated SV Club/Association within the past 3 years. Casual Memberships MUST be completed through the Softball Victoria TeamApp/Website.

Eligibility Exemptions for Juniors

Junior players are not limited in the number of senior games played with respect to junior finals eligibility provided they have played at least half the number of available games in the junior grade.

NOTE: For finals eligibility within junior grades, grade rankings still apply. If a junior player plays in 2 senior grades, then the rule in 1 above applies.

Open 1 and 2 Pool

A player nominated in the Open 1 and 2 pool of 10 players is eligible to play in finals of both grades. There is no restriction on the number of Open 1 games played with respect to Open 2 games for pool players. However, if the player has played equal to or more Open 1 than Open 2 games during the season, they must have played in at least half of the number Open 2 available games to be eligible to play in the Open 2 finals. If they have played more Open 2 than Open 1 games, they are eligible for both grades irrespective of the actual number played i.e. 5 or 15 games.

This rule will also apply to Clubs that have been permitted to submit a pool of Open 3 and Open 4 players for the current season.

Calculating 'at least half the number of available games'

When calculating 'at least half the number of available games' – this is half the number of the games in the fixture, less any abandoned games. i.e. in a 20-game season, they must have played 10 games; in a 21-game season they must have played in 10.5 games, (i.e. 11 games) to meet the criteria. No % rule applies, just game numbers played.

- A visor is not considered to be a hat
- Players will not be allowed to take the diamond without a hat
- This rule also applies to any [coaches](#) and [umpires](#) who are under 18 years
- Hats are required to be club issue or club colours
- **If a player chooses to wear a protective facemask whilst fielding, a cap cannot be worn. The facemask takes precedence over the cap**

It is compulsory for ALL players **under 18 years** of age at December 31 of the current season to wear a sleeved undershirt (that covers shoulders) under a singlet-style team uniform top while playing softball at Jells Park, in both junior and senior competition.

- Undershirts with sleeves rolled up or folded under are not appropriate
- Players will not be allowed to take the diamond without an appropriate undershirt

This policy change is in keeping with the VicHealth SunSmart policy. Vic Health is a major sponsor of Victorian Softball.

All players in ALL grades are encouraged to wear a peaked cap while playing softball.

If a junior player is seen on the diamond without a hat and/or sleeved undershirt WSA representative to speak with the coach of the offending player. If the player continues to disobey this rule, they will be deemed ineligible and will be required to be replaced by a substitute. Please also see the 'Penalties' section in the Rules Manual for playing an ineligible player, if action is not taken by the coach.

21 Waverley Softball Association Heat Policy

This Policy will be applied to all games managed by the Waverley Match Committee in conjunction with the Waverley Executive Committee.

21.1 SEMR Softball Heat Policy

Junior Competition (U12 and U15)

Games that are scheduled for times when the temperature is 34o Celsius or above shall be cancelled.

Junior Competition (17U)

Games that are scheduled for times when the temperature is 36o Celsius or above shall be cancelled.

Temperature Measuring

The temperature should be measured on the pitcher's mound, 10 minutes prior to scheduled time to commence, with a standard thermometer. If the nominated maximum temperature (see above) is reached or exceeded, the game will be cancelled.

If a suitable thermometer is unavailable, the Bureau of Meteorology Scoresby, Frankston, Moorabbin Airport or Cranbourne reading, whichever is closest to your location, may be used instead.

<http://www.bom.gov.au/vic/observations/melbourne.shtml>

NOTE: Column indicating Temp^o Celsius is the reading to be observed.

Under no circumstances should a game commence if the measured or BOM temperature is equal to or greater than the SEMR Competition's prescribed maximum temperatures for relevant age groups.

Once a game commences it shall conclude according to the rules of the competition.

This policy has been developed using the Sports Medicine Australia UV Exposure and Heat Illness Guide. For further information regarding the management of participants, risk minimization and preventative strategies in hot and or extreme weather conditions please refer to:

21.2 WSA Senior Competition Heat Policy

Games that are scheduled for times when the temperature is above 38^o Celsius shall be cancelled.

Temperature Measuring

The temperature should be measured on the pitcher's mound, 10 minutes prior to scheduled time to commence with a standard thermometer. If the nominated temperature (above) is exceeded, the game will be cancelled. The game will not commence unless the measured temperature is less than nominated. Once a game commences it shall conclude according to the rules of the competition.

If a suitable thermometer is unavailable, the Bureau of Meteorology Scoresby temperature may be used instead - <http://www.bom.gov.au/vic/forecasts/scoresby.shtml>

NOTE: If one game in a round is called off due to excessive temperatures, **all games** being played at that time will also be abandoned. Once a game commences it shall conclude according to the rules of the competition.

22 Code of Conduct – Parents and Spectators

- Children play softball for fun. Accept mistakes as part of their learning process. Remember they are playing for their fun, not yours.
- Applaud good play from both teams and encourage your child to accept that their best and honest effort is just as important as victory.
- Encourage the players and coaches to always play the game within the rules and spirit of the game.
- To help assist your understanding, learn the rules.
- Never ridicule, abuse or yell at ANY player for making a mistake, which may change the result of a game.
- Offensive language or behaviour from parents and spectators is not acceptable under any circumstances and the club concerned should take immediate stern action.
- Recognise the value and importance of the volunteers assisting. They give their time and effort to provide a safe and fun environment for your child. If you are able, your assistance is always welcome and appreciated.
- Softball is a fun game. Accept that each player will spend time on the bench and have a particular role within the team.
- Not all players are champions; so, if they don't want to play, then don't force them.
- Under no circumstance should any parent / spectator approach an official before, during or after a game.
- THERE IS NOTHING WORSE THAN THE UGLY PARENT.

Waverley Softball Association reserve the right to remove any parent or spectator causing undue interruption during games
