

Albury Basketball 2021 Representative Team Selections

Good afternoon everyone

On behalf of the Albury Basketball Association we would like to thank the following:

- All the athletes that tried out across all of the age divisions
- Our fantastic coaches that give their time so generously
- All of the parents, guardians and helpers that make our rep program the success that it is.

Team Selections

The trials for the 2021 Representative Season continued to see further growth in the number of athletes trying out across the age divisions both boys and girls. It was great to see so many young athletes continuing to develop and improve as basketball players.

This growth in numbers and ongoing development of our athletes makes selecting teams challenging for our coaching group and decisions are made in collaboration with multiple coaches to ensure we have multiple sets of eyes watching our athletes and contributing to the final decisions.

Our trial process was underpinned by the following:

<ul style="list-style-type: none">• Ability to listen and follow instructions• Basketball skills• Athletic ability• Attitude• Work ethic	<ul style="list-style-type: none">• Potential• Physical Attributes• Feel for the game• Coachability• Commitment• Team Balance

Please remember, being selected in the Albury Basketball Representative Program is a fantastic achievement regardless of the team an athlete is selected to. Representative players continue to learn and develop through squad training which is just as valuable as their on-court experience.

We ask that all athletes, parents and guardians respect the decision of the coaching group and be supportive as we enter the 2021 season.
