Tuggeranong Southern Cross Basketball Club

CONSENT BY PARENT OR CARER: I consent to my child playing junior basketball with the Tuggeranong Southern Cross Basketball Club.

I am aware that the Club does not carry individual player insurance but that players are covered by sports insurance taken out by Basketball ACT (BACT) for registered players at authorised team trainings and competition games. I accept that neither the Club nor any of its officers will be liable for any injury sustained by my child while participating in the activities of the Club. I authorise any officer of the Club to seek medical assistance or treatment for my child in the event of injury and agree to pay any fees or expenses incurred.

I agree that the Club officers are not responsible for any supervision or custody of my child outside the period during which they are participating in a competition game, training or trial session organised by the Club.

I accept that officers of the Club include all Club coaches and managers, persons acting temporarily in those capacities and persons elected to the Club committee or appointed by it to a position of responsibility.

I acknowledge that by acceptance by the Club of my child's registration incurs a liability to the Club for the fees specified for the team(s) in which the child is placed. I understand that the Club will only consider refunds in exceptional circumstances, such as where it is unable to offer a place in a team. [Refer to the Club Refund Policy]

I understand and accept that only players who are financial can take the court.

I understand that the Club reserves the right to pursue outstanding fees, even when a player is no longer a member of the club, and that no transfers will be signed while there is money outstanding.

I understand that authorised members of the Club may photograph or videotape games or training sessions for coaching purposes and for club communications (including annual reporting, and on its website and social media platforms). I understand that all filming will be undertaken in accordance with Basketball ACT's Filming and Photography Policy. I agree to notify the Club in writing if there are legal reasons for my child not being photographed or videotaped.

I understand that the Club has a zero tolerance for racism and discrimination. I accept that the Club may hand down extensive suspensions or expulsion for proven incidents of racism and/or discrimination.

PARENT CODE OF BEHAVIOUR:

I will abide by the club's "Parent Code of Behaviour" of:

1. Being a positive role model for the club. Being aware of how I act and what I say about our club, the coaches, managers and committee. Bringing my concerns to the club to be addressed.
2. Always communicating with our club coaches, managers and committee in a respectful, appropriate and constructive manner.
3. Supporting the club coaches and managers and respecting their decisions. Not instructing my child, or any other child, in training or games or approaching the players' bench during games.
4. Respecting the referees and court officials. Not arguing with referees or court officials to ensure that the team cannot be held responsible for my actions under the BACT's Competition Rules and By-Laws. [Refer to the Club Complaints Policy]
5. Supporting my child to enjoy and have fun playing basketball. Praising, encouraging and supporting my child to make their own decisions in games and training on the direction of their coach. I will not pressure my child about winning or losing.
6. Undertaking my turn at score bench duties during the season and in doing so, remaining impartial and not disagreeing with the referees.
7. **Ensuring that my child understands and abides by the club's Player Code of Behaviour.**

PLAYER CODE OF BEHAVIOUR:

I will represent the club's values when taking the court by:

1. Playing by the rules.
2. Treating players in my team, my club and on the opposition, as I would like to be treated. Not interfering with, bullying or taking unfair advantage of another player.
3. Co-operating with my coach, team mates and opponents. Without them there would be no competition.
4. Never arguing with a referee or court official. If I disagree with a decision, I will speak to my coach or manager instead.
5. Controlling my temper. Abusing officials or other players, deliberately distracting or provoking an opponent is not acceptable in any sport.
6. Being a good sport. Applauding all good plays whether by my team or the opposition.
7. Working equally hard for myself and my team. The team's performance will benefit and so will mine.
8. Playing for the fun of it, not just to please parents or coaches or just to win.
