Thursday 28th January 2021

Dear Parent / Legal Guardian and Player.

The Great Southern Football League, in preparing for the 2021 football season, invites nominations from those junior players who are to translate to "Sixteens" on their pathway to Colts and Senior ranks through the Club Allocation Process (CAP).

AFL Player Pathway: In 2021, those in Year 9 (DOB range between 01/07/2006 and 30/06/2007), are hereby invited to nominate for allocation into the "Sixteens" GSFL Competition.

The GSFL is fully committed to ensure at all times, that footballers of all abilities will be given equal opportunity to advance their football career ambitions or to just participate in Australia's own sport, creating lifetime friendships along the way. Clubs have been briefed; and measures will be taken to ensure this occurs at all times.

NOMINATION: Enclosed/Attached is a nomination form incorporating parental/legal guardian approval should you choose to participate in the 2021 CAP. This process will consider your responses to all questions asked as players are allocated to one of the four Albany based GSFL clubs. Players seeking to play at Mount Barker or Denmark Walpole should tick boxes at points 3 or 4 at "Other Applicable Details" on the attached CAP Registration form.

The nomination form should be submitted to the League by mail to Post Office Box 1958, Albany WA 6331 or by scanning to PDF (please not photograph/jpeg) and emailing to gsfl@bigpond.com by Wednesday **10th February 2021**. The CAP meeting is to be held on Monday 22nd February 2021 and players notified from 24th February 2021.

ZONES: Parents/Guardians and Players are advised that the attached map defines player catchment Zones implemented to further assist optimum distribution of players to Denmark Walpole, Mount Barker and the Albany based clubs. The League seeks your co-operation on this matter in an endeavour to maintain Denmark Walpole and Mount Barker as strong and viable clubs. If you are aggrieved by this decision, then a written application to the League submitted with Nomination Form, will be considered.

CLUB: Once allocated to a club, players will transfer into and become a member of that club, pay membership fees and abide by the rules appropriate to that affiliated club.

ALLOCATION PROCESS:

1. Nomination form is submitted to GSFL by player with parental/legal guardian consent by **10th February 2021**.
2. Allocation Committee comprising representatives from member clubs, chaired by a GSFL appointee will consider and allocate each nominee player to a club.
3. No individual club has a hold on or can pre-determine allocation of players nor are they to influence prospective players into joining a particular club through prior contact of training opportunity.
4. Allocated player's details will be provided to the appropriate club.
5. Clubs will make contact with the allocated player.
6. Each club will apply to transfer the player from their current Junior Association or register a new player through Footyweb using the GSFL Transfer request Form submitted to GSFL.
7. Once notified by email and or SMS, all players must then complete their AFL Footyweb registration online.

Kind regards and best wishes

Yours faithfully

Paul Higginson

General Manager
