GAMES/TEAMS (Newhaven College)

There are usually four (4) teams per age group with the U12B and U14B age groups having six (6) teams each, however this may vary depending on registrations. We have a maximum of seven (7) players per team to ensure players receive sufficient court time to continue to develop their skills. The exception to this is where a team may have a player that is unable to commit to the full season where eight (8) players will be allocated.
