

GIPPSLAND FC COVID CLEANING PLAN

The following plan is to be read in conjunction with FV return to training guidelines and in particular the “Hygiene protocols for Clubs” section.

Gippsland FC will adhere to the following procedures outlined below:

Training nights

On training nights only the toilets will be open for participants to use, any other facilities will remain closed to the public and players.

Toilets will be cleaned prior to use on training nights by the respective team manager and they will ensure hand soap is refilled and available.

All touch points will be wiped down prior to use (such as gates, padlocks etc.)

Each coach will provide sanitiser upon entry for all team members and also clean all equipment post use.

Register of cleaning to be documented by each team manager.

Use of clubrooms for meetings (Committee and coaches meetings only)

Prior to any meetings being held in club rooms the main touch points will be wiped clean.

Male and female toilets will only be used if absolutely necessary and if so will be wiped down by the respective committee member.

Gippsland FC envisages usage of the clubrooms for committee meetings only. Any other meetings can be held in outdoor areas.

Game Days

On game days the following procedures are to be implemented:

- Register of attendees to be completed by each team managers (players and officials will be recorded via the team sheets) in the GFC attendance book.
- Sanitiser will be available upon entry and at each of the main grandstands.
- Toilets will be cleaned prior to game day and at the end of the day and ensure that soap is readily available.
- Main touch points in the change rooms will be wiped down and toilets cleaned. Main touch points include, seats, light switches and door handles.
- Bins emptied at the end of each day.
- Canteen will follow covid safe requirements
- Main touch points around canteen and serving area to be wiped down by the canteen manager.
- Game balls to be wiped clean by the respective team manager.
- Each team box will be wiped down post each game by the respective team manager.
- Committee members to ensure register of cleaning kept up to date.
