## Medical Conditions (please list any conditions/injuries relevant)

As a club we are run solely by volunteers. It involves a tremendous amount of pre-planning and work, both before the season starts and on match days. As in past seasons we require **your** assistance on a roster basis to spread the workload and enable us all the opportunity to see our family members participate on match days and we expect that everyone takes their turn when asked to do something. Each week we need 60 volunteers just to get all teams out on the field/court and on home games we need an additional 30+ people to run the gate, canteen, bar, bbq and set up/clean, not to mention all the coaches, assistants and team managers. Many of these duties are performed by the same people week in and week out so it really is **vital that you play your part**. As a club we have a policy in place that should rostered duties not be undertaken, or a replacement found, a fine will be issued and/or a game suspension considered. We understand that this may seem harsh but it's important to remember that if your position is not filled someone else has to step in, remember many hands make light work. **All players/parents will be rostered on to be in the canteen, bar, on the gate, clean up and/or umpire. Where ever possible requests will be respected when we compile our rosters, some changes however may be necessary. Additional rosters for scoring/timekeeping, boundary umpires, water boys etc. will also distributed by team managers.**
