Umpires play a key role in the successful delivery of Community Football. Coaches, officials, players and parents play a vital role in developing the highest quality umpires.

2a	Every player in a team must play at least half (50%) of a game. This only applies to the first game a player plays in a weekend, e.g. if a player has completed a match with their team and then plays up for another team who is short of players, that player is not required to play 50% game time in the second match.
2b	All players must play equal game time across the season.

WAFC POL.06: Pregnancy Policy

GENERAL INFORMATION

Lead Area:	WAFC Community Football
Lead Procedure Title:	Pregnancy Policy
Procedure Reference Number:	WAFC POL.06
Adapted by:	TM.
Last Modified:	11 November 2018

POLICY BACKGROUND

Sports Medicine Australia has developed guidelines entitled *“Participation of the Pregnant Athlete in Contact and Collision Sports”*.

The guidelines are intended to provide recommendations to the pregnant athlete and sporting organisations on safe participation in contact and collision sports during pregnancy.

SUMMARY OF GUIDELINES

Football is classified as an unlimited contact and collision sport;

- Contact or collision is frequent and maybe quite forcible,
- A high risk of falls, blows to the abdomen and contact with a projectile exists,
- In a normal pregnancy, participation can only be recommended during the first trimester.

RECOMMENDATIONS

- Display a copy of the summary of the statement issued by the Medicine and Science for Women in Sport committee of the Australian Sports Medicine Federation on club notice board so that players can make an informed decision about playing,
- Encourage any player that is pregnant to seek the advice of a medical professional,
- Provide a safe environment for all footballers.

INSURANCE & THE PREGNANT PLAYER

The pregnant player is provided with the same personal accident policy that is provided for all registered members of the football leagues. However, the player is not covered if the resultant injury is found to be due to the pregnancy. NO cover is provided for the unborn baby.

GENERAL INFORMATION

Lead Area:	WAFC Community Football
Lead Procedure Title:	Weather Policy
Procedure Reference Number:	WAFC POL.07
Adapted by:	JH.
Last Modified:	28 January 2021

POLICY BACKGROUND

Environmental factors regularly affect the playing of Australian Football. While environmental factors will not usually influence whether an Australian Football Match should commence or continue to be played, occasionally extremely adverse weather conditions may give rise to a need to assess whether players and/or officials are in environmental danger. This policy sets out the approach that the Football Body should adopt when assessing extreme weather conditions.

As an affiliated state body of the AFL, the West Australian Football Commission subscribes to the AFL Extreme Weather Policy which can be found at www.afl.com.au/policies.

RESULTS

If a game is abandoned due to weather conditions, the WAFC shall decide if the fixture is to be rescheduled or determine a result according to the progress score and point of the game at which the game was abandoned.

For all final round matches all decisions pertaining to the above rules will be controlled by the WAFC or their appointed officials as per the following guidelines:

- Games abandoned prior to half time, the Match Day Official will contact the Match Day Management Committee (Conference CDM & Team Leader) for guidance on how to proceed.
- Games abandoned after half time will have the team with the higher score deemed to be the winner.

RESPONSIBILITY

All clubs competing in a competition administered by a Football Body should monitor environmental factors. Umpires in consultation with the a WAFC competition official are responsible for the ongoing assessment of suitability to play in line with the respective AFL policies.

WAFC POL.10A Competitions Policy: Team Selection & Nominations

GENERAL INFORMATION

Lead Area:	WAFC Community Football
Lead Procedure Title:	Competitions Policy: Team Selections & Nominations
Procedure Reference Number:	WAFC POL.10A
Adapted by:	TM.
Last Modified:	3 December 2019

POLICY BACKGROUND

The West Australian Football Commission is committed to forming fair, even and competitive competitions that enable young players of all abilities to have fun, actively participate and improve their knowledge and skills of the game. The intent of this policy is to:

- a) clearly outline the team nomination process.
- b) provide guidance on how clubs can allocate players to teams in instances where there is more than one team in a year group.

TEAM NOMINATIONS

The West Australian Football Commission will establish a date each year where clubs will submit team nominations for year groups in which they wish to field teams for the upcoming season. The WAFC shall consider all nominations and where possible shall include teams in competitions as nominated.

RULES

1. TEAM NOMINATION REQUIREMENTS	
1a	Each team nomination should include the name and other relevant details of the following people: <ol style="list-style-type: none"> i. An accredited coach capable of teaching players the laws and skills of Australian Football in line with the Spirit of the Game and the WAFC's True Sport Codes of Conduct ii. A manager capable of assisting the coach by carrying out clerical and other duties relating to the efficient functioning of the team.
2. ENTERING MULTIPLE TEAMS IN A DIVISION/YEAR GROUP	
If a club enters more than one team in a single division in any year group or has multiple teams in a year group, then the following is to apply.	
2a	Each team nominated by the respective club must be done so in such a way that each team is competitive within its nominated division.
2b	If a club has two teams in one division, it must be done so in such a way that each team is competitive within that division.
2c	If the teams are viewed to be uncompetitive by the WAFC within the first five rounds as per Rule 4 of this document, the WAFC has the power to direct the club to re-allocate players.
2d	If the club is directed to re-nominate the teams, the club will resubmit the teams and will be subject to further review by the WAFC.
2e	Specific competition rules regarding entering multiple teams in a division/year group can be found in the individual Competition Rules documents.
3. TEAM WITHDRAWALS	
3a	A Club which withdraws a team or teams from any competition without a reason acceptable to the WAFC, may be liable to a penalty. If a team is withdrawn from a competition after the commencement of a season, the WAFC shall determine how the fixtures will be re-organised and for which games premiership points will be awarded.

WAFC POL.10A Competitions Policy: Team Selection & Nominations

UNCOMPETITIVE TEAMS PROCESS

This process provides clubs a clear and transparent process for determining whether a team is uncompetitive under Rule 2 of this document, and how the WAFC will work with a club to rectify this.

RULES

4. UNCOMPETITIVE TEAMS PROCESS	
4a	Prior to the season, the WAFC will formally notify any clubs if they believe a team may be deemed uncompetitive based on the previous year's results which will include a recommendation to re-allocate players across teams prior to the season beginning
4b	At any point across the first five rounds of the season, the WAFC may formally notify clubs if they believe a team may be deemed uncompetitive and provide a recommendation to re-allocate players across teams.
4c	For a team to be deemed uncompetitive they must meet the following criteria as a minimum. <ul style="list-style-type: none"> i. Must have lost a minimum of three matches by 60 points or more across the first five matches. ii. A Competition Official must have attended two matches across the first five matches and have made an assessment that the team is uncompetitive within the context of the match at both matches.
4d	If a team is deemed uncompetitive at the conclusion of Round 5, they will be requested to provide evidence to the competition that they have taken steps to improve the competitiveness of the team, including re-allocating players between teams within the club.
4e	If a team is deemed uncompetitive and the club refuses to re-allocate players after the completion of Round 5, that team will not be eligible to play for premiership points for the remainder of the season.

TEAM ALLOCATION

There are various methods a club may choose to adopt when allocating players among two or more teams in a year group. The WAFC suggests that Clubs consider each of the below methods.

- **Even Teams:** Ensuring each team is of equal strength.
- **Friendship Groups:** Ensuring players are able to play with their close friends.
- **School Groups:** Ensuring players are able to play with their school friends.
- **Annual Rotation:** Ensuring players are able to experience playing with different players and are prepared for older year groups when there is an increased likelihood that teams will merge.

The below table is designed to assist clubs in managing multiple teams in a year group. It outlines when and how to split players across multiple teams to ensure all teams are competitive within their division and that players are provided with the best opportunity to enjoy playing, learning and developing the skills of Australian Football.

WAFC POL.10A Competitions Policy: Team Selection & Nominations

5. ADOPT A CLUB MENTALITY OVER A TEAM MENTALITY

Clubs are encouraged to adopt a club mentality rather than an individual team mentality. This will encourage long-term friendships that extend beyond school groups and past teammates and minimises the impact of players having to move or merge teams during their Junior Football career.

The WAFC encourages teams from the same club, in the same year group to train together as one. The benefits of doing this include:

- Building a strong club culture
- Encouraging strong friendships between a larger group of players and parents making any regrade or reallocation of players less daunting for players and their families.
- Ability to run more effective training sessions with larger numbers at training, implementing a hub training model which keeps players engaged and exposes them to a variety of coaches and coaching styles.
- Sharing of resources – green space, coaches, equipment etc.

6. WHEN SHOULD CLUBS MERGE OR SPLIT TEAMS?

With a focus on participation, the WAFC looks to maximise the number of opportunities for as many young players as possible to play the game. As such, denying registrations and turning players away is discouraged, however the WAFC understands the complications involved when deciding whether to enter one or more teams in a year group. The below table will act as a guide to assist clubs in working through these decisions.

Year Group	1 Team	Requires Action	2 Teams	3 Teams
12-a-side Competitions	9 – 18 players	19 – 22 players	23 – 34 players	35+ players
15-a-side Competitions	12 – 23 players	24 – 28 players	29 – 46 players	47+ players
18-a-side Competitions	15 – 28 players	29 – 35 players	36 – 56 players	57+ players

Action Required

If a club sits within the above 'Requires Action' column for any of their year groups, the below options are available and should be considered:

1. Recruitment:

Work together with WAFC district staff to recruit additional numbers in order to enter a second team.

2. Utilising current WAFC Policies, Rules & Regulations:

Enter a second team and utilise current Junior Football Policies, Rules & Regulations to ensure sufficient numbers for a match, which includes:

- Play Ups - see 9.2 of the WAFC Community Football Junior Rules & Regulations.
- Even Up – see WAFC POL.15D Game Day Even Up

3. Player Permitting:

The WAFC has developed a WAFC.POL21 Rotating Player Permit Policy, which enables teams with excess players to temporarily permit their players to a nearby club to assist with teams who are low on numbers. This is a great way of ensuring players get maximum playing time and more opportunities to touch the football and further develop their skills rather than not playing or sitting on the bench.

4. Team Mergers:

Work together with neighbouring clubs who may also be low on numbers in the same year group, to enter a merged team.

Considerations

The below considerations must be made, particularly when numbers sit within the 'Requires Action' column in the above table:

- Entering one team with too many players results in excessive interchange sizes, reduced game time and fewer coaches per player.
- Entering a second team with too few players increases the number of coaches and volunteers required.
- Priority should be given to returning and new players over players transferring in from other clubs.

7. WHO SHOULD SPLIT PLAYERS BETWEEN TWO OR MORE TEAMS?

The Club President and/or the Club Coaching Coordinator in consultation with the head coaches within a year group should make the decision on when and how players should be split into multiple teams.

8. HOW SHOULD PLAYERS BE SPLIT BETWEEN TWO OR MORE TEAMS?

The WAFC suggests that clubs should endeavour to make their teams as even as possible, splitting players based on their skills, size, speed and overall ability. The method below has been employed by several Junior Clubs in the past with great success.

Step 1: Assign each player a rating from 1 through to 5 (1 being the strongest).

Player Name	Rating
Billy Hobbs	3
Peter Smith	1
Jonny Jones	4
Jack Brown	2
Jimmy Kent	2
Jesse Williams	3
Harry Palmer	5
Sam Perry	5
Robert Walsh	4
Scott Cook	3
Luke Walker	3
Cameron Green	2
Jackson Keogh	1
James Taylor	3

Step 2: Allocate Coaches, Assistant Coaches and a Team Manager to each team.

Team 1	Team 2
Coach Walker	Coach Smith
Assistant Coach Hobbs	Assistant Coach Jones
Team Manager Walsh	Team Manager Green

Step 3: Sort the list of players numerically from the 1s through to the 5s.

Jonny Jones (4)	Robert Walsh (4)
Harry Palmer (5)	Sam Perry (5)

Step 5: Make any changes to ensure volunteer's children are on the required team. At this point, players should only be swapped for players with an equal rating.

Robert Walsh (4)	Jonny Jones (4)
Harry Palmer (5)	Sam Perry (5)
Total Rating: 20	Total Rating: 21

Step 6: Assess the two teams and consider how they would compare in a match. Fine tune the teams by making any necessary changes to ensure teams are as even as possible in terms of players' physical size and speed and overall team balance. Once again only swap players of the same value.

Step 7: As teams have been split evenly, they should be nominated in the same competition during the Team Nomination process. Please discuss with your WAFC Competition staff who will provide guidance as to the most suitable division for your teams.

Considerations

Please consider the below when following the above procedure:

- For clubs affected by PSA boarders, please ensure there are an equal number of boarders spread across the two teams.
- Upon request to the WAFC, Clubs will have the ability to make changes over the first two rounds of the Home & Away season, providing flexibility to get team balance right.
- After teams have been split, they are still encouraged to train together as per Rule 5 above.
- The WAFC encourages clubs to follow this process and reallocate players to a new team each season. The idea behind this is to promote players' individual development and allows them to experience the game playing with different teammates. It also promotes a club over team mentality where players are exposed to different coaches and coaching styles and encourages new friendships in both the player and parent groups.

PREMIERSHIP POINTS

1a	Four Premiership Points are to be awarded to the winning team of a Home & Away match.
1b	Two points are to be awarded to each team in a drawn Home & Away match
1c	If a winning team's margin exceeds 60 points (10 goals) the team will only be credited with a maximum of 60 points (10 goals) winning margin.
1d	Where equality in total premiership points occurs at the conclusion of the qualifying round (Home & Away season), the position of a team shall be decided by E-points and then percentage.
1e	In the event that uneven matches are played, a match ratio shall apply to the premiership table. Match Ratio is calculated by the number of wins divided by the number of games played multiplied by 100.

E-POINTS

The purpose of the E-Point system is to weight game day behaviour with the same importance as winning a match and reward teams for displaying positive game day behaviour. The system deters players, coaches and parents from engaging in negative game day behaviour prior to it taking place. The E-Point model is applied to all competitions from Year 7 and above.

RULES

2. E-POINTS	
2a	A maximum of four E-Points will be awarded per team per game for each completed regular season match. The team's behaviour (including that of players, team officials, support staff or spectators) will determine if any of these E-Points will be deducted.
2b	One E-Point will be deducted for every Yellow Card received by each participating team on game day and the penalised club may be liable for a financial fine.
2c	Two E-Points will be deducted for every Red Card received by each participating team on game day and the penalised club may be liable for a financial fine.
2d	Two E-Points will be deducted from a team who has a player, parent/spectator or official who is issued a prescribed penalty with a base sanction of one match or more.
2e	Up to four E-points may be deducted from a team for any code of conduct, policy or bylaw breach relating to inappropriate game day behaviour. This is at the sole discretion of the WAFC.
2f	If any breach occurs during a break of play or after the final siren, the number of E-points deducted will be doubled as the umpire does not have the ability to award a free kick.
2g	During Finals, the WAFC can substitute financial fines in the place of E-Point penalties.

WAFC POL.12: Concussion Policy

GENERAL INFORMATION

Lead Area:	WAFC Community Football
Lead Procedure Title:	Concussion Policy
Procedure Reference Number:	WAFC POL.12
Adapted by:	TM.
Last Modified:	21 January 2019

POLICY BACKGROUND

The West Australian Football Commission is committed to the health and safety of all people who play the game of Australian Football in WA. Concussion is a brain injury that occurs from impact to a player's head, either through collision with another player (which includes whiplash from body contact) or with the ground. Whilst the skull is in place to protect the brain, in a high impact collision, the brain can move back and forward within the skull causing temporary dysfunction.

GUIDELINES

Head impacts can be associated with serious and potentially fatal brain injuries. In the early stages of injury, it is often not clear whether you are dealing with a concussion or there is a more severe underlying structural head injury. For this reason, the most important steps in initial management include:

1. Recognising a suspected concussion;
2. Removing the player from the game;
3. Referring the player to a medical doctor for assessment.

Any player who has suffered a concussion or is suspected of having a concussion must be medically assessed as soon as possible after the injury and **must NOT** be allowed to return to play in the same game/practice session. There should be an accredited first aider at every game and the basic rules of first aid should be used when dealing with any player who is unconscious or injured.

MANAGEMENT GUIDELINES FOR SUSPECTED CONCUSSION

RULE	DESCRIPTION OF ACTION	
1.	Presence of any concussion symptoms or signs (e.g. stunned, confusion, memory problems, balance problems, headache, dizziness, not feeling right)	
2.	Implement first aid management protocol, including cervical spine immobilisation	
3.	Remove from the ground and assess using pocket CRT (Concussion Recognition Tool)	
4.	Presence of any factors for urgent hospital referral (e.g. confusion, vomiting, worsening headache).	
	YES Call for ambulance and refer to hospital	NO Do not allow player to return to play. Refer to medical doctor for assessment (at venue, local general practice or hospital emergency department)

HEADCHECK CONCUSSION APP

The Headcheck Concussion App continues to help Trainers, Coaches and Parents/Guardians recognise the symptoms of a suspected concussion and its severity through a series of concise questions and observations to quickly identify whether a child's head injury requires an ambulance, hospital, or a GP visit. The App also assists Parents/Guardians in managing their child's recovery program based on the symptoms displayed as well as guide the Parents/Guardians on their child's safe return to school, training and games.

The Headcheck Concussion App can be downloaded for free on both Apple and Android devices. For more information about the app, please visit www.headcheck.com.au

POLICY BACKGROUND

The West Australian Football Commission has negotiated in conjunction with the AFL, an Australian national insurance program with Insurance Brokers Marsh (formerly JLT). The program covers four critical areas of insurance:

- Player and Volunteer Personal Accident,
- Public Liability,
- Asset protection (theft and/or damage), and
- Associations (Directors and Officers Liability)

The national scheme covers each junior club from November 1 to October 31 at the base bronze level for Personal Accident. Upgrades to higher levels and therefore higher returns on claims are available after contacting Marsh direct.

TYPE OF COVER

All clubs are insured at a basic Bronze level coverage and should investigate upgrading their level of cover.

PRE-SEASON TRAINING INSURANCE

Within the AFL National Risk Protection Programme, Marsh covers all players who are registered to play with a club to the level of cover taken out by that club. In acknowledging that some players train to assess whether they want to register and play the full season, there is scope within the policy whereby 'prospective members' are covered for up to 4 weeks after their initial engagement with the club. If the player or member doesn't register within 4 weeks of their initial engagement with the club, they won't be covered

Lead Area:	WAFC Community Football
Lead Procedure Title:	Umpire Policy: Umpire Fees
Procedure Reference Number:	WAFC POL.14A
Adapted by:	JH.
Last Modified:	28 January 2021

POLICY BACKGROUND

The West Australian Football Commission has developed a new Umpire fee structure with a clear focus on improving the match day environment by increasing attraction and retention rates and building a strong pathway for Community Football Umpires.

All Junior Umpire Fees will be reviewed annually as the WAFC continues to look at ways to reduce and clearly define payment levels. This will hopefully remove some of the barriers allowing for greater flexibility for Umpires to be appointed games across various levels of Community Football. From a Club and League volunteer perspective, the simplification of Umpire fees will also reduce confusion and administrative workload around Umpire payments.

The WAFC shall fix the maximum fee for umpires annually prior to the commencement of the season.

PAYMENT

Electronic Funds Transfer (EFT) is the preferred payment method with 50% paid by each team. This process was successfully implemented in 2020 across most Metro Junior competitions with the intention of having every junior District adhere to this process.

In the event of a forfeit less than 24 hours prior to a game, Umpires will still be required to be remunerated, with the entire cost being paid by the team forfeiting.

B	Year 5 - Year 6 Year 5 - Year 8	Male Female	90m – 110m	70m – 85m
C	Year 7 - Year 8 Year 9 - Year 12	Male Female	110m – 140m	70m – 110m
D	Year 9 (15-a-side)	Male	120m – 150m	90m – 120m
E	Year 10 - 12 (15 or 18-a-side)	Male	135m – 185m	110m – 155m

6a The WAFC recommends that where possible, clubs use the lower range of the above ground sizes to improve player development.

Field sizes are reduced in younger age groups, female competitions, and 15-a-side competitions to suit players' skill level and ability and to cater for the reduced number of players.

Reduced field sizes allow for 'cross-field' matches in Year 7 – 8 and allow for more matches to be played in the same timeslot, reducing the impact on volunteers and increasing ground availability.

The above ranges have been purposefully overlapped to allow for less ground configurations on match day.

Ground configuration examples have been outlined in **Figure 2** of the **Ground Preparation Diagrams** section.

Adapted by:	TM
Last Modified:	29 October 2018

ABOUT TRUE SPORT

True Sport is an initiative by the Department of Local Government, Sport & Cultural Industries that supports local sporting clubs and associations to use eight values to share the benefits of sport and recreation to our whole community. After consulting with members of the sporting industry, it is apparent that people believe that strong community values are an important part of having a positive sporting experience in our State.

True Sport is the sport we want. Good sport can make a huge difference to our community and it is important to help sports work together to share this message through using a common language that everyone understands.

True Sport's eight values should be part of everyday life both on and off the field. By embracing these values, teams, clubs, participants and officials can work together to create fun, fair and safe environments for one and all to participate in sporting activities.

The eight True Sport Values are:

- **Have Fun**
- **Be Safe**
- **Give Back**
- **Be Healthy**
- **Play Fair**
- **Bring Your Best**
- **Show Respect**
- **Include All**

POLICY BACKGROUND

This policy has been created by the West Australian Football Commission with the aim of providing more players with the opportunity to participate and develop their skills of the game. In a situation where a club has a team with a large squad, excess players may be permitted to another club on a weekly roster to assist teams with limited numbers and increase overall game time for our junior footballers. This policy is only to be applied if a club wishes to share players with other teams to maximise the number of games played throughout the year.

RULES

1. ESTABLISHING A PERMIT ROSTER	
1a	Prior to fixtures being published, the source club must assign each player a rating between 1 - 4 (1 being the strongest) based on their size, speed and overall ability. As a guide: 1 – Player who is a member of WAFL Colts, Development Squad or Rogers Cup. 2 – Player with above average size, speed and/or skill. 3 – Player with average size, speed and/or skill. 4 – Player with below average size, speed and/or skill.
1b	Players are to be listed in a cycle of 1 through 4 (i.e. 1, 2, 3, 4, 1, 2, 3, 4 etc) to evenly distribute players among the proposed Type 2 Permit roster based on their rating.
1c	Players to be Type 2 Permitted are to be rotated through the list as per Fig 1 .
1d	The proposed roster must be endorsed by both the source and destination club and submitted to the WAFC by the Thursday before Round 1 of the season.
1e	In the case of injuries, illness or absence, the roster will require amendment to ensure each player is rotated through the permit process.
2. SUBMITTING PERMITS	
2a	Only players in excess of the maximum players allowed for the competition, including the bench, may be permitted to an opposing club. The source club should always have the advantage of a full bench.
2b	Players will be Type 2 Permitted on a Type 2 Local Interchange Permit as per WAFC POL.10D Transfers & Permits.
2c	The Type 2 Permit must be lodged online via Footyweb by the destination club three days prior to match day.
2d	The end date for the Type 2 permit but not go beyond the Monday after the match in which the player is rostered to play for the destination club.
3. RESTRICTIONS	
3a	If the destination club has 5 or more WAFL Colts/Development Squad or Rogers Cup players, then no further WAFL Colts/Development Squad or Rogers Cup players will be permitted.
3b	Players are only allowed to play finals matches for their primary club and are prohibited from permitting to opposition clubs under this model.
3c	Players must not be Type 2 Permitted to teams within the same club under this model.

WAFC POL.21: ROTATING PLAYER PERMIT POLICY

4. PLAYER AGREEMENT	
4a	Any player Type 2 Permitted to an opposition club must agree to do so prior to the Type 2 Permit being lodged.
4b	Players must agree to play to the best of their ability when Type 2 Permitted to an opposition club as per WAFC POL.19E – True Sport Players Code of Conduct
4c	If a player does not agree to be Type 2 Permitted to an opposition team under this model, then that player will be unable to play for their primary club in the week that they are rostered to be Type 2 Permitted to ensure fairness and equality in the roster to continue.
