# SEASON LAUNCH BREAKFAST 2021

*Dear Football, 'how I love you so'*

LISTEN TO 4 PROMINENT PEOPLE FROM VARYING BACKGROUNDS SPEAK TO YOU ABOUT THEIR LOVE OF FOOTBALL AND WHAT IMPACT IT HAS HAD ON THEIR LIVES.

**Tom Siegert** - Tom Siegert simply loves footy. So much so that the comedian makes a living talking about footy through his hugely popular character The Suburban Footballer. Hearing Tom speak personally about his relationship with footy will be wonderfully entertaining.

**VICKI WARD** - Grew up around the Research JFC where her parents were very active volunteers. She would have loved to have played but the opportunities just weren't there - she's a mad Bombers fan and is a staunch supporter of local footy clubs, senior and junior, recognising the value they add to her community.

**CHRISTINA POLATAJKO** - Christina was a late starter in women's football as many were through a lack of opportunity at Junior level. After 125 games at senior level for the V.U. Western Spurs she has dedicated her passion for footy into the coaching ranks, culminating in receiving the Peta Searle female coach of the year 2019, Northern Region coach of the year 2019.

**GREG CHAMPION** - A legend and the musical voice of football. Nearly 40 years as a Coodabeen Champion and wrote the very famous, "That's the thing about football". Greg has a legend status as an entertainer in the AFL world.
