MEMBERS & SUPPORTERS NEWSLETTER 2021

2021 Edition

Presidents Brief

It is with a great deal of pleasure and anticipation that I can deliver my first report as President of the Terang Mortlake Football Netball Club for the upcoming season. I feel privileged to fill the role as president and understand that with that privilege comes a huge amount of responsibility. I would like to take the opportunity to thank the previous president in Dave Roberts and his hard working committee. It is no secret that the last 12 months have been some of the most challenging we have seen not only as a football/netball club but more importantly as a community. It has never been more apparent that footy clubs play an integral part in the physical, mental and social wellbeing of regional communities. The support of our loyal sponsors and members has been nothing short of amazing, it goes without saying that we wouldn't exist without their generosity.

As we look forward to the 2021 season I am confident we once again have an outstanding executive, committee and panel of coaches to lead and represent the club. I am excited to welcome Melissa Irving into the role of general manager and also thank Peter Watson for his efforts and contribution. We are continuing to work on a number of projects and improvements to both our facilities and operations. Much time and effort was put into the club review in 2019, with some great recommendations and outcomes that we continue to strive towards. Whilst we can't predict what the coming months will bring, as a club we will prepare and hope for a season that resembles some sort of normality. I look forward to reconnecting or meeting with as many of you as possible around the club, at training or about town. Terang Mortlake is a proud, successful and resilient club, a club surely displaying the values that make our supporters proud, and I look forward to continuing that journey in 2021.

Matt Clarke - 2021 President

Football

The football department is well underway ahead of another exciting season. Ben Kenna has been re-appointed as our senior coach for 2021 with recruiting and training in full swing.

We welcome Neil 'Ned' Kelly as Reserves coach for 2021, it's great to have Ned on board. Ned has a wealth of knowledge and experience so it will be great to see what the 2's can achieve this year.

Under 18.5's will be led by stalwarts of the club, Neale Grundy and Jason Conheady. Neale is a former Terang Premiership player and Maskell Medallist and Jason is a former player and coach at the Bloods. It's great to see these guys take on our Under 18.5s and help lead them into their senior football playing futures.

Preseason kicked off again on 27th January with good numbers on the track, with a few familiar faces back in the Red and Blue! A practice match has already been locked in for March 20th against Lara at Ridley Recreation Reserve, so be sure to come along and have a look. There will also be a BBQ available for all.

All football teams are in great hands for 2021 and after 2020 being the season that wasn't, we can't wait to get the first bounce underway!

Girls Football

We are excited to see Alison Kenna continue to lead the girls football team again for the 2021 season. After getting one game in last year, it will be great to see what the girls can do in 2021. The girls footy is coming along in leaps and bounds and its great to see so much interest. Lets hope the 2021 season gets off to a great start. In addition to our Junior girls football team, we are running a 'come and try' day for Senior Women Footballers! So if you're keen or you know of anyone who might be interested in playing womens football, be sure to tell them about the day. The training will be on Sunday 21st February between 11am and 12pm.

Junior Football

Terang Mortlake Football Netball Club continues to be proud of our junior football teams with the numbers for 2021 looking strong. We are very grateful to all our parents for making the effort to travel between our 2 wonderful venues. This commitment from our parents and players will ensure that our Club will have a sustainable future for many years to come. Joanne Roberts will continue to lead our junior football department for 2021 and we are very fortunate to have the following coaches take on the important role of leading our junior bloods.
