

KYABRAM FOOTBALL NETBALL CLUB

SPONSORSHIP BOOKLET 2021

"Achieving Excellence Together"

Our Football. Our Netball. **Our Club.** We are a united sports club and every individual involved in making our local club the best it can be is part of the team. In the 2021 season we welcome current and new sponsors to our team as we work together to create a community that extends beyond the field and off court.

Welcome to the 2021 Season

Peter Learmonth - KFNC President

Kyabram football Netball Club is looking forward to another strong year in 2021. We are excited by the appointment of Brad Edwards and Mick Mattingly as co senior coaches and the reappointment of Sara Kent as our senior netball coach. All three are strong leaders who are all very passionate about our club and the continued development of our younger players.

Last year we saw our club hit with the COVID- 19 pandemic prompting our season to be cancelled. With no football or netball last year our teams and players have come into preseason ready to train hard in preparation for our 2021 season. Brad and Mick have worked hard to bring in some prized recruits to the club which we are looking forward to seeing once our season kicks off.

Due to all the hard work from our netball and football club, committee, board members and volunteers, our club is in it's best financial position for some time.

2021 looks to be an exciting year with the under 16 football and under 15 netball coming into the GVL for the first time.

The club is also in the process of creating a very active past players group lead by past player and committed Ky man, Benny Gugliotti. So, stay tuned for that.

I take this opportunity to acknowledge all the local businesses who sponsor our great club and the local community that provide us with such great support. This plays a vital role on our continued success. This success is not just measured by our results on the field and court but also on our contribution to the community in providing well maintained facilities and a welcoming and safe environment for all players, officials and supporters.

Thank you to our 2020 committee for all of their tireless work and effort and we are pleased to welcome some new faces to our 2021 committee.

I am looking forward to the challenge of leading our club again this year as President. KFNC are very fortunate to have so many hardworking people behind the scenes who volunteer their time throughout the season making our job a little easier.

Thank you for all of your ongoing support and we look forward to seeing you around our great club in 2021.

Go Bombers!

Kind Regards,

Peter Learmonth
President KFNC 2021

A Message from our Coaches

Brad Edwards – Senior Co-Coach

Obviously 2020 hasn't gone to plan for anyone so far, and we were all disappointed to miss out on playing football this season. We believe we had a great list that would have challenged for another deep run into finals action, with the majority of the 2019 premierships side returning and some exceptional young talent coming through from our under 18s team.

I would like to thank all our sponsors, supporters, and the board for their continued support for what was an extremely challenging year in so many different ways. A special thanks to new resident Peter Learmonth, as without his commitment and drive to push me, the job would have been much harder. With all the disappointment of missing a year of football it has left everyone eager to make the most of the 2021 season.

During the year off we have added 2019 club B&F and Morrison Medalist Mick Mattingly as Senior Co-Coach and I look forward to having Mick's passion and drive help lead us on and off the field next season. Lachie Smith and Paul Burnett will continue in their roles as senior assistant coaches. Another big signing for the club for next year will see Bomber favourite Tom Curnow return to the club and he will take on the job of coaching the reserves along with Daniel Kent and Scott McCormack, who didn't get a chance to coach a game in 2020.

The senior side has bolstered its ranks with multiple league best and fairest winner Kaine Herbert from the Undera FNC, along with senior B&F winner Nic Denahy from Echuca United FNC. We look forward to having these two with us next year and we're excited for what they can add to our side. We are extremely pleased with the commitment and loyalty shown from the existing list, and as you would've seen on social media recently the majority of the 2019/2020 team has recommitted for next year including big names Kyle Mueller, Kayne Petifer, Brad Mangan, Luke Morris, Zac Norris, Brad Whitford, Tom Sheldon, Reid Crowe and Riley Ironside. I also look forward to the further development of our young stars like Cade Mueller, Cooper Vick, Aidan Robinson, Sam Langley, Tom Burnett, Billy Mclay and last year's Pattison Medalist Mitch Gugliotti. One bonus of the year off has provided us is the prolonged break for the injured Jason Morgan and Jordan Williams, who will be looking to return from that's seen them win six best and fairest medals between them.

After considering a break from football veteran Axel Childs will also be back for another season in the red and black and he has assured me he will be more than ready to go for the 2021 season. We will endeavor to keep all the Bomber faithful's up to date for our training and social media functional plans for the remainder of 2020 and into 2021.

Fingers crossed next season can go ahead as planned, as I know we will be ready and waiting to defend our title.

Much love and stay safe,

Brad Edwards
