

# “Speed Away” - #1134

## \$3,400

This is an exceptionally fast and well-built minnow, one of only four made by Glenn Collings (inc. “Griffin” & “Ozone”). This boat “Speed Away” has always been at the front of the Open fleet and has a proven track record having won multiple recent Open Division titles including:

- Nationals – 2017
- Junior Nationals 3 times – 2016, 2017, 2019
- Vic States - 2017
- Junior Vic States - 2019

It is race ready and comes complete with:-

- Anodised mast and boom which were bought in 2017
- Upgraded 6:1 boom vang
- Mast up top cover
- Stainless steel MSA trolley
- 3 sails: 1 Quantum race sail and 2 Hooper training sails
- Foil bag for centreboard and rudder
- Carbon tiler extension

It has recently been revarnished by Martin Sly and presents in fantastic condition. It is the best of both worlds; a Collings built hull with a full modern rig and set up.

Located in Blairgowrie.
