

MOE FOOTBALL NETBALL CLUB

SPONSORSHIP

WHY SPONSOR THE MOE FOOTBALL NETBALL CLUB?

Put simply, the Moe Football Netball Club would not survive without the generous support of local business and business people. Your support helps ensure the club can provide the best possible environment for its players, supporters and volunteers. The club is dedicated to building a winning culture and securing that elusive premiership. However, sponsoring the club goes well beyond just Football and Netball. It's about making sure that kids from Moe and the surrounding areas have the opportunity to play their chosen sport at the highest level, and prosper in the responsible social environment provided by the club. While this is all good in principle, the Moe Football Netball Club recognises that you want to see some value in the support you provide the club. There are many opportunities that become available when you align your brand with the club:

- Market your business or brand directly to the hundreds of people associated with the club, including players, parents and supporters.
- Basic or Major Signage to build awareness of your business to Moe supporters as well as opposing teams and their supporters.
- Networking opportunities including the use of the Moe Football Netball Club Corporate Box – perfect for watching the football in comfort!
