

Jets Teams for 2021 Winter (Amended 27 March 2021)

1. Below are the amended teams for the 2021 Winter Season.
2. You are reminded you registered your child to our Club – not a particular team.
3. Considerable time and thought goes into allocating 600+ players into 80 teams. We consider the WABL Cap, skills, experience, team balance, friendships, hardships, requests and team numbers. We try our best to be fair but accept we don't always please everyone!
- 4 As expected a number of adjustments to teams and grades have been made following the Stadium's Grading Meeting decisions.
5. Changes made are highlighted in blue.
6. We still have a number of player vacancies and seeking some volunteers to coach. We need your help! Contact Rob Heron for more information.
