## Lameroo Social Club Report

---

Excited to be back into all things Social!

We've kicked off the season early with a 'Gin and Jiggy' Ball in March which was a great success and look forwarding to continuing the post-game celebrations at the Sports Club this year.

Thank you for those that submitted merchandise orders, I will be in contact with you when they become available (ETA from May 8<sup>th</sup>). Unfortunately, due to minimum order restrictions, this will be the only round of orders for this year, but we do have some remaining stocks of Hawks Beanies and Lameroo Hawks Netball Club Rugby jumpers (adult sizes only), so get in touch if you'd like to purchase one.

Please ensure you check out the tea roster for when it's your turn to help out. Last season we had teams (and partners/parents) working together to put together some delicious meals, so will again use this format. We're also excited to have several home games catered by local foodies 'Between the Buns', Prue Finch and Bree Walker, and 'Mallee Beans Café'. It's obviously been a 'slow' past year fundraising & events wise (thanks Covid!) so please show your support and we'd love to see you stick around for home game teas & events.

See you at the first home game event where we welcome back an oldie but a goodie 'DJ Rob' to spin some tunes for all ages from 7pm.

Unfortunately, we haven't been successful in finding a new Social Club President, so to ensure this section isn't blank next season please let myself or Baz know if you might be interested.

Cheers,  
Nicole McMahon  
( 'Acting' Social Club President)

2020 – the year like no other and we hope to never see again! Despite not having a winter sport season we have continued to move ahead and improve our facilities.

Projects which have been completed include the re-cladding and rendering of the western side of the Sports Club building, external painting, replacing posts and gutters and the installation of another rain water tank. The sign on the roof was also updated and replaced. Stage 2 of the kitchen renovations is nearly complete, including the installation of a large sink in the BBQ room. A major sponsorship from Nutrien group allowed us to upgrade the bus to a more modern and reliable vehicle. This is regularly hired out to various other community groups/individuals.

In conjunction with the 'Mums and Bubs' committee, the installation of the new playground equipment on the Eastern side of the Sports Club building was completed. A very successful opening celebration was held on 1<sup>st</sup> November. Congratulations to Lou Flohr and Emma Needs – it was a pleasure working with these very capable, reliable and driven community members.

Potential projects for the future include the erection of a shelter on the Western side of the Sports Club building, and replacing the internal ceiling and floor covering.

Fundraising is an important aspect of the continual progression of the Lamerloo Sports Club. The affiliated clubs (Football, Netball, Cricket & Tennis) continue to hold social events in an effort to raise funds to contribute to this progression. These social events are an extremely important part of creating positive community wellbeing, so I congratulate you all on your efforts. Raising significant funding for major projects is getting harder for our volunteers. With so many opportunities to access Grant funding, is it time we consider introducing a designated casual Grants Officer role? I encourage anyone with thoughts/ideas to contact me.

I'd like to take this opportunity to thank all Sports Club representatives on the committee. To our Secretary Liz, we continue to appreciate your time and support. Thank you to Channy, our outgoing Bookings Officer, who has dedicated many years to this position. This year we welcomed our new Treasurer, Debbie Longstaffe. Outgoing Treasurer, Kim Thorpe, and Debbie have been working together to ensure a smooth transition.

It's been great to see the efforts of the Cricket and Tennis committees getting their programs up and running for the 2020/2021 Summer. This is not only important for the players, but the supporters and general community members too.

With COVID-19 restrictions relaxing, let's hope we can get back to having a full season of football & netball in 2021. Both clubs and Associations are committed to providing Winter sport next year in some format.

Wishing you all a great year ahead in 2021.

LYNTON BARRETT  
PRESIDENT

# Netball Club Report

We're back! Welcome to the 2021 season. 2020 didn't quite go to plan but over the past few months' things have been busy in the 'Hawks nest' in preparation for the coming season. We look forward to having you along for the 2021 netball and football season.

At the end of 2019 the netball courts were resurfaced. We are very excited to start playing official matches on our resurfaced courts. Thank you to the court committee of Kate Venning, Catherine Ridgway and Karen Zerk for your hard work in obtaining grants to fund this project. Also, we need to thank Catherine and Josh Ridgway for completing the gap filling on the courts.

At the end of the 2019 Season the MNA made changes to the format of how netball would run. Unfortunately, we were unable to implement the changes in 2020 so you will see the new format in 2021. In the new format we no longer have a D grade, however we now have 4 senior teams. All grades received also received new names in the format change. It will take some time to get our heads around but in the long run is the best decision to keep netball alive and healthy in the Mallee. If we think back to 2019, we had a fantastic success across all grades. With all teams making finals. The biggest congratulations goes to our "superstar C grade team", for another Premiership in 2019! What an effort to be back – to -back -to back winners! We also need to congratulate the A grade team, who were also Runners-up for 2019 season!

## Our Coaching team

This year, we welcome some new and returning faces to our coaching team. We are extremely lucky to have their skills and expertise in leading our players and we thank them for their time and dedication to our club!

## Our Executive

Also, over the break Kate Venning finished her term as President we thank her for all her hard work over the past 2 years. Even with no netball last year she worked tirelessly to keep up to date all things Covid. Making sure the best decision was made for all players and spectators.

Please do not hesitate to contact any one of these wonderful ladies regarding all things Hawks.

# Football Club Report

---

Welcome to the 2021 season and hope you are all ready to get back into a year of footy after an extended break. Covid-19 has been a very challenging time in everyone's lives. However, the return of footy is vital for the health and wellbeing of the community.

Firstly, I would like to acknowledge outgoing President Mark Trowbridge for his efforts and ongoing support to the club. I would also like to thank all outgoing committee members and welcome new members:

**2021 committee comprises of:**

**President:** Stephen Kerley

**Vice President:** Mark Trowbridge

**Junior Vice President:** Jarryd Finch

**Secretary:** Thomas Fiebiger

**Treasurer:** Suze Barrett

**Committee Members:** Matt Ridgway, Tom Bell, Tony Secomb, Jacob Werner, Lynton Barrett, Justin Cattle, Rodney Maynard

I would like to thank the ongoing support of our many sponsors, financial members, volunteers, supporters and playing group. You all play a vital role in running and maintaining a successful club, not just on the field, but off the field also.

I would like to introduce Matthew Dent as our senior coach for 2021. Matt comes to us with a wealth of knowledge, having played over 100 games of AFL and successfully coached other clubs to premiership success. We welcome Matt and his family to the club. Justin 'Plugga' Cattle returns as Reserves coach, hungry for success. Rodney Maynard with assistance from Craig Zerk and Mark Trowbridge will guide the Senior Colts. Chris Mead, Tom Bell and Sam Bowman will be taking care of the junior colts. We wish these fella's every success for their prospective grades.

Senior player numbers are looking strong, having recruited some great players to complement our existing player list. I would like to welcome all new players and thank you for choosing to play with the Hawks. Thanks to the whole playing group for your commitment so far leading up to the start of the season.

Junior player numbers are low, however this is a common theme throughout the league. The players we do have are looking good and enthusiastic and we wish them well for the season ahead.

Donald Spratt will again be our Head Trainer along with some helpers. These volunteers play a huge part in getting a team on the park every week. Thank you for your time and effort.

I would like to wish all netball and football teams the best for the 2021 season.

Regards,

**Stephen Kerley**

**President**
