President's Report – Steve Koschitzke

G'Day All and Welcome to the Brocklesby Rec Ground for another big day of sport. We're into round 3 already and hopefully all the new players are starting to find their feet at the club and it starts to feel like home before too long.

Today we welcome our nearest neighbours in the Rand Walbundrie Walla Football Netball Club. We've had a tough start to the season in the football, and I'm sure it won't get any easier today. Today the Seniors will be playing for the Combo Cup which was started back in 2006 by Paul Beesley and Peter Chisnall when Rand and Walbundrie, and Brocklesby and Burrumbuttock became merged entities. We are currently doing some homework on the results in the past so it can be put on the cup. The RWW Giants are the current holders of the Combo Cup. I invite all players and spectators to stay for a drink and catchup at the of the day.

Next Saturday night after the Billabong Crows game here at Brock, we will be holding our first function for the year with the Player Auction being held in the Function Room. Make sure you get your syndicates together and start planning who you want to spend the big bucks on.

With Anzac Day being tomorrow, I hope we can all take some time out to reflect on the sacrifice that so many men and women have made, and are making, in the service of protecting our country.

If you can't make it to a service, just take a moment and thank those who have made the ultimate sacrifice, so that we can enjoy the freedom that this country offers. "Lest We Forget"

I hope everyone has a safe and enjoyable day, and look forward to catching up at the awards in the Function Room.

Seniors Coach's Report – Kade Stevens

Osborne

Round one was always going to be a tough game, coming up against the reigning premiers with a very strong 2021 list. We welcomed 4 debutantes into this game, Keith Tallent, Benny Paddle, Brodie Parr and Harry Weaven. All 4 players earned their spot and had their teammates excited to take the field with them.

We were absolutely blown away in the first quarter with Osborne kicking the first 8 goals of the game. It wasn't until half way through the 2nd quarter that we really started to look more settled and play some decent footy. During the 3rd quarter we came out fired up and looked much more like the side that we know we are. After giving up the first 8 goals of the game and a very disappointing first half, the rest of the game was much closer, where we were able to control the game more and play it on our terms.

Goal kickers were Tyson Neander with 3, Keith Tallent with 2, Ronnie Boulton, Jarah McMillan, Jeremy Luff and Benny Paddle with 1.

Best players were Harry Weaven who fought hard all day in a bit of a David and Goliath battle with Osborne's full forward. Darcy l'Anson was great at stoppages, working well with Matty Seiter who was rucking against a 205cm mountain. Tyson Neander won his fair share of footy throughout the day and Shan Boers was solid in defence. Keith Tallent played a great first game for the club and showed signs that he is going to be one to watch throughout the year.

Holbrook

Leading into today's game, we welcomed Trigger l'Anson back into the Senior team getting a call up on Thursday night. We also presented Cupes with his Saints jumper playing his first game for the club.

We knew this game was going to be hard and that we had to be at our best to win the game.

This battle was relatively close where the pressure was extremely hot for the first 15 minutes. We were able to jump them early getting a slight lead at ¼ time. Sadly, when we were 2 goals up in the 2nd quarter, we weren't able to put the foot down and take complete control of the game and unfortunately, let them back in, heading into halftime level. Our pressure in the 2nd half simply wasn't near the standard it was early and Holbrook were able to take the lead and control the game more for the rest of the game. We realised our fitness needs to improve to be able to sustain that energy and pressure for the entirety of the game.

Goal kickers were: Cupes with 3, Tyson Neander and Keith Tallent with 2 and Coby Eastick kicking 1.

Best players were Ronnie Boulton, Darcy l'Anson, Trent l'Anson, Willson Mack, Brodie Parr and Tyson Neander.

Good luck to all Sainters on the field and court today.

Go Saints!!

Stevo.

Reserves Coach's Report – Aaron Livermore

After playing 2 quality sides in Osborne and Holbrook, it's obvious we have some work to do. We have a relatively young side this year and the boys have been thrown in the deep end. We have yet to settle as a team with guys playing out of position, injuries and unavailability's. Although, it has allowed us to get some valuable experience into boys and they've shown some great displays of footy.

- Matt Heagney working hard through the mid field and it showed with a best on ground display last week
- Mitch Sivell in his new position at half back held his own against a bigger and stronger Holbrook
- Brett Morey finding a new home across halfback using his sublime kicking skills

Results haven't gone our way the last fortnight but with our efforts at training the wheels are turning and improving every week.

Hope all football and netball have an injury free day and welcome RWW to our new club rooms for refreshments post game.

Cheers Azza

Under 14's Coach's Report – Nathan Powell

V Osborne - Round 1 we got off to a great start and went into halftime with a small lead. In the second half Osbourne got on top of us and ended up beating us by 33 points. Best players on the day were, D.Fenner, M.Reid, M.Tallent, T.Hunt, C.Thomas.

V Holbrook- Round 2 we came up against a strong Holbrook side and put in a great effort. In what ended up being a tight game throughout., we ended up going down by 18 points. Best players on the day were L.Thomas, D.Dunstan, J.Linder, S.Hobson, B.Powell

Go Saints

Under 11 Coaches Report

V Osborne - The U11s had a great first game Saturday week ago with their first game against Osbourne. They managed to keep Osbourne to a 3-goal advantage due to some excellent defense and great goal shooting. Award went to Ella Hawkins for her excellent defense.

V Holbrook Last week against Holbrook the girls managed their first win which came as a bit of a surprise. Holbrook were taller, quicker and had great defense. However, our girls kept at it and worked well as a team. Awards went to: Mug – Isabella Sherman for giving 110% and being very adaptable, bottle – Myra Doherty for her great defense work and Burger voucher to Sarah Schultz for her amazing shooting and great team work. We look forward to a great game this week against the Giants. – Go Saints Toni Terlich

Under 13 Coaches Report

V Osborne - We came away with the win against Osborne 33-5 it was a tough game as it was the first game the girls have played together, we grew throughout the game and started to work out combinations and working better as a team. Defence end was strong Hannah, Bella and Jorja smashed it. Mid-court worked well together greeting stronger every quarter. There were a few silly mistakes but that is okay we can work on them. Shooters worked hard against a strong defence end from Osborne. But I was so proud of the girls and the effort they brought out for the first round. Awards going to Layne, Hannah, Lilly and Abby

V Holbrook - we went in knowing it would be a tough game. The first half was amazing the girls came out hard and were up by 12 at half time. In the 3rd quarter Holbrook made their way back and going into the last quarter we were only 2 goals in front. In the last quarter the girls knew what they had to do to get the win and they did come away with the win 26-19. The girls didn't stop they said they wanted to win before the game in our pre game chat and they did what they set out to do. Awards went to Charlotte and Bella

A Grade Coach Report – Tahleah Herekiuha

V Osborne - We had a tough first round coming up against Osborne going down 62-19, Osborne came out firing and ready to play and we just couldn't combat it, despite the hard loss the girls kept trying and didn't stop till the end, our captain Rachel Koschitzke had a great game in defence and came away with BOG

V Holbrook - After a hard loss we were wanting a win, we came up against Holbrook and won 44-45 although a tough game the girls were hungrier for that win and they didn't stop till the end. Lani Wall had a blinder of a game playing GA, despite only being 16 she very much held her own playing against a rough defender, she proved herself worthy of A grade

This weekend we come up against Giants, and hoping to get another win, good luck to all netball teams and to the boys on the field this weekend

Go Saints ! Cheers Tahleah

B Grade Coach Report – Anne-Marie

V Osborne - Round 1 against Osborne was tough, they came out very strong and it was evident that they had a very effective pre-season. Unfortunately, we went down 59-22. Although the score was disappointing, we progressed as the game went on and the girls really demonstrated their potential as a team. Saturday was our first game as team and our young mid counter Sara Burns displayed her excellent ball skills and Evie Wall worked extremely hard to get her goals. Overall, the girls kept their heads up, stayed positive and showed their potential.

V Holbrook - Last weekend we play Holbrook, we have recruited Brianna Livermore as our shooter, her leadership and skills will bring a strong change to our side. Tough weekend on the court for the B grade girls. We came out strong, it went goal for goal for a while and then Holbrook took advantage of our mistakes and that was evident with the end score. Well done to our defence who turned over several balls and a special mention to Sophie Boulton who consistently kept going for the intercepts. Hannah Parr also showed her potential and kept persisting in her new position. Evie Wall displayed her versatility on court by going out of the goals and in the centre, she controlled the game and was able to open up the court. Overall, the girls progressed from the week before and this is exactly what we want to see! Well done ladies! This week we take on RWW, it looks like they have had a similar start to us this season so it will be an interesting game! Bring it on!

Go Saints! Anne-Marie

C Grade Coach Report – Meloni Litchfield

V Osborne - We went into the game knowing that we were up against a strong side who hadn't had a season off. Our first quarter started a little slow as we got back into playing but by the end of the game, we had started to settle into it again. Unfortunately, we went down 29 to 62 but despite it being a fairly large loss I was proud of the girls for not letting the score line get to them. The support these girls have for one another at such an early stage in the season is a joy to see. Mikayla Trevethan was voted as our players player having an absolute blinder in Centre. Michala Ballentine and Nikki Stevens rounded out the other two awards.

V Holbrook - was quite the challenge, being neck and neck the whole game. We went into the last quarter down by three and brought that back to lose by a single goal, 27-26. Time just wasn't on our side. Awards were a challenge to choose with everyone playing so well on the day. Ireland Hunt was voted as our players player having given 100% to WD, taking a number of intercepts and shutting down the opposition WA. Or other two awards went to Tia Frazer and Clementine Hunt.

Let's go Sainters! Mel

C Reserve Grade Coach Report – Jaye Pearce

V Osborne - Lost 29 – 41 We had an amazing first quarter came out blazing as a team then unfortunately just missed passes and a few little turn overs and let the game get away from us. Playing our first game together I

think we all did so well and I'm really excited for the season I think we will come away with a few wins - Mug award (players player)-Claire Hemsley, Stubbie holder (coach's award)- Jess Tracey, Drink bottle- Julia Hoffmann

V Holbrook - Won 44 to 12 Yay our first win as a team. And it feels amazing. I gave the girls individual tasks this week to work on and all of them went out and smashed them.

We came out and just took the game straight on and didn't stop. We extended our lead with every break we had. I want to thank Tahleah for playing with us today you added nicely to the team.

I'm so very proud of the girls and bring on RWW today. Mug (players player)- Jaye Pearce, Body shop (coaches award)- Paige Koschitzke, Socks- Amelia McAlister Go Saints Jaye

At Best Environmental Technologies we've spent years developing growing solutions for the agriculture, commercial, and horticulture sectors. Our soil rejuvenation products are second to none, and are developed with the

leading-edge bio-technology right from our laboratories. Best products and systems are used worldwide and we continue to expand into new countries and territories at a rapid pace. TM is used in a state of Australia by more than 3000 growers. Our products TM Agricultural and TM Lawn & Garden are formulated to restore soil health and balance. Our goal is to help solve the core problem of most producers, their soil. Poor soil conditions lead to many of today's agricultural problems and expenses. Many pastures, animals, and croplands all show symptoms of this. Compacted hard soils with low oxygen, poor water absorption, and low biological activity promote disease, pests, and high costs. These input costs associated with rescue chemistry (fungicides & pesticides) herbicide resistance, hi fertilizer rates with low efficiencies, nutrient lock up and leaching also add to the challenge. TM promotes loose aerated soil with high oxygen levels and excellent water absorption and holding capacities. TM is in a class of its own using "trigger" technology developed by Best to activate the native biology in all soil types. Healthy soils enable the inputs being used to be much more effective with greater efficiencies. Our goals at Best are to help producers grow healthy, high quality produce with reduced inputs and less financial risk. TM Agricultural is a soil activator designed for broad acre cropping and pastures. It helps produce healthy balanced soils which in turn allow for reduced inputs, and high-quality production. TM is a liquid product; it is tank mixable with most chemicals and does not block screens or jets on the sprayer. Best Local distributor Ron Koschitzke is ready to help you to understand and show you what TM can do for you on your farm.

"IMPROVE PROFITABILITY"

HFNL Sponsorship

I would like to welcome our very loyal existing sponsors and our new sponsors to the 2021 HFNL season. A very trying 2020 year is now behind us and we look forward to a competitive and safe 2021 for all involved in our league.

At the end of this year WAW will have been the leagues major sponsor for 16 years. An incredible commitment to supporting grassroots football in regional Australia. In a world where business is looking for greater value these sponsorships offer a great way to form partnerships to provide a mutual benefit to both parties.

It's important to remember that these sponsorships help the league to subsidise some of the leagues running costs i.e. the Headsmart program, Club umpires uniforms, water vests etc. As sponsorship dollars become harder to obtain sponsors are looking for the league to provide greater value from the money they give out. Social Media and our web page are providing opportunities for this to happen.

A new exciting addition to the league this year is a new partnership with Steve Murphy and All in Sports. With one First grade football game being streamed each week it provides another opportunity for the HFNL to showcase both our league and our sponsors.

During the year we will be sending clubs correspondence from sponsors re events and specials they have coming up so please share these with your members.

In closing the HFNL board encourages clubs and their members, if looking for a service or product a HFNL sponsor can provide, to give them an opportunity and if you do end up doing business with them thank them for being a HFNL sponsor.

Kind Regards

Philip Bouffler

HFNL Sponsorship Coordinator

We respect your privacy

When you scan the QR code, the only personal information sent to Service NSW is your Customer ID, the location of the business you are visiting, time and the date of your visit. The business will not see or collect this information and it will only be used for contact tracing. We only keep this information for 28 days unless required for contact tracing related to a COVID-19 hotspot. Please refer to the collection notice in the app for more information.
