ROUND 2 REPORTS

AROUND THE GROUNDS

Hey Families,

Round one done and dusted and what a round it was. Some great results across the whole club but most importantly the smiles and excitement we witnessed on all of our kids was priceless. Well done to all our teams, coaches, volunteers, kids and families to a successful transition to the FDJFL. It has been a stressful few weeks leading up but with everyone's help it made our first round of games run without a hitch.

A quick shout out also to Leeanne, Mel and Beth for having the canteen and coffee machine up and running for round one and it was like they hadn't missed a beat. Thank you to all the volunteers rotating through there last weekend and for the remainder of the season. The canteen is our biggest revenue stream and without all these people we wouldn't be able to offer what we do.

Now to the games for round 1.

U8 Navy and White- Our youngest kids took to the ground on Sunday for the first time and Sean's white team had the privilege of being our first game on home soil for 2021. It was just an awesome and beautiful sight seeing these kids run out onto the ground and have so much fun. Well done Sean and team for a successful start to 2021. Tim's boys headed off to Keysborough for their first game and from all reports the kids took to the ground like a duck to water. Well done Tim and team and can't wait to see you at home this week.

U9 Navy and White- Nick took his team to Chelsea for their first hit out as a team and it was a tough day, but once again the kids had an absolute brilliant time and loved every minute of it. Thank you Nick and team for a great start to 2021. Jon took his team to Mornington and from all reports the boys and girls had a smile from ear to ear and enjoyed a great start to their football careers. Thank you Jon and team for your efforts and support for this team.

U10-Daniel took his U10's to Langwarrin and had a brilliant day with all kids getting plenty of the ball and playing really well as a team for round 1. Thanks Daniel and team. We look forward to seeing the kids all season having a great time.

U11B Navy- What a game! A goal by Frankston in the dying seconds broke the heart of our boys and handed them a 5 point loss. It was an amazing effort by the kids all day and they should be very proud of their efforts for their first ever competitive game. Well done Mick and good luck for season 2021.

U11c White- Our other under 11's headed by Shane enjoyed their first ever competitive game with a convincing win at Chelsea. Great team effort by all involved and look forward to seeing the progress of these kids for season 2021. Good Luck Shane and team White.

U12 girls- We can't thank Tyla enough for taking on the role of coaching and mentoring these young girls for season 2021. You ventured out to Frankston and endured a tough day on the scoreboard but the reports were that the girls all walked off with a big smile and loved being out there playing football. Can't wait to see them play this season and wish Tyla and the girls a great season 2021.

U12 boys- A successful trip for Aaron and the boys to Mt Eliza as they came out 100point winners. Keep up the hard work at training and these results will flow for the whole season. Well done team and good luck for season 2021.

AROUND THE GROUNDS

U13 boys- Our U13 boys dream team played as we expected, as a superstar team. From the first bounce til the final siren the boys played as Matt asked them to and ended up 100+ point winners. Keep up the hard work and play as a team and these results will continue. Good luck Matt and team.

U14 girls- A heartbreaking 1 point loss at Edi- Asp for these girls but from all reports the skill of this game was one of the best girls footy matches you would have seen for this age. Keep up the hard work girls listen to Gary and coaching team and you will go a long way in season 2021. All the best Gary and team for this year.

U14 boys- A big win for Bryce and his boys at home over Frankston. Everything fell into place and the game plan Bryce had been working on worked a treat. Keep up the good work boys and Bryce and good luck for the year ahead.

U15 boys- A memorable opening to season 2021 for these boys and all families involved. We had a moving tribute to one of our favourite sons Logan Harris at the beginning of the game (thank you to all involved for making this happen). And then the boys went out and played just as Logan would have himself. They all gave 120% and came away with a comfortable 40 point win. Well done to Boof and his newly appointed coaching boss Corbin Ellis. We expect big things in season 2021.

U16 girls- A great result for Adam and his girls away to officer with a hard fought 4 pint win. Well done Adam and team you have a bunch of stars in this team and I am sure you will enjoy a great 2021.

U17 Division 1- Mark you should be very proud of the performance of the boys for round 1. Even though we didn't get the win the boys fought tooth and nail til the final siren and will win plenty of games in season 2021. Thank you to the U15 boys that filled for numbers. Good luck Mark and team for this year.

U17 Premier B- Great result for the boys considering they were missing a few players and had 3 U15 boys fill in by beating Mt Eliza by 13 points. Hopefully a sign of things to come for the final year of juniors for these boys. All the best Pig and team for season 2021.

U18 girls- A tough day for the girls against Devon Meadows. Keep working hard and the results will come. A very talented group of girls who will turn their form around very quickly. Good luck Lance and team for season 2021.

THAT'S A WRAP!!

COACH'S REPORT:-

Round 1 ☐ done and dusted. Unfortunately the effort was not reflected on the board but it was great watching the girls get in and try their best.

The one thing I'm super proud of is just how well our girls have meshed. They are all supportive & kind to each other. Their effort to try is amazing and despite the loss they still smiled.

After a slow start the boys got the ball rolling with a flurry of quick goals and really started to play like a real little team. It was so good to see them encouraging each other and passing the ball around. The smiles on their faces at the end summed the day up. Well done navy boys, I am very proud of you all. Tim

COACH'S REPORT:-

With so much anticipation and excitement, lined up against a very strong Frankston Dolphins side. We had a great pre-season and the boys were ready to go but the Dolphins came out firing and got the jump on us by a couple of goals. The game went back and fourth and by half time, we were right back in the mix. In the third, we were able to get away with a 10 point lead but it was right at the end of the game, just seconds before the siren where the Dolphins snuck a goal through to grab the win by four points. After a slow start, I was really impressed by our boys. Their fight and determination was amazing. It's really hard to write a Best Players list as the whole team dug deep, but the standout players for us was Luke, Jake, Jordan, Ryder and Ben.

COACH'S REPORT:-

It was great to finally see the boys back out on the track playing footy. I couldn't be any prouder of the way these guys go about it, when we're piling on the goals and all the other team wants to do is push and shove and these kids just come together and let their footy do the talking. It was a great first game back and to win by 100 points shows there was definitely no sign of ring rust, great job boys and let's keep smashing it at training and the rest will look after itself!

Huge congrats to Will, Josh and Emmett who will be running out this weekend and celebrating their 50th game.

ROUND 1 vs Frankston Dolphins - Great to be back out on the park after our year off. Didn't know what to expect in the new league and not having played for over 18 months but the boys put in a massive effort to come away with a comfortable victory. Still a few things to work on but their intent is there to play a fast, attacking style of footy. Also good to have around 10 goalkickers and an even team effort right throughout the ground.

Welcome to the club to our new players Rocky, Money and Bobby, as well as their families.
