Game Times:

Due to an increase in team numbers – which is absolutely fantastic!, there will need to be 4 rounds run to accommodate the number of teams.

We will do our best to ensure that teams and Umpires are rotated so that they are not always playing/umpiring the last round – unless a team or Umpire has specifically asked to be placed here.

Team Changes:

If teams need to ADD or REMOVE players from their original team sheet, please contact the MNC Registration Officer Karen Lind gillylind@yahoo.com by 4pm on a Monday so that the changes can be completed before games on a Tuesday.

Team Sheets:

Opening & Grading Day – team sheets are to be filled in prior to taking the court for your first game only.

Round 1 onwards – team sheets to be filled in prior to taking the court each week for the remainder of the season

Reminder Re Draw requests:

Please have these in as soon as possible so that we have plenty of time to accommodate your request. Late requests may not be accommodated.

Umpires:

Umpire Team Payments:

This is to be paid to the downstairs canteen on Opening Day.

Named Umpires:

If the team Umpire named on the draw is unable to umpire, the team must replace that Umpire with one of their other Named Umpires.

The replacement Umpire must be competent and confident to umpire the level of the game AND must have a current qualification of Centre Theory or higher.

Any changes must be advised to the Umpire Co-ordinator and Draw Steward as soon as possible.

Umpire penalties:

Please read the information contained in the Registration pack.

Spectators:

Can all spectators please keep to the goal ends of the courts. This allows the Umpires to move freely.

Coaches, Managers and team subs are permitted in between the courts, please keep to the LEFT of the Umpire to allow the Umpire to move freely.

Boys in Netball:

The Matamata Netball Centre supports boys in Years 7-13 to play netball and have rules and guidelines in place for teams that have boys registered.

Presently there are 2 teams that have boys as part of their team. If you have any questions, please come talk to a Committee member.
