

Tribunal Outcome Policy

Domestic Competition Coaches and Players

In keeping with the Codes of Behaviour for the Wanneroo Basketball Association (WBA) and in accordance with BWA's Tribunal By Laws, any breaches of the WBA's by laws, policies or processes by players, coaches, officials, referees or spectators will result in action being taken by the WBA in accordance with BWA's Tribunal By Laws.

Upon completion of the tribunal hearing process, any matter that results in a guilty verdict for an individual player, coach, official, referee or spectator, will be distributed to BWA and published on the WBA website for all WBA members to review.

The WBA will work closely with the JBRA, Staff and domestic club officials to enforce these rulings to ensure that ALL members of the WBA can enjoy a safe, friendly and competitive environment.

We thank **all Players, Coaches and Domestic Clubs** for your full support on this matter.
