President's Report – Steve Koschitzke

G'Day All,

Welcome to back to Brock for our third home game in four weeks. Make the most of it, as in the back half of the draw, we play four out of five weeks away.

In a blink of an eye we're nearly a quarter of the way through the season.

Today we welcome the Billabong Crows and I'm sure we will be in for some great games of Netball and Football. The Crows have had a similar draw to us to start the season, and certainly look like their travelling pretty well. We will have to be playing at our very best if we are to get the win today.

I would like to invite all players and spectators to stay for a drink and a catch up at the end of the day.

Tonight, we have our annual Players Auction here at the Function Rooms commencing from 6.30pm. Footballers and Netballers will be sold off, and if your purchase is voted to be in the top three footballers or top netballer each week, you will receive a dividend back. The amount will depend on what the pool looks like at the end of the night, so the more you spend, the more you can get back. There is a \$10 entry fee which includes a casserole tea. Come along for a bit of fun and if you don't want to bid alone, form a syndicate with some friends.

Just a reminder that training will be back at Burrum from this Thursday night, the 6th of May.

I hope everyone has a safe and enjoyable day and look forward to catching up at the awards which will be done before the Player Auction.

At Best Environmental Technologies we've spent years developing growing solutions for the agriculture, commercial, and horticulture sectors. Our soil rejuvenation products are second to none, and are developed with the

leading-edge bio-technology right from our laboratories. Best products and systems are used worldwide and we continue to expand into new countries and territories at a rapid pace. TM is used in a state of Australia by more than 3000 growers. Our products TM Agricultural and TM Lawn & Garden are formulated to restore soil health and balance. Our goal is to help solve the core problem of most producers, their soil. Poor soil conditions lead to many of today's agricultural problems and expenses. Many pastures, animals, and croplands all show symptoms of this. Compacted hard soils with low oxygen, poor water absorption, and low biological activity promote disease, pests, and high costs. These input costs associated with rescue chemistry (fungicides & pesticides) herbicide resistance, hi fertilizer rates with low efficiencies, nutrient lock up and leaching also add to the challenge. TM promotes loose aerated soil with high oxygen levels and excellent water absorption and holding capacities. TM is in a class of its own using "trigger" technology developed by Best to activate the native biology in all soil types. Healthy soils enable the inputs being used to be much more effective with greater efficiencies. Our goals at Best are to help producers grow healthy, high quality produce with reduced inputs and less financial risk. TM Agricultural is a soil activator designed for broad acre cropping and pastures. It helps produce healthy balanced soils which in turn allow for reduced inputs, and high-quality production. TM is a liquid product; it is tank mixable with most chemicals and does not block screens or jets on the sprayer. Best Local distributor Ron Koschitzke is ready to help you to understand and show you what TM can do for you on your farm.

HFNL Sponsorship

I would like to welcome our very loyal existing sponsors and our new sponsors to the 2021 HFNL season. A very trying 2020 year is now behind us and we look forward to a competitive and safe 2021 for all involved in our league.

At the end of this year WAW will have been the leagues major sponsor for 16 years. An incredible commitment to supporting grassroots football in regional Australia. In a world where business is looking for greater value these sponsorships offer a great way to form partnerships to provide a mutual benefit to both parties.

It's important to remember that these sponsorships help the league to subsidise some of the leagues running costs i.e. the Headsmart program, Club umpires uniforms, water vests etc. As sponsorship dollars become harder to obtain sponsors are looking for the league to provide greater value from the money they give out. Social Media and our web page are providing opportunities for this to happen.

A new exciting addition to the league this year is a new partnership with Steve Murphy and All in Sports. With one First grade football game being streamed each week it provides another opportunity for the HFNL to showcase both our league and our sponsors.

During the year we will be sending clubs correspondence from sponsors re events and specials they have coming up so please share these with your members.

In closing the HFNL board encourages clubs and their members, if looking for a service or product a HFNL sponsor can provide, to give them an opportunity and if you do end up doing business with them thank them for being a HFNL sponsor.

Kind Regards

Philip Bouffler

HFNL Sponsorship Coordinator

Seniors Coach's Report – Kade Stevens

Round 3 - Rand-Walbundrie-Walla

Another strong start, kicking the first 2 goals of the game and looking dangerous. However, we weren't able to sustain this energy for the entire game. We played really well in patches, but once again, it was 20-30 minutes of footy that cost us the game. We had too many passengers on the day, making it very clear that we are not going to be competitive against other sides if we don't have 21 contributors. We now have a real challenge this week against the Crows to try and get on the winners board. Our best players were Matty Seiter who won our mug and was by far our best player. Darcy l'Anson was strong in the middle and led from the front. Josh Kosi played his best game for the year and showed some signs that his form is looking good. Willson Mack was our most dangerous fwd, working high up the ground and also having stints in the middle getting some midfield clearances. Harry Weaven was once again strong in defence and Tys Neander was solid. Our goal kickers were Willson Mack with 3, Damian Cupido and Keith Tallent kicked 2, and Tys Neander, Shan Boers, Darcy l'Anson, Ben Paddle and Ronnie Boulton all kicked 1.

I'd like to take this opportunity to thank all of our volunteers that put Saturday on for us every week. We all wouldn't be getting this experience without your work and appreciate all you do. To the Brock/Burrum volunteers in particular, we will be doing our best to get the win today.

Go Saints! Stevo.

Reserves Coach's Report – Aaron Livermore

After a fantastic week on the track heading into round 3 and nearly a full squad to choose from we were confident that if we produced our best footy the result would take care of itself. Thankfully a gutsy effort from the boys we managed to get over the line without a bench for much of the second half. Bails brought his own footy and was exceptional in the clinch. Dan Heagney produced a new perfect performance from the ruck tapping it down to the mids all afternoon. Rhys ward bobbed up with 3 goals was dangerous around goal all afternoon. At the final siren we ran out 40 point winners with some good signs leading into our next block of games.

Hope all football and netball have an injury free day and welcome billabong crows to our new club rooms for refreshments post game.

Cheers Azza

Under 17's Coach's Report – Luke Gardiner

Last week we took on a slick Rand Walbundrie Walla team, it was a very difficult game, having to call up four under 14s boys that gave us 15 players, thanks to all four boys Dane, Rylan, Max and James you boys definitely didn't look out of place, with all four getting plenty of the ball on the day.

In general, the boys showed positive signs especially when attacking in stages we moved the ball well, down the ground. This will be something we will continue to work on and improve.

We have had a difficult draw to start the competition but each week we show glimpses of brilliance and different players have stood up and stood out, I'm positive we can continue to improve and hit the scoreboard in the coming weeks and grab some wins.

Good luck to all grades today.

Go Saints

Under 14's Coach's Report – Nathan Powell

In what was a great 4 quarter performance from our boys, from the first bounce every player gave there all. We ended up winning 4.4.28 to 0.3.3, Oliver Donovan kicked 2. Choosing the best players was not easy as most of our players could of received an award on the day. Some of our best players on the day were James Linder, William Linder, Oliver Donovan, Rylan Frazer, Chase Singe.

Under 11s Netball Report – Toni Terlich

Great win on the weekend against the Giants 10 - 6. The awesome lead we had after the first quarter meant we could swap our girls around and give some of our new girls a go in the forward positions. Thanks everyone for your patience as this took some working out under pressure. But we got there in the end. We appreciate your support. Looking forward to an awesome game today against the Crows.

Toni Terlich

Under 13s Netball Report – Jess Tracey

Round 3- We went in knowing this would be a tough/close game, the girls came out on fire. I asked for the girls to provide 4 quarters of high intensity. The girls did that which was good to see. I told the girls to all work on 1 thing and focus on that. I also had girls playing positions they don't normally play and they all gave it everything. All the girls did that and I was happy with how they performed out on the court.

The girls won 40-12. Awards went to Dani, Pheobe and Mia

Go Saints

A Grade Netball Report – Tahleah Hereiuka

We had a tough run against Giants, we played slow with in the first 2 quarter, but came back firing in the 3rd only being down by a couple of goals, the one percenters were what beat us in the end, the girls enthusiasm was outstanding on Game Day. Congratulations to Mim that came away with BOG and also congratulations to Sophie Boulton who played her 50th game in B grade. This weekend we come up against Billabong Crow's with a back to back home game, I look forward to see the what the girls can do on court. Good luck to all the girls on court and the boys on the field this weekend. Go Saints

B Grade Netball Report – Anne-Marie Hoodless

What a game!! We came so close, the win was just on our fingertips! Going down by 2 definitely hurt! The girls came out so strong and we had a 6-goal lead and then RWW intercepted some passes and we found ourselves even for most of the game. The last quarter they displayed their match fitness and took the game off us! BOG- Sara Burn, Coaches award - Alicia Reid, Players player- Mikayla Hawkins

C Grade Netball Report – Mel Litchfield

Last weeks game against the Giants was another challenge for the team. We had a slow start to the game and never really recovered from there. However, the second quarter we went out with a new fire and kept even with the Giants, but unfortunately it wasn't enough to get us back into the game. The third quarter seen us take yet another knock to our line up with Nikki Stevens doing some significant damage to her ankle. Here's hoping she has a speedy recovery and will be back out on the court soon. Final score was 31-52. Best on was awarded to Mikayla Trevethan for stepping up and excelling in shooting, having been originally a mid courter and Cassandra Gardiner was given our other award for helping to settle and direct our attacking end.

C Res Netball Report – Jaye Pearce

Won 51-33. Wow another great week had by my little team. We weren't sure what to expect going into the game but I told the girls the same thing I always say and that's let's play our own game. We were down by two at quarter time and after that we just played very nicely and ran away with the game. Amazing girls. Mug (players player) -Amelia McAlister , Stubbie holder -Ebony Carroll, Socks- Julia Hoffmann
Let's go Saints Jaye.
