President's Report – Steve Koschitzke

G'Day All and welcome to Burrum for our first home here for the year. After today we will be a third of the way through the year, and things are settling back into some sort of normality after no sport last year. After next weeks game, we have a general bye where we can take a breath and reload for the next group of games.

Today we welcome the Culcairn Football and Netball Club. In the past these games have always been a good tussle and both sides will be looking for that win today. It was great to read the article on Culcairn legend, Frank Ravenna last week in the Border Mail. Frank is well known and respected in the Brock and Burrum area after working many years at the Graincorp site at Brock. It was an interesting read and well done to the Border Mail on these articles on local legends.

After the Crows game, we held our annual Player Auction with again, another big pool spent. Voting has started with everyone at the awards last week eager to see if their purchase paid a dividend. Once the official payout has been finalised, we will post those figures. Please see Noel Livermore for your payments. A big thankyou to our guest auctioneer, Grahame Gould, who did a fantastic job dragging every last cent out of the punters, and to his helper Dave Schilg for pumping up the players, and organising the running sheet.

Our next function will be the Brock Burrum Open Tournament at the Burrum Hall on the 5th of June followed by the Annual Ball at the SS&A Club on the 26th of June. The Awards after the Jindera game next week, will be at The Star. Keep an eye out for the date for the Sportsman Luncheon which will be announced shortly.

I hope everyone has a safe and enjoyable day, and invite all supporters to stay for a drink and a catch up at the end of the day.

I look forward to seeing you all back at the Farmers Inn for the awards.

At Best Environmental Technologies we've spent years At Best Environmental Technologies we've spent years developing growing solutions for the agriculture, commercial, and horticulture sectors. Our soil rejuvenation products are second

to none, and are developed with the leading-edge bio-technology right from our laboratories. Best products and systems are used worldwide and we continue to expand into new countries and territories at a rapid pace. TM is used in a state of Australia by more than 3000 growers. Our products TM Agricultural and TM Lawn & Garden are formulated to restore soil health and balance. Our goal is to help solve the core problem of most producers, their soil. Poor soil conditions lead to many of today's agricultural problems and expenses. Many pastures, animals, and croplands all show symptoms of this. Compacted hard soils with low oxygen, poor water absorption, and low biological activity promote disease, pests, and high costs. These input costs associated with rescue chemistry (fungicides & pesticides) herbicide resistance, hi fertilizer rates with low efficiencies, nutrient lock up and leaching also add to the challenge. TM promotes loose aerated soil with high oxygen levels and excellent water absorption and holding capacities. TM is in a class of its own using "trigger" technology developed by Best to activate the native biology in all soil types. Healthy soils enable the inputs being used to be much more effective with greater efficiencies. Our goals at Best are to help producers grow healthy, high quality produce with reduced inputs and less financial risk. TM Agricultural is a soil activator designed for broad acre cropping and pastures. It helps produce healthy balanced soils which in turn allow for reduced inputs, and high-quality production. TM is a liquid product; it is tank mixable with most chemicals and does not block screens or jets on the sprayer. Best Local distributor Ron Koschitzke is ready to help you to understand and show you what TM can do for you on your farm.

"IMPROVE PROFITABILITY"

HFNL Sponsorship

I would like to welcome our very loyal existing sponsors and our new sponsors to the 2021 HFNL season. A very trying 2020 year is now behind us and we look forward to a competitive and safe 2021 for all involved in our league.

At the end of this year WAW will have been the leagues major sponsor for 16 years. An incredible commitment to supporting grassroots football in regional Australia. In a world where business is looking for greater value these sponsorships offer a great way to form partnerships to provide a mutual benefit to both parties.

It's important to remember that these sponsorships help the league to subsidise some of the leagues running costs i.e. the Headsmart program, Club umpires uniforms, water vests etc. As sponsorship dollars become harder to obtain sponsors are looking for the league to provide greater value from the money they give out. Social Media and our web page are providing opportunities for this to happen.

A new exciting addition to the league this year is a new partnership with Steve Murphy and All in Sports. With one First grade football game being streamed each week it provides another opportunity for the HFNL to showcase both our league and our sponsors.

During the year we will be sending clubs correspondence from sponsors re events and specials they have coming up so please share these with your members.

In closing the HFNL board encourages clubs and their members, if looking for a service or product a HFNL sponsor can provide, to give them an opportunity and if you do end up doing business with them thank them for being a HFNL sponsor.

Kind Regards

Philip Bouffler

Seniors Coach's Report – Kade Stevens

Billabong Crows- We turned up to play today, collecting our first 4 points for the season. Our attitude was tip top from the very start and we were able to apply the pressure that we know we are capable of. The most pleasing aspect of this game was our intensity right through to the final siren. Our goal kickers were Kade Garland with 5, Rhys Ward with 4, Keith Tallent with 3, Jarah McMillan, Alex Takle and Matt Seiter with 2 and Ronnie Boulton, Willson Mack and Darcy I'Anson with 1 each. Our best players were harder to pick this week as we have a much more even contribution across the board. They were Matty Seiter who was ruthless through the midfield, leading with his aggression and attack on the footy. Darcy I'Anson and Ronnie Boulton were brilliant again in the middle, reaching their tackle goals set for the game and also collected 30 possessions each. Kade Garland was terrific in the forward line, leading the forwardline troops well. Jeremy Luff was put back to CHB where he dominated, playing with a stitched up tongue and Willson Mack wore his opponent to the ground backing in his speed and fitness.

Howlong- One of our most disappointing games for a very long time. Sadly we showed our opposition no respect at all, allowing the Spiders to collect so many uncontested possessions throughout the entire day. Sadly, we went from one extreme to the other in only 7 days. We were reminded that no wins are going to be handed to us this year and that we are all going to have to be our 'A' game every week to be competitive and collect a win. The thing addressed throughout the week also was showing more 'care' for our team mates, the club, losing a contest and so on. Best players were hard to pick again, this time for the opposite reason to the Crows game, we simply didn't have near as many contributors. They were Harry Weaven who was brilliant at full back dominating his opponent. Jeremy Luff was solid across the half back line along with Shan Boers. Tim Heagney played his role for the team giving his opponent no easy ball and Willson Mack was one of our only winners in the forward line.

Our goal kickers were Willson Mack with 2. Tyson Neander, Alex Takle and Coby Eastick all kicked 1. All the best to all of our teams today.

Go Saints!

Reserves Coach's Report – Aaron Livermore

Heading into round 5 with our squad improving with every training session there was plenty of optimism about our chances heading to howlong. Our main focus being around our contested footy, stoppage structures and moving the footy into our forward 50. We were able to do this well for a half of footy but against a top 4 team this would not be good enough. On further reflection after being frustrated directly after the game I managed to pull out plenty of positives like our midfield being on top for most of the game our forwards starting to work together better and our young backman playing against some high quality opponents will be invaluable as the season progresses. Our best players on the day were Matt paddle who bashed and crashed into everything with 2 legs all day, Dan Heagney in the ruck provided our mids with first use, braden eddy in his first game this year after a horrific injury preseason was fantastic, Sam OC gave us plenty of drive from half back and Zac Barra back at the club will only get better and better. Hope all football and netball have an injury free day and welcome culcairn lions to our new club rooms for refreshments post game. Cheers azza

Under 17's Coach's Report – Luke Gardiner

Welcome Culcairn Football Netball Club for what will hopefully be a good day of sports Vs billabong crows, We scraped together 18 players for this game before the opposition arrived with 14, we decided to give them 2 players and play with 16 aside, this meant there was plenty of running involved as there was plenty of space on the ground, it was a game that that hung in the balance till the last quarter before we ran out of legs and the opposition bigger players took control of the game. Vs Howlong Another disappointing day with a few late outs and a few injuries throughout the day restricting us to 14 it definitely wasn't ideal, but credit to the boys outnumbered. you couldn't question there attack on

the ball. Hopefully with a few handy pick ups we can continue to develop. Go Saints

Under 14's Coach's Report – Nathan Powell

In round 4 we came up against a undermanned Billabong team, to get the game under way we sent some of our players across to them to even the numbers up. In what ended up being a close game before we kick a couple of late goals, we got the win 5.6.36 to 2.3.15. Our main goal kicker for the day was James Linder with 2, and best players were Mason Burns, James Black, Austin Burns, Charlie Schilg, Gus Cattell, Charlie Thomas. In Round 5 we came up against Howlong. After being close at 1/4 time our kids team work was the difference between to 2 teams, we ended up taking the win 7.5.47 to 3.5.23, our main goal kicker was Will Linder kicking 3. Best players were Sam Hobson, Chase Singe, Will Linder, James Linder, Max Tallent, Dane Fenner.Also congratulations to Max Tallent, Dane Fenner, James Linder, and Rylan Frazer on being our players chosen to train with the interleague squad.

Under 11s Netball Report – Toni Terlich

A good win last week by our awesome team of under 11s. We were down two players which meant we only had one on the bench and most of the girls had to keep up the intensity for the full 4 quarters. They did an amazing job to come out with a 15 - 3 win over Howlong. We continue to work on our knowledge of the game rules and ball skills. Go BBSaints $\heartsuit \heartsuit \heartsuit$ Toni

Under 13s Netball Report – Jess Tracey

Round 4 – The girls came out nice and strong against bill crows . I asked the girls on Thursday night what is one thing they want to get out of the game. They all had there individual goals and I believe they met that on the weekend. The girls won the game 41-7. The girls provided 4 quarters of quality netball they kept going and didn't stop until the final whistle. Picking awards this week was really hard as everyone stepped up and played extremely well so I decided to give all the girls a award. Round 5 – the girls came out with the win against howlong 50-7 the howlong girls came out quiet strong. So the girls had to fight which the did. All the girls stood up today. Going into the last quarter I thought let's have a little mix around in positions. So a few girls got to try something different and they had so much fun which was good to see them enjoy there netball. Awards went to – Jorja, Mia and Dani

A Grade Netball Report – Tahleah Hereiuka

We went down against Howlong with a couple of key players out, despite the loss the girls are starting to build a amazing playing bond on court and come next game it should be goal for goal, we welcome Mikayla Hawkins to A grade after her debut playing last week, we look forward to see what she brings to the team this season, this weekend we play against Culcarin, the girls have been working hard at training and will display that on court this weekend to come away with the win Good luck to the footy boys and all the netty girls !

Go Saints!

Cheers Tahleah

Round 4 V Bill Crows

A big improvement from the girls this week. We went goal for goal until 3 quarter time and unfortunately Bill Crows went hard in the last quarter. Another great game by the girls, it's just a shame the score did not represent that.

Round 5 V Howlong

We had a tough start to the game with 2 injuries and thanks to Mikayla Trevethan for stepping up from C grade and playing 3 quarters in Centre. We didn't come away with a win but we shot 38 goals which was the highest amount this season. Well done to Mikayla Hawkins who played a brilliant game and is now playing A grade because of it. Sophie Boulton also played am excellent game in defence. Well done to Tia Fraser who debuted in B grade this week, I look forward to seeing you grow as the season progresses. Well done to all the girls, you are getting better every week!

C Grade Netball Report – Mel Litchfield

We went into the Billabong Crows game knowing that it wasn't going to be an easy ride. There was some real amazing play from the girls at some points but not enough to get us over the line. The last quarter I decided to shake positions up a little too test the girls ability to adapt to changes. They took it on head first showing just how versatile of a team we are. I'd like to extend a huge thankyou to Mikayla Hawkins and Jaye Pearce for benching for us. Sherryn Schilg was nominated as our players player and Michala Ballentine and Tia Frazer received our other two awards. Howlong was always going to be a challenge and they were just far to good for us on the day. I don't know what they put in the water out there but they had some impressive height. Unfortunately our accuracy was a little off and rebounds were a challenge for us down both ends, resulting in another loss. We also welcomed two new faces into the team with Jess Tracey and Claire Hemsley moving up from C-Res and slotting in nicely. A huge congratulations to Michala Ballentine for playing her 100th game as a Saint, not only that but she played some of her best netball earning herself the players player award/mug. Our other two awards went to Sherryn Schilg and Ireland Hunt. Auction votes were awarded to Sherryn Schilg.

C Res Netball Report – Jaye Pearce

C Reserve VS Crows Won 43-36 Another nice win for our team today. We mixed up a few positions and everyone played well in them. Last quarter the heat definitely started to get to us as they were fighting back but luckily we kept our heads in the game and finished it off. Everyone in the team played very well but the mug award for the day went to Jess Tracey she held her own and played amazing. The body shop went to Claire Hemsley who again played an amazing game as always.

C Reserve VS Howlong Lost 59-36 So Howlong were always going to be a hard team to take on but the girls all played well. We have had another big shift in our teams for Saturday so we didn't really have the chance to train so all a learning curve., Mug award - Amelia McAlister, Drink bottle - Kim Graetz, Stubbie holder - Jaye Pearce, Auction player - Paige Koschitzke. We are welcoming Kim Graetz, Learna Bolton, Michelle Armstrong and Millie Watson to our team they will definitely be an asset that's for sure. Today we take on Culcairn let's do this girls. Let's go Saints **P**
