

Basketball South Australia (BSA) is the State Sporting Organisation for basketball in South Australia.

BSA is currently seeking a full time Operations Manager to oversee the performance of basketball operations.

This is a new position reporting direct to the CEO. The Operations Manager will work closely with the Senior Leadership Team with responsibility to:

- Oversee the performance of the competitions, referee and officiating, high performance, communications, and community basketball departments.
- Establish and maintain collaborative relationships with a broad stakeholder base.
- Implement operational efficiencies to grow participation and build club and member satisfaction.
- Support stadium and asset management
- Drive the implementation of operational and strategic plans.

This is a fantastic opportunity to join a competent, professional team in a varied and challenging environment.

Candidates will ideally have the following key competencies:

- Experience in a senior operations management role
- Experience managing staff, volunteers and contractors
- A relevant tertiary qualification in either business management, sport and recreation management or similar
- Exceptional organisation and time management skills
- Solid financial acumen
- High attention to detail
- A commitment to high standards of customer service
- Knowledge of sport development
- Proven ability to build strong and healthy relationships.

If you are looking for a new challenge, please send a covering letter addressing the key competencies, and current resume to CEO Phil Sinnott psinnott@basketballsa.com.au by 5pm 6 June 2021.

A valid working with children check is compulsory as is a driver's license and reliable transport. An attractive salary will be negotiated commensurate with the successful candidate's skills and experience.
