

ST. PAUL'S MCKINNON JFC

FROM THE PRESIDENT

May 13 2021

Hi everyone,

What a glorious Mothers Day and what a great day for footy and for our Doggies' mums!

All the boys and girls loved having photos with their mums and playing their hearts out for some very close games, and a game that was called off due to an injury.

We had 11 teams singing our club song at the end of the day for the last round of grading.

Our oldest group of boys, Xavier's U17 boys, showed their strength taking on St. Kilda City with a 50point win and the combined U16 team with Beaumaris securing their position in Div 1 with a two point win over the 2019 Div 1 Preliminary Finalist.

AUSKICK

The U18 Girls had a fantastic time with the kids on Saturday morning. Many thanks to Jas, Bianka, Talia and Sarah for helping out with the boys and girls. The kids loved having you around for the Mothers Day matches and helping out with all the fun activities and goal kicking! With 103 Auskickers on Saturday, the kids enjoyed learning about the essentials and taking some really big speccies. Watch out for the U17 boys this week as they come down to help out.

SENIORS

Our Senior boys had a great win on the weekend against Oakleigh with a 60 point margin, whilst the Reserves fell short with a two goal loss. The boys played well at home with promising signs ahead. Our Div 1 netballers had a very close game against the might of Dingley in a shoot out to the end. Watch out this week as our Senior boys take on East Malvern this weekend at Dunlop Reserve from midday on Saturday.

JUNIORS

It was great to see Round 4 go through without a hitch for Mothers Day. A very special thank you to all the mums, grandmas, aunts and special persons who came out to watch their little Doggie play and to all that help our players and teams get out there each week. You are all extremely special to all of us and help this community stay together. We had some amazing matches on the weekend, and all our kids had a great time. So thank you to all the parents that make all our days playing footy special.

Whilst we are all having fun watching our kids, I need to remind everyone that we are there to support our kids. Please remember that these are children, and please remember that our kids learn from our actions and behaviours. If we support our kids with enthusiasm and positivity, our kids will enjoy their games and remember that they are there to have fun and play with their friends. They are not playing for sheep stations - they are playing with their mates to get fit and have some fun. It really is as simple as that.

Please Remember

- THIS IS JUST A GAME
 - THESE ARE CHILDREN
 - THE UMPIRES ARE HUMAN
 - THE OFFICIALS ARE VOLUNTEERS
 - THIS IS NOT THE AFL
-

St Pauls McKinnon vs Beaumaris Sharks

Round 4 saw our wonderful team of Under 8's at Banksia Reserve take on the Beaumaris Sharks. The match had us with the early start of 8:30am, forcing our awesome mums out of bed a bit earlier than hoped for on Mothers Day. But there they were ready to cheer on the team on a ripper Sunday morning. Skipper for the day was Lucca and he was pumped to do his best for his superstar team manager mum Shana. Shana gets our team on the park each week and does a mountain of work! Thanks Shana! From the get go the team was up and about. The ball spent a lot of time through our mid and forward lines with everyone working hard for each other. The team was full of run, grit and determination. It was a full team effort and everyone put their all in for the team. Beau and Zayn had their best games for the Doggies and their progress is enormous. We had our noses in front pretty comfortably for the day, so to get to the final siren and be able to have our Under 8's sing the team song for the first time was such a great thing to see. Loud voices and smiling faces! A brilliant way to start off Mothers Day. Hope all the mums had a great time and were spoilt. Happy Mothers Day to you all. Go Doggies Coach Rob.

UNDER 9 ORANGE

St. Paul's McKinnon vs Murrumbeena

After a great showing last week, we had a big game against a tough opponent in Murrumbeena down at Kangaroo Road. After a great performance for the first half of the game, we let it get away from us in the last two quarters. I was really impressed with the team defence from this weekend's game. Especially in that first half. Special mentions to Will, Andrew and Seb for some great skills and because they never stopped running and chasing down back. Also a shout out to Liam for tackling kids twice his size, getting hurt and pushing through even when they started piling it on. That's the Doggies' spirit! The tackle pressure and using the techniques we were practising at training to get the ball off the ground was great to see. We just need to have a bit more focus and less playing up at training so we can get through more skill work. Thanks to all the parents that helped out on the weekend, especially Michael for a great umpiring performance. Looking forward to a great rebound performance this weekend. Coach Aron

UNDER 10 GIRLS RUBY

St. Paul's McKinnon vs East Malvern

East Malvern started the game strong with a goal early in the first quarter. St. Paul's hit back in the second quarter but missed opportunities with five behinds. In the second half, the girls got into gear with a goal kicked by Hannah. We were getting plenty of drive from the midfield with Mia tackling so strongly and Ella providing rebound from our defence. In the final quarter, the floodgates opened with St. Paul's scoring three more goals, with two from Hannah and one from Andi. Overall it was a great team effort. Best for St. Paul's: Mia, Ella, Hannah and Andi. Special mention to our new girls: Sienna and Ashlee, and thanks to Amy and Hudson for volunteering to play. Also we had two water boys this week so thanks to Owen and Joshie B. The boys did such a great job getting the water bottles to the girls at each break that we have offered them the roles full time. They are so excited! Well done everyone - a great team effort win! Coaches Joe & Adam

St. Paul's McKinnon 7.6.48 vs Hampton Rovers 2.1.13

Goal Kickers: Not available

We travelled to Hampton to line up for our Round Four clash against the Rovers. Captains for the day were Luka and Callum, who wisely chose the synthetic footy with the dewy conditions. All of the boys were switched on and ready to play great football from the first bounce. Ethan went in hard early and was rewarded with a wonderful goal early on with Callum kicking another later in the quarter, putting us in a strong position at the first break. We carried the same dominance into the second quarter with solid defensive efforts from Zach and Leo down back, ensuring we kept the Rovers goalless for the term. Harrison Campbell was busy up forward as we finished the first half in a strong position. The Rovers kicked a couple of goals in the third term but the boys kept a cool head, finishing off with Evander, Cooper and Heath moving the ball quickly through the midfield onto Kynan for a steadying goal. The boys finished the game off with a strong fourth quarter effort, booting four goals to bring home the win. It was a wonderful team effort from all of the boys, with each one of them performing their role. It was also great to see all of the mums cheering the boys on from the sideline! Coach Trent

In perfect conditions for footy and on a very special day for the mums, we spoke about getting a fast start and kicked five goals on the board in the first quarter. Our Doggies were red hot today, with our mids leading the way, giving plenty of the ball to our forwards highlighted by seven goals to Max C and five goals to Braden. Our defenders remained strong, and after halftime we mixed things up a bit by rotating a number of players through the midfield including alternating our ruck duties and putting our forwards down back and vice-versa. Harish & Flynn ran hard all day and were rewarded with plenty of the ball playing off the wings. Our tackling remained strong but it was our kicking to leads, shepherding, general teamwork around the contests that really stood out today. This group is really learning to play for each other and show genuine care for each other in a team environment. Last of the grading games, we spoke about resetting and going again - Well done! Coach Dave

St. Paul's McKinnon 15.9.99 def Beaumaris 0.4.4

Goals: Hayden 5, Darcy 3, Kingsley 1, Lachie 1, Hunter 1, Daniel 1, Arav 1, Christian 1, Tom W 1.

Fantastic to have back to back wins and what a way to do it. The style of play we have been working on has been coming together really well and we went to a new level again today. Our players have been keeping to the same positions and they are all becoming familiar with the roles. The mids again showed the way - Arav was keen to get us off to a good start and he teamed up with Darcy, Adam (our captain for the day) and Thomas to push the ball forward. A real focus has been to keep the ball in our forward line for as long as possible and we did this really well in the 1st quarter. From this it allows us to apply scoreboard pressure with Kingsley, Hayden and Lachie all kicking majors. I asked the boys to continue to man up and play in front. Tom W was showing all how this was done and creating attack from it. After a strong lead at quarter time we looked to press again. Hayden snagged his 2nd goal and a superb goal from Tom helped us to a healthy half time lead, keeping Beaumaris goalless. After missing the 1st quarter, Hunter was out to make an impact, and that he did, playing the forward role perfectly, putting pressure on their defence whilst kicking a goal of his own. Hayden continued his day out with a 3rd goal and Darcy was over forward and placed enormous pressure on the opposition's team defence, helping himself to a goal also. Beaumaris were impressed - one of the them said to one of our payers, "man you guys tackle well!" This is great to hear as a coach and he was right, the tackles were sticking which caused turnovers and the scoring continued. Moving in to the final quarter we did not want to slow down. We made some changes - Markus went in the middle and made an impact; Lewis played centre half forward really well, Kingsley even spent time at full back. A big seven goal final quarter, including five goals from Hayden was a super way to finish. Arav booted his 1st ever goal and gave himself the opportunity to score another couple; Daniel snapped a ripper; Christian chipped in with a classy goal and Darcy put the icing on the cake of a great individual game with two more goals. I looked at the team at the end of the game and not one player did not contribute, which is all I can ask for as a coach. Re-grading will happen this week where we will have harder opposition, but I feel we are ready to tackle any team now. I am sure all the boys made their mums proud on Mothers Day. Thanks again to our wonderful Team Manager Dana, who makes everything happen in the background. Coach Shane

UNDER 12 GIRLS DIV 3

St. Paul's McKinnon 5.3.33 v Hampton Rovers 2.5.17

On another beautiful Autumn morning, the girls were home, hosting the Hampton Rovers. There was added excitement to this round as we were celebrating Mothers Day and it was great to see all mums come out today. The girls were super eager to give their mums an extra special day and they did not disappoint with our first win! Today the girls' improvement paid off and they all enjoyed singing the team song after the game. The team was led by Catrin Robinson and she had an outstanding game. She led by example with her strong marks and making it very difficult for the ball to get into Hampton's forward line. Our midfield really focused on moving the ball forward. Another great game from Ella, Amelia, Karly and Cully. Our forwards capitalised on the great work from the team - Amy, Madeline, Ava and Lilly can all hold their heads high. Their tackling pressure created many scoring opportunities. Our leading goal kicker, Madeline De Ryk kicked another two goals (taking her tally to five goals for the season) and Ella kicked the other goal. Ava North had an outstanding game in our forward line. She continued to get in and under the packs and come out with the ball. When we didn't have the ball, she was always first to "woman up" (team rule number 3) and lay some great tackles. Her pressure in the forward line helped to keep the ball in our forward half. Our missed opportunities in front of goal left the door open for Hampton and their first goal in the last quarter to put them only five points behind. A few changes in our forward line where Madi Teal ensured the ball stayed in our forward line and the team was rewarded with the winning goal. Super team effort from all girls with our first win. Happy Mothers Day to all mums and thanks to all the parents for all their support today. Coach Pete

UNDER 13 DIV 6 (JOCKA)

St. Paul's McKinnon 5.5.35 vs Bentleigh Highett 8.12.60

Best Players: Gianluca, Noah, Tom, Mitch and Andy

The day started off brightly with Thomas and Christian stepping up from the Under 12's to help us with our numbers and they were both sensational and we thank them for their "extra effort". We then lost one before the game, and one just after the game started, and a third just after the start of the second quarter, leaving us again playing one man short for a half. HOWEVER, it was a great day of football for us. We started slowly and were pushing the opposition with many forays into our forward line whilst kicking against the breeze. All the boys worked hard and tried their best to stay on the offensive side of the game rather than concentrating on the defensive side that we are very good at. As such we came in at quarter time with a kick between us. With the assistance of the breeze, our offensive play started to provide results. The opposition could not stop the rampage going forward and as a result we came in at half time with a lead, but again being down players was starting to take its toll. The quarter had seen THE TEAM move into offensive mode. The theme for the day was "TO JUST DO IT" and all the boys were. The midfield had been superb and as such were rested so we could utilise the last practice match/grading game to weigh up our options moving forward. Beaumaris went on the offense and we stood firm and continued with our offense. Unfortunately following the coaches instructions caused us to throw caution to the wind and Beaumaris got a couple of handy goals to peg us back and take the lead into the last stanza. Playing one short in the backline and one short in the forward line was no deterrent for the boys. THEY WERE DOING! We fought valiantly against the odds and were unlucky not to have pinched the game in the dying seconds where we still held the ascendancy on the field but not on the scoreboard. A magnificent end to the grading games. ALL the boys have improved immensely in the four grading games and we are now working towards being a cohesive unit with shared goals and aspirations, and most importantly following our team plan of constant improvement. The boys' improvement and application to trying to adapt to a new game plan has been nothing less than phenomenal but we still have a long, long way to go! Now the business end of the season is here - we look forward with great enthusiasm to watch our constant improvement slowly but surely overwhelm the opposition. Bring on the REAL season! Coach Jocka

St. Paul's McKinnon 8.7.55 vs Prahran 7.5.47

Goals: A. Arshakyan 3, C. Freeman, L. Lockwood, S. Halkias, H. Mellow, M. Leech

Our U14 boys were asleep at the wheel to start off with today. The mums were all worried with the Mothers Day clash looking to be a bit of a fizzer. The boys were behind from an early charge from the mighty Prahran. It was only after a half time rally and a clear direction and strategy, that the boys started playing their best footy in a hard fought match. At 3/4 time we were a couple of goals down, and the boys were geared up for a final shoot out. With the majority of play in our forward line and the backline staying tight on their players, the boys capitalised the game. We ended up taking the choccies after a surge of great plays from Ryan, Miller, Paddy, Seb, Charles, Hammer, Anri, Daniel, Harry and the Rooster - where they took taking the physicality and strategy to a new level. Congrats boys. It looks as though Div 2 is where we will be and play it out - hopefully in September. Brighton Beach this week at home at 2.30pm - Let's see what we can do as a team! Coach Paul.

It was a glorious Mothers Day at the Peanut Farm in St. Kilda and big Max's 50th game was celebrated in style with a strong performance by the Central Saints. The boys started well with a good first quarter, but only two goals were on the board. However, they found another gear in the 2nd and 3rd quarters with six and seven goals respectively to lead by an impressive twelve goals at $\frac{3}{4}$ time. It was an even performance across the board with the backline standing up well; the mids running and driving the ball into attack and our forwards taking multiple strong marks and converting well. Another great win for our boys. Pat

Cakes and celebration go hand in hand. When I think back to some of the most special times I have shared with friends and family over the years, there is always the memory of cake.

Whether they were beautifully decorated cakes, or simple cakes made with love, they feature in my memory because they brought so much joy, and I look forward to being able to help create the same memories for you.

My cakes and cupcakes are baked to order from scratch and decorated according to your individual theme. Whether you have something specific in mind, or really just care about the flavour, I will work with you to design the perfect cake for your celebration.

Jo is located in Bentleigh, Victoria.
