NWBU Premiers 2021

CONGRATULATIONS Senior Men

Senior Men's REPORT:

I wrote in the first newsletter of the year that we were working hard as a group and hoping that the senior men's performances would improve throughout the year. With the injection of some experienced players and with the core group from previous years working tirelessly, improvement was possible. Well improve we did and to **win** the championship from being on the bottom the previous year was a feat I will never forget. This win, this successful season was all due to every player buying into what we were trying to achieve and being invested in our program. AND WORKING HARD. Every player knew their role, accepted it and took pride in it. A 20-3 win record for the year was very satisfying.

To the Hoppers who faithfully supported us throughout the year and who have continued to support us over the last few years when the going has been tough, THANKYOU! Your support has been appreciated by the group. Looking forward to the UBA end of season get together next week. A chance for everyone to celebrate together.

John Fox- Ulverstone Senior Men's coach.
