# Nener's News

*From the Zambrero Willetton Tigers Men's NBL1 Coach, Adam Nener*

Welcome to tonight's match up vs the Perth Redbacks where the winner will take on Perry Lakes tomorrow night and the losing team will have their season ended.

The Redbacks are led by Joel Wagner at the point guard position along with Timms, Gattorna, Jackson and Nelson. All these guys can turn a game in a few plays and we will be ready for the match ups!

Last week we lost to Lakeside by 3 points in which was a great game but a few hiccups saw us go down. As a group we have looked at some areas where we can improve and hopefully we can learn from these things.

I just want to take some time to thank Mark, Luke, Cam and the Board for their ongoing support throughout the season this year

Pam Langshaw for all her hard work behind the scenes getting both teams organised and ready for the season.

To all the scorebench, volunteers and of course the sponsors and supporters for everything you guys do, it's great looking up at the stands and seeing passionate people like yourselves cheering the teams on!! We look forward to a great game tonight!

# Simon Says

*From the Zambrero Willetton Tigers Women's NBL1 Coach, Simon Parker*

It preliminary finals time and prior to writing this article our opponent tonight will be either Cockburn Cougars or the Perth Redbacks who went at it last night in a semi final! With the current finals format the games are getting harder and we need to be ready from the opening tip to have a chance of winning tonight and to move on to the Championship game next week.

We didn't get off to a great start in the qualifying final last weekend. At half time we were down 18 points and the coaches were really impressed on how the players didn't give up and we won the game in the end by four points.

A good start and a better finish is what we want. We had a great week at training by fine tuning our stuff. Our offences are good, we have multiple scoring areas from multiple players. Defensively we showed in the third quarter how good we can be against good sides by keeping the Eagles to 4 points which was a brilliant effort and that effort will be on show tonight!

Our starters have been doing a great job in all areas and our supporting players have been playing great roles in backing up the starting 5 and we need that to continue moving forward.

The players are ready and we looking forward to how far we can take this. We need to make sure we leave nothing out on the court and get the job done!

Tonight we also celebrate a huge milestone for Taryn Priestly who is playing her 300th game. It such a fantastic achievement for Taz who has been an outstanding player in the league. Congratulations Taz and I'm happy you reached this as a Tiger and with our current playing group.

Its been a fantastic inaugural NBL1 season and the players are greatly appreciative of the support they have been given by the fans. It's been amazing playing in front of you all at what would be the best home court in the league!

To all the staff, volunteers and score bench who make game night spectacular, we wouldn't be able to play without all the things you do to get the players on the court each home game. We can't thank you enough for your time and the efforts you put in to make it such a successful night for everybody.

Finally to Pam, Luke, Mark and the board, thank you for your continued support for both the men's and women's program and the work you have put it to make this such a great year for the club! Go Tigers.

## **Alex Sharp and Sami Whitcomb**

Current Willetton player and reigning MVP of our competition, Alex Sharp, has been selected in the Australian Opals Squad for next month's Asia Cup, as has ex Willetton player Sami Whitcomb. Congratulation to both players.
