LEAGUE REPORT 2020

Season 2020 was undoubtedly the most unique challenge that has faced country football in a long time. The 2020 season was scheduled in and ready to go until the state lock down in late March forced the indefinite postponement of the season. It was a credit to all clubs involved to attempt to get some football and netball played throughout the year. With the easing of restrictions for a short period of time the League was able to run three rounds of junior football and netball providing some outlet for our players, volunteers and supporters during the tough year.

From an administrative point there was a lot of change leading into the 2020 season with the staffing changes at AFL Victoria and AFL Gippsland leading to some long term resources for Gippsland League finishing up their roles including Damen Francis, Tia McNair and our previous AFL Gippsland commissioners. Nic Fogarty joined AFL Gippsland in a commercial and operations role and played a large part in the administration of the League during the state lock down after my role was one that was put on stand down by AFL Victoria from April. Nic is a Gippsland local and helped provide great support to our member clubs this year in what was a tough situation for all executives and administrators.

With the League only running three rounds of competition there is not a lot to report on from an operations or business stand point. The League still remains in a strong off field position with our 10 member clubs and a healthy balance sheet. Financially the League absorbed a number of operating costs in 2020 and has managed to come into 2021 still looking financially strong. From season 2019 to 2020 we lost a number of long term sponsors from the League which will impact our finances moving forward. TRFM finished up their major naming rights sponsorship leading into 2020 after their five year deal expired. We are very grateful for their contributions to football and netball in the region and we are hoping that they will remain involved in the League for 2021 and beyond. Nic and the AFL Gippsland team are looking to secure some deals moving forward into 2021 to help our League to continue many of the benefits that our sponsors had provided the clubs and players.

2020 saw the release of another review into football and netball in Gippsland. The G25 was an independent review from AFL Victoria that was conducted by Colgan Bauer. The G25 review contained 46 recommendations for AFL Victoria to take on board for Gippsland football. The reduction in salary cap recommendation was the main on field change that will influence Gippsland League in the senior football division. The changing of the age groups in the central district leagues may potentially have some transition issues with our League maintaining Under 16s and Under 18s. There were a number of recommendations around the RAC and AFL Victoria that will influence the League as a governed and administered League of AFL Gippsland. Hopefully these changes can assist in providing further benefits to the Gippsland League from AFL Gippsland.

After a tough year off the field in 2020 we can only look forward to what 2021 has in store. It has been a credit to all our 10 member clubs for their continued passion and drive to provide football and netball in our various communities. It was undoubtedly the most unique year that any of our club and League administrators have had. Thank you to all who continue to support the Gippsland League and continue to make us the premier sporting competition in Gippsland.

Daniel Heathcote
Gippsland League Manager

FINANCIAL REPORT 2020

GIPPSLAND LEAGUE INC NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2020

f) Accounts Receivable and other Debtors

Accounts receivable and other debtors include amounts due from the clubs as well as amounts receivable from sponsorship. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

g) Accounts Payable and other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Note 2: Property, Plant and Equipment

| | 2020 | 2019 |

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GIPPSLAND LEAGUE INC

Opinion

I have audited the financial report of Gippsland League Inc comprising the statement of financial position as at 31 October 2020, the income and expenditure statement and cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In my opinion, the accompanying financial report presents fairly, in accordance with the Associations Incorporation Reform Act 2012, the financial position of the association as at 31 October 2020 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the entity in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter - Basis of Accounting

I draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report is prepared to assist the entity in meeting its obligations under the Associations Incorporation Reform Act 2012. As a result, the financial report may not be suitable for another purpose. My report is intended solely for the entity and should not be distributed to or used by parties other than the entity. My opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Reform Act 2012, and for such internal control as management determines is necessary to enable the preparation of the financial report free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations or has no realistic alternative but to do so.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

FINANCIAL REPORT 2020

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GIPPSLAND LEAGUE INC

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with the management, I determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
