Things to watch for when scoring the game

Just a couple of reminders when scoring the game:

- 1) Remember to include your caps on the movements on the pitched ball.
- 2) Don't forget to add your mitres for double plays.
- 3) Did you add pitching change lines to your runners?
- 4) Remember to record all fielder in a rundown (Squeeze play) who touch the ball.
- 5) Use your judgement, you game doesn't need to match the scored game example exactly, this is just a guide, based on the judgement of the original scorer.
- 6) Did you remember the uniform for the temporary Runners (DRs are not permitted at this tournament.)
