Things to watch for when scoring the game

Just a couple of reminders when scoring the game from the play by play:

- 1) If you are not sure of how to score an out, listed in the play to play, just record the word out.
- 2) Any reference to a Temporary runner does not need to be recorded.
- 3) Any reference to a line drive should be recorded as a Fly ball
- 4) Any reference to a Sacrifice bunt or fly should be recorded as a Bunt or Fly ball.
- 5) Use your judgement, you game doesn't need to match the scored game example exactly, this is just a guide, based on the judgement of the original scorer.
- 6) Where a player is given and intentional base on balls, record this a base on balls, with nothing in the pitch count.
- 7)

Changes

Below are a list of the changes that are made through the game.
