

## Albury Basketball 2022 Representative Squad Selections

Good afternoon everyone

On behalf of the Albury Basketball Association we would like to thank the following:

- All the athletes that tried out across all of the age divisions
- Our fantastic coaches that give their time so generously
- All of the parents, guardians and helpers that make our rep program the success that it is.

### Squad Selections

The trials for the 2022 Representative Season continued to see further growth in the number of athletes trying out across the age divisions both boys and girls. It was great to see so many young athletes continuing to develop and improve as basketball players.

This growth in numbers and ongoing development of our athletes makes selecting teams challenging for our coaching group and decisions are made in collaboration with multiple coaches to ensure we have multiple sets of eyes watching our athletes and contributing to the final decisions.

Our trial process was underpinned by the following:

<ul style="list-style-type: none"><li>• Ability to listen and follow instructions</li><li>• Basketball skills</li><li>• Athletic ability</li><li>• Attitude</li><li>• Work ethic</li></ul>	<ul style="list-style-type: none"><li>• Potential</li><li>• Physical Attributes</li><li>• Feel for the game</li><li>• Coachability</li><li>• Commitment</li><li>• Team Balance</li></ul>

Being selected in the Albury Basketball Representative Program is a fantastic achievement. Representative players continue to learn and develop through squad training which is just as valuable as their on-court experience.

We ask that all athletes, parents and guardians respect the decision of the coaching group and be supportive as we enter the 2022 season.

#### ***Important – Please Note:***

***Coaches will discuss Development Athletes at the first training session. Some coaches already know who the DA's will be in their squad while others will use the first training and the Wodonga Tournament to make final decisions.***

***Development Athletes will be given the opportunity to play in tournaments that the Association identifies. Examples of this could be Wodonga, Benalla, Shepparton and John Martin Cup. Development Athletes will only be charged the development athlete levy and only pay additional amounts if they compete in tournaments.***
