CHAIRMAN REPORT

The 2020-2021 year has seen some outstanding results at National tournaments culminating a National title for our U15 boys and many other teams making finals and semi finals at Nationals. While most of the rep teams were able to attend nationals COVID caused the cancellation of the U13 competition we were due to host along with curtailing the WNBL.

We exist as an association to serve the wider community of those people who love the game of basketball and I want to thank all those players, coaches, managers and supporters for your ongoing commitment and support of NHBB – it is appreciated. The onset of COVID has had a more significant impact on our region and NHBB than last year with most of our schools competitions being cancelled in the second half of the year along with secondary school nationals. The impact has been particularly felt for our youth players who have not had opportunities to play the game they love.

Through the continued Covid-19 impact, I have been impressed and humbled by the resilience of the Harbour whanau. I would like to thank John and the team worked tirelessly to ensure there was communication with staff, teams and the community to get us through what has been another difficult year. Through these challenges the team remained just that, a team. Working from home has meant communicating with athletes and coaches through email and social media channels as we have found other ways to connect with our community. The resilience and team spirit shown by our staff has been exceptional.

I am very pleased that the continued board focus on the cash position has resulted in a strong bank balance at the end of the year. This has enabled NHBB to continue operations and retain all our staff on full salaries through this difficult period. The cancellation of the schools competitions and the remainder of the rep programme has resulted in repayment of fees and NHBB taken a lead to promptly refund fees to aid those families that so strongly support our association.

I would also like to acknowledge the strong board and leadership that steered us through the last year and have been particularly pleased with the addition of two new board members Maria Tyrell and Garry Williams. The new board members have provided significant input with Maria leading a brand refresh initiative and driving the membership registration taking membership from 500 to 2,500. The membership numbers will be increasingly important for future funding and communicating with our community. Garry has provided valuable input in a number of areas including governance and contracts. We are also taking a lead in appointing a young director to the board for a period of one year to which is a first for any NZ basketball association.

Finally, we end the year in a strong financial position with much work to still be done. We are all looking forward to a break and Christmas to spend time with family and allow us to recharge the batteries to launch into a new basketball season next year. We are passionate about delivering for our community and are greatly looking forward to 2022.

CEO REPORT

Welcome to our first virtual AGM. We appreciate your attendance and look forward to reporting on a good year for Harbour Basketball on many fronts. Competition revenues were extremely strong until cut short in mid-August, the demand for our representative programme saw record numbers trialling for our teams, we won two National Championships and challenged strongly in several others, and coach and match official numbers continued to grow in concert with participation numbers.

Financial: Revenues for the full financial year covered a period from October 1st to Tuesday 17th August at which stage we effectively shut down most of our activities. We had a relatively uninterrupted first half of the year with primary, intermediate and secondary school competitions being fully completed. The previous year had seen all 15U, 17U and 19U representative seasons effectively cancelled. This year saw all senior representative seasons played out in full. Unfortunately the 13U programme could only see a few trainings take place before the season was halted.

For our financial year overall revenue increased by more than 30 percent to be on a par with 2019 revenues. Given that the last six weeks of the financial year saw no activity, this was a very satisfying result. We will detail each major area of our programme in turn.

We thank our major sponsor Platinum Homes who increased their support for the Harbour Breeze and our women's programme. During the year we became key partners with Ray White North Shore and look forward to working with them in the years ahead. We acknowledge and thank Direct Control and Dil's Funerals for their continued generous support. SAS Sports were key partners throughout the year, and their creative team helped us to produce our new sponsorship document. We cannot continue to provide New Zealand's most comprehensive basketball programme without the support of our corporate sponsors and funders.

For the year Harbour Basketball generated a surplus of \$99,263 after depreciation and exceptional items (compared to a surplus of \$103,041 for the 2019/20 financial year). Our reserves at the end of September sat at just under \$380,000.

<u>Competitions</u>: Competition team numbers for the year reached an all-time high in 2021. During May and June, when the secondary school competition commenced, we had 489 primary, intermediate and secondary school teams and 42 adult league teams playing on a weekly basis. This was an incredible challenge for our team on multiple fronts and required the use of up to four separate venues on some evenings.

We initiated our first ever primary school girls' league in 2021. This was well supported by the schools. The growth in girl participation exceeded the overall growth in our numbers. The Girls Got Game initiative in collaboration with Northland Basketball is gaining real traction.

For the first time we supplied bench and produced FIBA Live Stats for our men's and women's premier leagues. Campbell Marsters took on this responsibility while continuing to oversee the growth in New Zealand's largest referee development programme.

In August we said goodbye to Andrew Horrocks who has been in charge of our competitions since March 2016. Campbell has stepped into his role and is looking forward to the challenge. **<u>Representative Teams:</u>** 2021 was a good year for our representative programme.

Our representative program (elite and development combined) encompasses 50 teams, comprising 34 boys teams and 16 girls teams. This is by far the largest program in New Zealand. Thank you again to Sue for her remarkable efforts with our programme in 2021. For the second year running Sue, Vince and Campbell have spent an enormous amount of time as we attempted resumption of the junior representative programme later in the year.

Our top boys teams all finished in the top 3 in New Zealand. Our U23, U19 and U17 boys teams came agonizingly close to winning a National title. All three teams lost to the eventual National Champion in the semi-final. Our U15 boys dominated their National tournament and won their final against a very good Hawkes Bay side 81-58. They will be fun to watch in the years ahead.

Our top girls teams also had a good season. Our U19 girls were weakened by several top players heading to the States to take up scholarships as student athletes. Our U17 girls were placed fourth in Dunedin after losing narrowly to eventual winner Canterbury in the semi-finals. Our U15 girls had a great tournament, finishing second to a very well drilled Waikato side.

The demand to be a part of our representative programme has never been greater. Those trialling reached record numbers, and we added a third tier to our U13 and U15 programmes. A special thank you to Vince Minjares who has added a remarkable intellectual framework to our representative programme.

We hope to resume trips overseas in 2022, with the first possibility being the USA trip for aspiring college athletes in our programme.

Harbour Breeze, Zephyr and Cyclone 2020-21:

The 2020 Women's 18 in 18 Sal's NBL was underway when we held last year's AGM. The Platinum Homes Harbour Breeze dominated the National Championship and were undefeated. They won the final against Waikato convincingly and were crowned 2020 National Champions. Coach Jody Cameron and her assistants Justine Reed and Andrew Horrocks excelled in the tournament.

Sadly the 2021 season could not be completed. There is some exciting news on the horizon for the 2022 Women's NBL. This should be announced in the next few weeks.

We were the only association in New Zealand to enter two D-League teams, the Harbour Zephyr and Cyclone. Both teams played well with some of our top representative players. Stephen Dil coached the Cyclone to a fantastic runnersup position against the Rotorua Lady Geysers.

NCAA Athletes: The number of Harbour student-athlete alumni playing college basketball while completing a tertiary education in the United States continues to grow. These athletes are detailed later in this report. Encouragingly the numbers of athletes at college are split 50/50 between men and women. We will proactively facilitate and streamline this pathway for our members in the years ahead. In 2021 we have 17 Harbour Basketball alumni on full ride NCAA Division I or Division II and NAIA scholarships. Ten of these student athletes are playing in NCAA Division I teams, a record for Harbour and New Zealand. In addition to this we have several more athletes attending Junior Colleges.

Staff and Board Members: A massive thank you to Blair Johnson as chair, Manu Fotu, Justine Reed and Jeff Olsen on our Board . This year we have added two new exceptional Board members, Maria Tyrrell and Garry Williams. Maria is a marketing expert and has commenced a re-branding exercise for Harbour which will be rolled out over the next couple of months. Maria has also been instrumental in generating a robust membership database. Garry brings extraordinary legal acumen to the Board. This will be invaluable as Harbour and BBNZ rewrite their constitution in response to a new Incorporated Societies Act being put in place for the first time since 1908.

Our staff are our greatest asset. I believe we have the best group of staff of any basketball Regional Sporting Organisation in New Zealand. To Moira, Sue, Jody, Vince, Campbell, Josh, Chris and Tessa we are all beneficiaries of the extremely professional job that you perform. We would also like to thank Cain Nuttall, Cairo Kotuhi, Luye Murphy and Azure Anderson for their help around the office.

50th Jubilee for Harbour Basketball; Harbour Hall of Fame :

Next year sees our 50th anniversary since being incorporated on the 7th September 1972. We are forming a group to plan a very special evening later in 2022. Thank you to Deb Caldwell for putting up her hand to help with this event. Let us know if you can help with logistics for what will be a great night and celebration of what Harbour Basketball has achieved in 50 years.

We are very proud of the community that Harbour Basketball has built up since its incorporation in 1972. None of what we have achieved to date could have been possible without the remarkable support of our members.

We are also planning the launch of a Harbour Basketball Hall of Fame in 2022. Watch this space.

Looking Forward to 2022:

The next financial year will be extremely challenging for all of us as we struggle with the concept of playing basketball in an environment during a global pandemic. In talks with the schools in our area and the venues that we use it is becoming clear that vaccine passes will form an integral part of our offering next year. We will update our members as we receive more information from Sport New Zealand and Basketball New Zealand.

Finally, as we head into the New Year I would like to take this opportunity to wish every member of our community a happy, safe and prosperous festive season. We look forward to seeing you next year.

John Hunt
