PRESIDENT'S REPORT

After the cancellation of the 2020 season, we had high hopes for 2021 with everyone looking forward to getting back on the park and into the clubrooms. As we now know, it became a stop/start affair as lockdowns and restrictions continued to play havoc across the season due to the COVID-19 pandemic. Ultimately, the season was called off having played a bit over half the games.

I will let the coaches talk to the football side of things in more detail, but all teams acquitted themselves well at various times, playing good football, worthy of finals. Had the season continued, who knows where teams may have finished.

The introduction of a second women's team and a second U19's team created some fixturing challenges, however it was great to see so many players involved. We were lucky the new lights worked a treat to allow some later games to be played and this will no doubt be a feature for 2022.

Whilst speaking of players, I would like to thank them for their support of the club off the field. Whether Thursday night dinners and clean up, working in the canteen or bar, finding player sponsors, or supporting the Junior teams, nothing was too much trouble. It is one reason I feel we are such a great club.

Having players back at Cheong also meant having supporters back and it was great to finally catch up with friends once again at the footy, even if we had to juggle with various restrictions.

Once again, our thanks go to our amazing sponsors who continue to support the club financially or through in-kind services. Many of them have been doing it tough themselves, so we really do appreciate their contributions. We will continue to encourage our players and supporters to give back to all our valued sponsors by using their services or buying their products where possible.

Our thanks also go to the EFNL and the Maroondah Council for their assistance throughout the period – they have again borne a lot of costs along the way which has helped place us in a very good position going into the

2022 season. The State Government should also be acknowledged for several small grants provided during the year.

The other major outcome of the pandemic was the change of plans for the redevelopment of the clubrooms. With their reduced income, the Maroondah Council felt it necessary to scale back the plans for Cheong Park, resulting in the change from a 2nd storey redevelopment to a single story. As you read this, we should have almost finished cleaning out the rooms to enable demolition works to commence, with new larger change rooms, umpire rooms, a trainer's room and storage at one end and new canteen/kitchen, bar and social rooms at the other. Unfortunately, the social rooms are unlikely to be finished until mid-year presenting some challenges on match days, however I am sure our amazing volunteers will see us through, hopefully with a favourable draw to save high drawing crowds for the second half of the year.

Speaking of volunteers, as always, we have had an amazing band of helpers this year, so thank you to every one of you.

Finally, I would like to thank my fellow committee members who do the heavy lifting throughout the year. Fiona Schinck (Secretary), Vince Cali (Vice President), Caitlyn Adams (Social) and Cathy White (General Committee) have all indicated they will be stepping down from their committee roles and will all be greatly missed for the work they do.

I look forward to seeing everyone back at Cheong Park in 2022.

Steve Duke
President

TREASURER'S REPORT

It is with pleasure that I present my treasurer's report covering season 2021.

An interrupted short season.

The Results

I am pleased to report that we have had a trading surplus \$21k, which puts us in good stead for the start of season 2022.

Overall funds sit at \$67k with a few small expenses still to come out once the bills arrive.

Income

Another successful season off field in terms of Corporate Sponsors, Calendar and Player Sponsors. This area raised \$99k, and a big thank-you to Vince and all the players in securing a great result in this area. One that we must strive to emulate for 2022.

Bar produced good results considering we had a short season and with the stock on hand being taken into consideration, margin was back up at 50% which is where we need to be.

Thursday Night meals were down in margin at 40% but considering this was outsourced, we can be pleased with the result.

Canteen was busy for our home games and produced on par margin at 52%, so profits holding well on this front, thanks again to Karen Colman and all that helped.

BBQ was down on margin (31% when we should aim for 40+) so not sure where we head with this other than put some prices up. Not a huge revenue raising department so not overly concerned here.

Mudlarks and Kennel Club revenues were both down on previous years and this can be partly attributed to a slower uptake post the 2020 season cancellation, importantly however all contributions/memberships pledged were collected.

Mudlarks have good funds and we did not call on all of them for this year so added funds are available for 2022 should the need arise. They also missed on their sports lunch which is always a good revenue raiser.

Socially, sadly nothing. We missed on Gala Ball and the great Lucky Raffle, these two combined can generate

some \$20k. Also, no luncheons and other player functions that generally raise good funds along with Bar takings.

Costs

The costs were reasonably held in check.

Players Salary cap will remain at \$100k for season 2022 so this will help us keep finances in check while we build funds for future seasons.

Trainers had a pay increase that was well overdue and combined with having now 7 teams we are needing more on game day.

Uniform and Merchandise spend was very high but with approximately \$30k (at cost) in stock in this area we are well stocked for next season. We need to make a concerted effort to move this stock next year and should ease up on purchases until this stock level is reduced. My recommendation to the committee is to appoint a Merchandise Manager to control all this. We cannot let this area get out of control.

All other areas are in line with what I would expect.

NEXT SEASON:

As I say every year, the hard work does not stop.

Season 2022 will throw up its own challenges. We need to be mindful of 'no pavilion' for the start of 2022 and this will be very challenging financially early in the season. As a committee there are certain things that need addressing as we head into next year.

I would like to thank the executive committee for their hard work in a trying 2021. It has not been easy for all of us juggling business and work commitments and a stressful football club landscape.

Onwards and upwards for 2022

Go Doggies

Warren French
Treasurer

SOCIAL MANAGER'S REPORT

This year we had a lot planned and unfortunately most events were impacted by lockdown.

We were lucky enough to hold our Season opener at the club with live music and we sneaked in our annual ladies' day as well! We are always taking on advice and needing helpers.

Therefore, if you know someone who can help or have any ideas, please let us know! Feeling hopeful that there is no red line through our social calendar next year!

Caitlyn Adams
Social Manager

COACH'S REPORT

PREMIER MEN

A huge thank you to the players, coaches and all support staff. With a new coach comes new ideas and methods, and in this situation, not a lot of time to implement and adjust. The support I had from all involved was unqualified and confirms what I already knew about our playing group and footy club.

Despite indifferent practice match form, our start to the season proper was exceptional, highlighted by a tough ANZAC day win at Blackburn and the club's first ever senior victory at Balwyn.

We were playing an exciting brand of footy, underpinned by a real focus on winning contest and defending as a team ferociously. Blue collar bulldogs.

Despite a narrow loss at Noble Park, the first enforced COVID19 layoff saw us sitting on top of the ladder with a 5-1 record.

Our training standards after the break slipped slightly, and with that, so did our form. It doesn't take much at this level and our brand of footy requires a real commitment from all. We lost 3 of our next 4 games. The last of those was against Balwyn at home, after giving up a 6-goal start. I felt in the last 3 quarters of that game we had started to turn the corner and recapture our early season form.

I am confident had the season been able to continue we would have been very hard to beat.

As we quickly approach a new season, despite salary cap constraints, we have managed to add to our list and look forward to next year with great optimism and excitement. This speaks volumes for the loyalty, sacrifice and commitment of our playing group, so well led by Liam Cox. I am also looking forward to seeing our fantastic under 19s talent progress to senior ranks. Jayden Cass, Scott Bruce and team, a job very well done.

To Hammer, Sox and all involved with the ladies' program, congratulations on your season. You are a huge part of our footy club, and we look forward to strengthening our bond even further.

Thank you to all trainers and match day support staff.

Dukey, Vince, Dimma, Fi, Waz and committee – Bryan King, JD, Michelle, Rev and all who contribute behind the scenes to make our club so great.

Tubby Lewis and the Mudlarks. Sauce McConnell and the Kennel Club. Thank You.

The Thursday nights at Cheong are a sight to behold. Cathy and her helpers, Billy, Nick and bar staff all work together to make this happen. Also, to the partners and families of the players, coaches, committee members and volunteers, thank you for allowing us to do what we love!

Go Dogs!

Marcus Buzaglo
Men's Premier Coach

COACH'S REPORT

PREMIER DEVELOPMENT MEN

After the lost season of 2020 everybody was looking forward to getting back to normal in 2021.

Pre-season was very enjoyable as everybody worked hard to prepare for the season ahead.

Round 1 came around quickly and we were away and back to playing footy. We kicked off with a big win to start the season in bright sunshine at Cheong Park against Doncaster and life was good.

Anzac Day was next and we got smacked by Blackburn away.

Next, we travelled to Noble Park and dominated the first half before throwing the game away by giving up in the second half.

Back at home against Rowville and a slow start cost us the game.

Next up was a big win away at Balwyn kicking 21.3 for the day.

Back at home we rolled Doncaster East comfortably.

Unfortunately, COVID made an appearance at this stage which halted training and wiped a couple of games from the fixture.

We got back into the swing of things with a big game away against the top of the table Vermont and went down in a close match which was also a big 250th milestone game for Fitzy and 200th milestone game for Zenez.

Back at home again we held on for a 2-point win over newcomers Berwick.

Next up was another great away win at Norwood.

Back at Cheong next we had a close loss to Balwyn which was very disappointing.

COVID made another appearance which basically finished the season for everybody.

We finished the season with 5 wins and 5 loses and a percentage of 116%. We finished 5th on the ladder. 2021 was very frustrating with the stop start nature of the season and all the uncertainty.

In saying that the year was still rewarding and highly enjoyable with many highlights.

I loved coaching the development squad again and hope that all the players and people involved with the development squad enjoyed themselves. There is so much talent and ability in our squad and we will endeavour to improve all players moving forward.

Thanks on behalf of myself and all the players to the great Adam Dean who controlled the board and was a great sounding board for me on match day.

Special thanks also go out to our team manager Fiona Schinck and wily old goal umpire Tony Milner and all the trainers and other volunteers who have helped out through-out the season with the development team.

Your support and dedication has been appreciated.

Well done to all the coaches and assistant coaches of the various teams within the club.

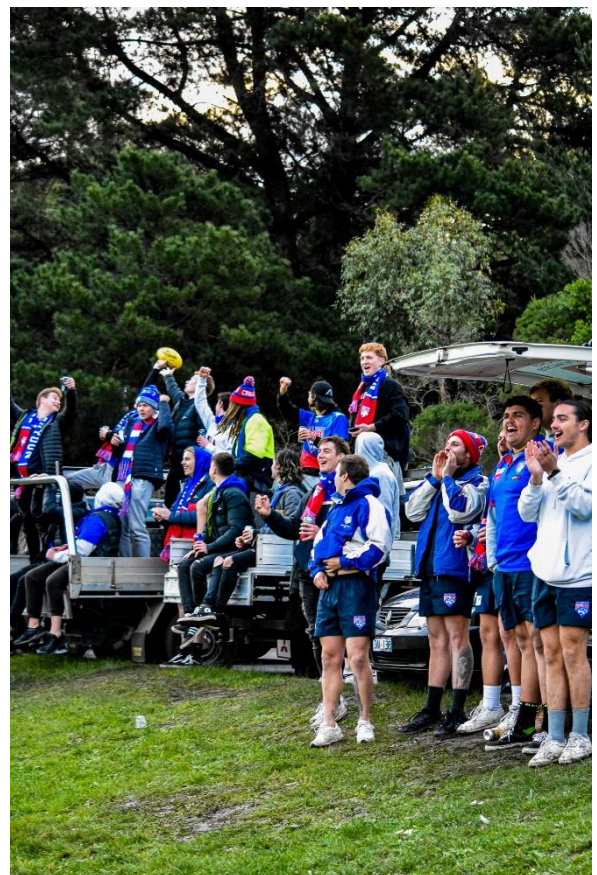

A special thanks also goes out to Marcus Buzaglo who stepped into the role of senior coach in February and did an excellent job in guiding the players and club. He maintained our blue-collar hard-working ethos whilst also ensuring we have fun and enjoy our time together.

Also, to the hard-working committee and volunteers who work tirelessly in their various roles. Your work is appreciated, and you guys make our club one of the best run community clubs anywhere.

With all the young talent coming up to senior level and our new recruits getting on board I expect massive things from the Doggies next year.

I cannot wait for the 2022 season where we can really show how great a football club we are.

Stephen Quon
Men's Development Coach

COACH'S REPORT

PREMIER WOMEN

2021, almost a football year! After the difficulties and disappointments of the 2020 year for so many in the football community, it was a challenge to regain the momentum to build the Women's program for the 2021 season. Whilst the program retained a strong core of players from 2021, player numbers during preseason were certainly impacted by the disruptions of the previous year. Fortunately, once the teams were able to get out on the field and play a few games in the first few rounds, the player numbers did increase to comfortably field two sides for the remainder of the season.

The Premier team was a little unlucky with the results in the early rounds. Potentially, the pre-season training numbers had an impact, but the team was also working with a small bench at this stage and was required to adjust to a higher level of footy in the top division. We were beaten 3 times by an aggregate of 14 points and delivered one very solid 80-point win in the first 4 rounds.

To the player's credit, they were not disillusioned by early results and continued to work harder to improve. Their dedication saw the team win 4 of the next 5 games, with the only additional loss at the hands of Blackburn by 5 points (with the last kick of the day).

Ultimately, the Premier team worked its way into second position on the ladder as the season continued. We were playing better football with every additional game, giving us great confidence that the team was going to be very well placed as genuine contenders in a finals campaign. Unfortunately, with the return of lockdown, the season was cancelled after 11 rounds and the team did not get the opportunity to play for a Premiership in 2021.

Whilst the season cancellation was bitterly disappointing from a football perspective, the Women's program did achieve some great things in 2021. Here are a few highlights:

- The program did field two competitive sides every week, with 53 players donning the Red, White, and Blue for our Women's teams in 2021.
- The club's position as a Premier Division Women's program was consolidated, finishing in second position in our first year in the Premier competition.
- We implemented an injury prevention program in conjunction with Latrobe University which ultimately helped keep our injury rate low.
- The Women's program was involved in multiple joint training sessions with the junior club throughout the year, working towards strengthening the links between clubs and building the Junior Girls program.
- Joint training sessions were run with the Men's and Veterans programs to build club unity across programs.
- We had 8 players nominated for the Premier Division team of the year, with 6 being selected in the final team. This was the most of any single club.
- We had 29 players feature in the Premier team in 2021. 16 of these are new to the club.

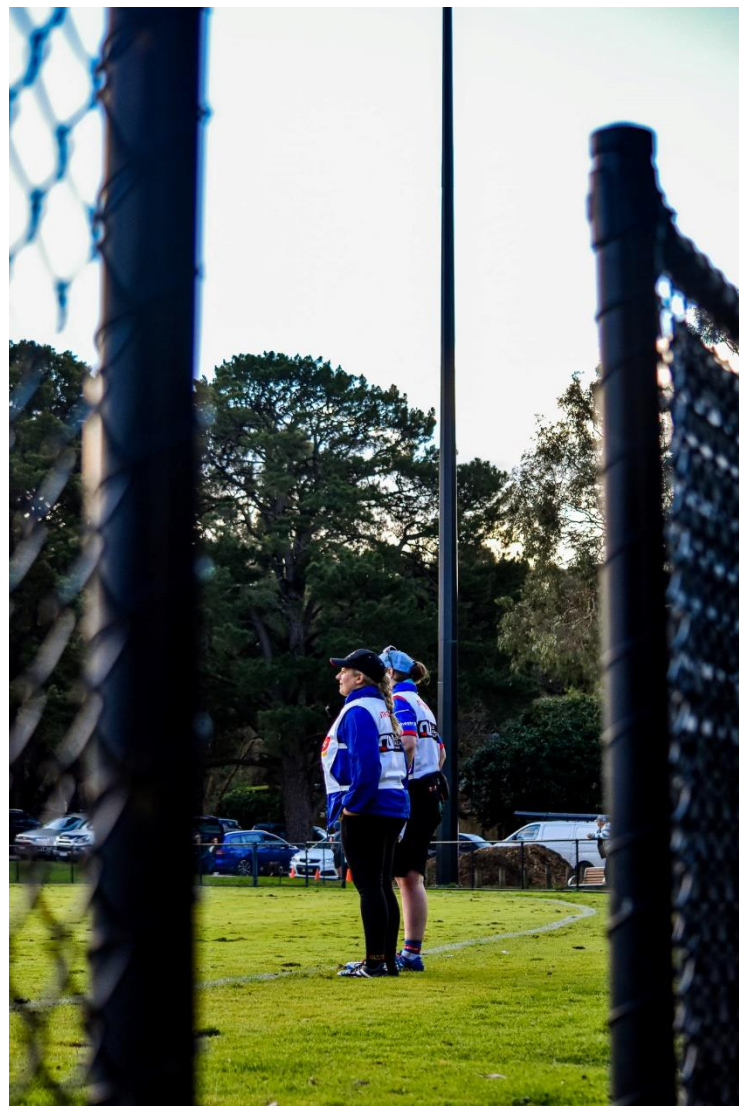

I'd like to acknowledge our great player leadership team Kate, Sarah, Denni, Brooke C, Emilie, and Emma. Their assistance has been valuable in running the program and keeping the group motivated. They have helped keep the team moving in the right direction this year.

I would also like to thank the many volunteers, starting with Declan (Nigel) for his dedication for the past two years and the excellent job he has done with the Development team. Liam (Tobes), Riley the runner, and all our trainers for the great work they have done. Grant, for his commitment and involvement in everything from training to administration, and Andy, our Team Manager who takes care of everything to keep match day running smoothly.

Thank you also to the SCFC executive committee for all their ongoing hard work to continue to run a great club, especially through the past two difficult years.

On the back of our players ongoing commitment and dedication, 2021 was a year which saw an enormous step forward for our women's program. With improvement every week throughout the 2021 season before its premature cancellation, I have no doubt our best was still yet to come. Here's hoping for a clear, uninterrupted, season to showcase all that we can be in 2022.

Simon Hammersley
Premier Women's Coach

COACH'S REPORT

DIVISION 3 WOMEN

2021 saw the (delayed) launch of the club's second women's football team, a development squad in the Division 3 Women's competition. The division comprised a combination of new start up sides, and development sides from clubs fielding two teams. This mix did make the competition a little two paced in terms of evenness at times.

The Development team started the year in great fashion with a strong 77-point win at home over Croydon North. It was the first of 8 wins in a row for the side. A hard-fought win against Blackburn on Anzac Day and an enormous 150-point win against Boronia were certain highlights in the winning streak. The team played their best game of footy for the year with a narrow 10-point win in a high scoring game away against Chirnside Park to notch their 8th consecutive win for the season.

Unfortunately, the side lost the next 3 games just prior to the season cancellation. Ultimately giving up its top position and finishing in third place for the year. It should be noted that some injuries and unavailability of players within the list, combined with additional promotion of players into Premier football, were contributing factors to the results at this time of the year. Of those 3 losses, we felt only the night game at home against Fair Park was a poor performance. Otherwise, it was a very successful year of on field results for the team.

The timing of the season cancellation was in some ways quite harsh for the development team. Having suffered consecutive losses, they were then without opportunity to get back to the winners list. Their final game however, against a stacked Blackburn team (players back from Premier footy), showed strong signs from our team. Alike the Premier team, had the season run to its scheduled conclusion, the development side would have occupied a top two position and been well placed for a strong finals campaign.

From the outset, the season goal was to grow the South Croydon Women's program and field two competitive sides. The team finished with an 8 wins and 3 loss record. It continued to develop players with many stepping up to

Premier footy and performing admirably through the year. Combined with 5 nominations for the D3 team of the year and 3 players making the final team, it was an enormously positive year.

I think it's important to acknowledge all our players across the program for the inclusive and accepting environment they foster in welcoming everyone to our club. It is no doubt the major contributing factor in being able to grow the women's program and to the success of the Development team. Thank you to the many volunteers who assist every week, but especially Teaghan (and Cathy) for taking on the Team Management responsibilities.

The Development team will head into 2022 in a great position with a full list already assured, and a strong desire to build further on this year's success.

Division 3 Women

COACH'S REPORT

PREMIER U/19'S

Fielding two teams in the Colts in 2021 was a terrific milestone for the club. The increased participation and pathway between the Junior and Senior club is looking very healthy and aligns to our values of being a connected community club.

With strong numbers and quality people we were eager to represent South Croydon Colts in the premier division which has not been feasible in previous years. Our emphasis was on consistent numbers at training and striving to compete at the highest level possible. It was evident for everyone inside the group and outside the club that our players had a strong connection on and off field which is what makes being a South Croydon Club special.

We finished the season 8th with 2 wins, 1 draw and 7 losses. The game style we implemented was based on giving our young players the best chance to continue their development and invariably take the step to become Senior players. It took a while to find our feet for our players to build a trust to defend as a team and the structure and styles of attack to become predictable to each other.

We were a good side in the competition for majority of the year. When we played with the mentality that we were a great side; we could contend with any team. Unfortunately, periods of a quarter in which we weren't able to prevent the opposition scoring with momentum cost us some close games. We could never question the intent or desire of the squad, regardless of the scoreboard. If not for COVID, we were confident we would have caused some damage in the back end of the season. To improve, it is a matter of increasing individual, team confidence playing at the premier level and a belief we can win any game.

Our captain, Charlie McKellar epitomizes dedication never missing a training session. The growth and development has been amazing to watch since walking into the club to now. Our Leadership group consisting of Jay Dimatrov (Vice Captain), Fraser Sheridan, Tom Sheridan and Nick McDonald lead from the front all year and helped lift standards. We would like to congratulate our award winners for 2021. Best and Fairest Kyle Phelan, Runner Up Sam Allen and third place Will Connor. We have no doubt they will be pushing for regular Senior selection. A special mention to U20's that were picked on form to play Seniors in 2021; Kyle Phelan, Nick McDonald, Tom Hardstaff and Tom Sheridan. There were a handful of players that were extremely close to debuting and no doubt will if they continue to put in the work and push to better each other selection isn't far away.

Taking time to reflect on the season, it becomes evident how much of a positive impact good people have on assisting the club's performance. Thank you to our Assistant Coaches Liam Cox and Tom Alderson and Development Coach Scott Bruce for their support at training with drills, with selection and on game day. Thank you to Michelle Curry for her work as Team Manager and for her constant support midweek and weekends for her organisation and ensuring we are always prepared. Thank you to our runner, Dean McKellar was terrific all year, his enthusiasm was infectious. Thank you to Buzz and the Senior coaches for your guidance and understanding throughout the year. Thank you to our wonderful group of trainers. Thank you to our tireless and loyal committee. Last but not least, thank you to the parents and volunteers that are willing to assist with various roles, without them the club wouldn't be the same.

Look forward to playing with the boys in 2022 and beyond!

Jayden Cass
Premier U19s Coach

COACH'S REPORT

DIVISION 4 U/19'S

First things first although our season got cut short it was great to get back to play footy in some capacity.

One of the most pleasing things of the season was getting two sides up which is a great achievement by all.

As far as our season went, we got off to a very slow start and that was probably a reflection of our preseason training.

As the season went on the boys made more of a commitment to training and each other and the improvement was obvious as we got better with each game.

The highlight of the season without a doubt was the game against Berwick under lights and just having the opportunity to play in front of a decent crowd. The support we had from the crowd, the women's team, the senior players and the other 19's boys is what makes this club special.

A big thank you to Liam Cox and Jayden Cass with the help with training and their commitment to the entire squad.

I would also like to thank the committee for the opportunity to coach up at the senior club, it was a great honour.

A big thank you to my Team Managers, Coaching Staff, the Committee and all the Volunteers that helped to get the team out on the field this season.

With the number of players we had last season and the quality of the players, the future is bright for the Bulldogs!

Best & Fairest Results:

Thank you

Scott Bruce
Division 4 U19s Coach

COACH'S REPORT

VETERANS MEN

What might have been..... a really frustrating season is what we got. Two layoffs of up to 6 weeks during the season due to snap lock downs meant getting continuity was difficult. Being split into two divisions was a positive however the balance that the competition decided to split these divisions was perplexing and left us with an uneven draw. We managed 6 games this year for 1 win.

From a coaching panel perspective, it was pleasing to see and hear that the training although tough at times, was met with enthusiasm and encouraging banter. Starting back in mid-November and then again in late January, the numbers at training were up from previous years however fluctuated. Having to sneak around to find a ground for pre-season wasn't ideal but having earlier access to Cheong than previous years was very much appreciated. They say that no AFL premiership winning side has ever fielded the same group of players ever again and that was reflected every week with the Vets. Most games were down to the wire whether we were able to field a bench and our last game of the season required many hours of phone calls and persuasion to get a side up. Retention and attraction of players is going to have to be a huge focus for the club moving forward if the Vets are going to field a successfully team. Whilst we had these dramas, the season was a positive one in regards to player involvement (new and old) and relationships further strengthened across the club.

Highlights throughout the year

- Win against Upper Ferntree Gully- was held also on a Friday night under lights and was incredibly well supported by the Club.
- 36 players represented the jumper this year
- Robbo's last match
- New players!!!
- Past players down and helping out game day and throughout the week
- Last game against North Ringwood, despite the loss, the feel and comradery after the game was noticeable
- Pairing up with the Girls sides for trainings throughout the year. Establishing this relationship which will move into the 2022 pre-season. We see some great opportunities to get together more often during pre-season to ensure numbers are excellent for training
- Being included in the 'Clubs with Heart' sessions and workshops
- Sponsoring players – we will continue to do this and will take advice on which players the Club would like us to sponsor.

Thanks

- Dale White for working the magnets and copping my venting like a boss
- Mark Robinson as the runner
- Monique Kouvaras as our medic – without her we cannot play
- Gaz, Kenners, Ando, Willo and Cammo for keeping Whitey in check
- To all players, I know this year has been hard for all sides but this year we required a large number of ring ins to play. If we can recruit hard over the summer, then this may not be an issue moving forward.
- Kenners, Cammo, Whitey, Robbo, Ando, Gaz, Willo and Tracy Robbo for doing the votes throughout each round
- David Williams, special thanks for playing when desperately needed, playing when he shouldn't have had to and being an unbelievable team manager and sounding board
- Chris D'Astoli, a great year as Captain, lead superbly and he also had great support from Cory McGrath and Paul Mitchell.
- To all those involved game day and at training. I hope you realise how important we are to one another

Lastly, a huge thanks to the South Croydon Football Club for all their support throughout the year. Without their support our side, the Vets, would not be able to exist. Special mentions to those who assisted our first Friday Night Game at Cheong. We also wish to continue to support the club every way we can and explore further ways we can contribute to the success of the South Croydon Football Club.

My thanks also go to our committee members for their support and tireless efforts to try get a season up and running and keep our playing community connected.

Ken Darby
Veteran's Coach

NETBALL REPORT

This year only one netball team took place in the competition, which was the result of two teams merging from 2020.

It was a disrupted season with only 9 games played, but we had a reliable group of girls that took the court when they could. Including fill-ins, we had 15 girls represent SCFC Netball this year.

We played in Division 4, won 2 games and lost 7. A lot of fun and laughter was had, and that is what sport is all about. Thank you to Leah Mallison for your organisational skills making sure we had a full team each week.

Hopefully 2022 will be a full season!

Michelle Cox
Netball Co-ordinator

TROPHY WINNERS AND STATISTICS

Men's Premier	
Wheeler Medalist	Nick Evans
Runner-up	Jordan Walker
Blue Collar Bulldog Award	Liam Cox
Best First Year Player	Tom Sheridan
Men's Premier Development	
Quon Medalist	Sam Cali
Runner-up	Josh Akaruru
Third Place	Tadan Vitacca
Men's Premier U/19's	
Dinnell/King Medalist	Kyle Phelan
Runner-up	Sam Allen
Coach's Award	Will Connor
Men's Division 4 U/19's	
Best & Fairest	Ash Sedunary
Runner-up	Mason Knight
Coach's Award	Nelson Mwangiru
Women's Premier	
Best & Fairest	Brooke Curren
Runner Up	Jaimee-Lee Morrow
Coach's Award	Brenda Lay
Best First Year Player	Maggie McKellar
Women's Division 3	
Best & Fairest	Jordyn Cunningham
Runner-up	Beth Griffin
Coach's Award	Alana Prendergast
Vets	
Mason Medalist	Ken Darby
Runner-up	Corey McGrath
Netball Division 4	
Best & Fairest	Claire Shallvey

Milestone & Club Awards

200 Senior Games	Liam Fitzgerald, Anthony Zeniou
150 Senior Games	Alex Fraraccio
100 Senior Games	Jason Coghlan
