

2021 Goulburn Campaspe Junior Football League Annual Report

Operations Report

We almost got there!!! Season 2021 has again seen the league be affected by Covid-19. Considering season 2020, we hoped season 2021 would revert back to normal – it almost did.

Most of our clubs this season managed to play at least 10 games which is a vast improvement on the previous season. The only thing missing this season was the final series for our players.

As we completed the majority of the home and away season, the committee agreed to award league best and fairest and club awards. In a first ever for this league we conducted our awards night via a live stream. The online delivery was very different to our usual presentations however, the evening went exceptionally well with large numbers joining the stream. We were able to conduct a virtual interview of the award winners and provide an opportunity for them to accept their awards and make thank yous. We would like to congratulate all award winners on the night, a season well done.

A big thank you to the Advisory Committee and Club volunteers. Without you all the season does not happen.

So lots to look forward to in season 2022, as in previous seasons the support from all of our clubs has been fantastic and for those moving on we wish you all the very best. For those coming back in season 2022, it is looking like we will have a full season and we can't wait to see some of our strategic plans starting to come to fruition.
