CPF - 2022

We will be following MOH, Sport NZ and Netball NZ guidelines surrounding Recreation and Sport. If at any stage during the season we are advised of any changes, we will make the appropriate updates and advise teams.

My Vaccine Passes:

- My Vaccine Passes are not required to participate in any activities or competitions that are run by the Matamata Netball Centre, nor are they required to enter our grounds.

Hygiene and Sanitation:

- We ask that all players and team personnel initiate good hygiene practices i.e. sanitise hands before the start of a game.
- Face masks are not mandatory, however please feel free to wear one when moving around the grounds.

Social Distancing:

- Please keep at least 1m metre distance away from others not in your group where practicably possible – obviously this does not apply when playing your game, but more so when moving around the courts.

Game Times:

- There is no limit on the number of teams that we will accept into our competition.
- Games will be played as 4x 10 minute quarters.
- Once Opening/Grading Day has been completed outdoors, A Grade will then be played at Headon Stadium on a Tuesday night.
- We will do our best to ensure that teams and Umpires are rotated so that they are not always playing/umpiring the last round – unless a team or Umpire has specifically asked to be placed here.

Team Changes:

- If teams need to ADD or REMOVE players from their original team sheet, please contact the MNC Registration Officer Karen Lind gillylind@yahoo.com by 4pm on a Monday so that the changes can be completed before games on a Tuesday.

Team Sheets:

- Opening/Grading Day - team sheets are to be filled in prior to taking the court for your first game only.
- Round 1 onwards - team sheets to be filled in prior to taking the court each week for the remainder of the season

Reminder Re Draw requests:

- Please have these in as soon as possible so that we have plenty of time to accommodate your request.
- Late requests may not be accommodated.
- Requests to be emailed to drawmnc@gmail.com

Umpires:

Team Umpire Fee:

- This is to be paid to the downstairs canteen on Opening Day.

Named Umpires:

- If the team Umpire named on the draw is unable to umpire, the team must replace that Umpire with one of their other Named Umpires.
- The replacement Umpire must be competent and confident to umpire the level of the game AND must hold a current qualification of Centre Theory or higher.
- Any changes must be advised to the Umpire Co-ordinator and Draw Steward as soon as possible.

Training Nights:

For teams wishing to train at the courts, please note the following days and times for when courts will NOT be available:

- **Tuesday** = no courts available from 3.30pm onwards. Primary netball runs from 3.30-5pm
- **Thursday** = 6-8pm court 4 & possibly court 5 will not be available to teams as tennis will be running.
All other courts are available to use.

Team Duties:

- *Set up* – Teams to set all courts up with goal pads before the first game.
- *Outside pavilion* – Courts, rubbish and front of pavilion.
- *Inside Pavilion* – cleaning inside areas of the pavilion.

Duty teams to meet a Committee member by the storeroom at the completion of their games

COACHING Workshops:

Information regarding Coaching workshops and resources will be emailed out or posted on our Facebook page as they become available.

If you require more information or would like to register for the Community Coaching Awards, please contact the MNC Coaching Coordinator Toni Garland.

Canteen & Coffee Cart:

- The canteen and coffee cart will not be operating this year.
