PRESIDENT'S REPORT – NIC BYRNE

We welcome Caramut to the Connor Wilson Reserve for Round 4.

I'd like to thank John Forbes and his cropping committee for getting the clubs canola and wheat crop in this year. Thank you to the Brown family for giving us the opportunity to share farm their property with us.

Well done to everyone for getting together and preparing the facilities for the game last week.

A week is a long time in sport and with a lot of injuries on the football field we're very lucky that we have two coaches that have worked very hard to get two football sides this week. On that note I'd like to thank all our coaches for the work their putting in to prepare their teams each week. It's a massive job with a huge commitment and you're all handling very well with great success.

Tonight we have our games night so please hang around for a Chicken Schnitzel dinner and some team fun! A great way to get to know each other and we now have more new faces around the club so please make them feel welcome.

Good luck to all teams competing today

Cheers

Nic

SENIOR FOOTBALL COACHES REPORT – DAVID BOX

Today we welcome Woorndoo / Mortlake to our home ground and expect a big challenge ahead from an inform team.

We went down to Ararat last week who showed us how well drilled and discipline they were in their structures. Ararat had the ability to move the ball freely and apply pressure creating our mistakes by foot, although we had a loss it was good to come up against a bench mark side early in the season. Today to be successful we need to go back to what got us the win against Great Western. Round one we all contributed and showed our ability to move the ball and play the game on our teams on our home ground. We have set the foundation with this win and need to continue to build on it to become successful through the year. Good luck to all Rovers teams today.

RESERVE FOOTBALL COACHES REPORT – BRAD SCOTT

Hi there,

The reserves boys are off to a red-hot start, notching up another win last week.

We came out in the first quarter and quickly kicked away, this was pleasing to see and really got us off to the start we needed.

There were plenty of exciting passages of play through out the game, it was great to see that we are starting to gel as there have certainly been a lot of new faces each week so far, but there are definitely good signs that we are getting to know each other on the field.

The best player last week was Mango, and it was great to have him back around the club, it sure didn't look like he had time away from the game. Good to have you back Mango.

Good luck to all sides today, let's hope for plenty of Roves wins.

Cheers Butch.

NETBALL CO-ORDINATOR – AMELIA DUNN

We welcome the Caramut Football/Netball Club to the MCG this weekend for yet another home game. With the season off and roaring, we've been subject to a few wins and losses as the teams find their feet. Last weekend we took on the fierce Woorndoo and put up a good fight but unfortunately went down in all grades. The girls and Matt have been back at it again training hard and preparing for another tough match against Caramut.

Off the court, we had the delicious Casserole night last weekend which is always a big hit. Thanks to those who made all the yummy casseroles and stuck around to help. This weekend we have games night with teams competing in multiple activities to win the SMW Rovers Cup. Stick around for dinner and to see who takes home the cup this year.

Good luck to all teams today.

Go Rovers!

A GRADE NETBALL REPORT – COURTNEY GUY

This week we are fortunate enough to play another game here at Mininera. We look forward to a match up against Caramut and will hope to score a win.

It's going to be a big battle this week, though I do believe our fitness and team cohesion will be able to win us the ball.

We welcome Hayley Peterkin to our team

For the remainder of the season. Hayley has filled in for us previously and we loved having her on board.

We wish her the best of luck for the remainder of the season.

Last week we had a tough game on the court against Woorndoo where we came head to head with them every quarter. It was simply a day of misfortune and unfortunately by the end of the final term the girls just ran out of time. Though a shame it was a loss, it was a fantastic game of netball, even amongst the rain!

B GRADE NETBALL REPORT – COURTNEY GUY & KYLIE BOX

Another great game by the B graders. They stuck right with Woorndoo last weekend in the first half, though a few injuries took over their chances.

The girls adjusted their game and the versatility of the team was shown.

This week should be a very close game against Caramut which means the girls need to bring their A game.

They have the ability to fight for the ball when they need to and should be able to come away with a win.

We have a Fantastic defensive end who are able to cause stoppages early in their passages of play. This will be crucial on the weekend.

All the best to both the football and netball .

C GRADE NETBALL REPORT – MATT MCLEOD

Firstly I'd like to welcome Caramut to the MCG. Last week the tigers had a strong win against our girls. Best players went to Amanda and Karissa. Today we look to fight for our first win in what I hope to be a good game. With the team improving every week this just might be our day. Good luck to all teams and GO ROVERS

13 & UNDER NETBALL REPORT –

AMANDA MCLEOD & KARISSA SCHUMANN

Welcome back to the MCG Conna Wilson Reserve.

Our Under 13's girls are working hard and showing quality improvement every week.

Last weekend against the Tigers Charlotte Box went away with our incentive award.

It's been great to see our older girls guide the new younger girls and hopefully today that shines through and we can celebrate a win to reward the girls for all their hard work.
