## PRESIDENT'S MESSAGE

Welcome to The Apprenticeship Factory KDL for the commencement of the 2022 season. After getting to commence a season in 2021 but not being able to finish it with a finals series I am looking forward to seeing what this season brings to our competition.

I would like to take this opportunity to thank the 2021 Board for their efforts in managing our great league through some challenging and unusual circumstances.

I look forward to working with this team to ensure we deliver the best KDL product we can for our Clubs, Members, Players, Coaches, Volunteers, Supporters and Followers.

It's been a busy off season for clubs and the KDL to boot as we commence the 2022 season we look forward to several changes and improvements that will be seen around the league during the season.

Firstly, we welcome our returning sponsors including our naming rights partner in The Apprenticeship Factory to the KDL for the 2022 season. Our KDL Sponsors and Club Sponsors are very important to ensuring that we remain as viable and strong league as we move forward post two COVID19 interrupted seasons.

Secondly, in 2022 our Under 12's Football will become an Under 13's Football competition which will allow all those top aged players to continue to be involved in our league. The change in age bracket is designed to assist in creating and developing junior pathways through to our Under 18's Football competition. I look forward to seeing this competition

to continue to grow throughout the season.

Our sincere thanks must go to all clubs who worked with us over the last six weeks as we dealt with the news of Ardmona Football Netball Club placing themselves into recess for the 2022 season. The willingness of all to work together as we amended the draw and ensure the best outcome was achieved. Furthermore, we wish the Ardmona Football Netball Club all the best during the 2022 season as they work towards being ready to re-enter the competition in 2023.

Lastly, at the recent AFL Goulburn Murray Commission AGM we saw the election of Bruce Rowley as a member of the Regional Commission. Bruce is well known within the KDL fraternity having been involved in a few clubs, and we wish him all the best in his new role. The election also saw the retirement of Andrew Chittick, Peter Nelson and Peter Foott after many years of serving on the Regional Commission.

Finally, I would like to thank our League Operations Officer Julian Perta and the rest of the team at AFL Goulburn Murray, for the work conducted so far in getting ready for season 2022. We look forward to seeing what the year brings with our new software management systems in both football and netball.

To all Clubs, Players, Coaches, Members and Supporters best of luck for the season ahead.

**Fraser Kerrins**

# UNDER THE RING

KDL Publicity Officer

Today is an exciting day for our netballers.

They have been waiting for this day after the season was closed down before we entered what would have been an exciting finals series.

It is anticipated that Tallygaroopna, Shepparton East and even Girgarre despite losing some of first choices from last year to be challenging again.

Others expected to challenge when the whips are cracking are Merrigum under Olivia Jackson and Nagambie under first-year coach Gabby Finnigan.

And Dookie United has traditionally played finals since it crossed to the league.

So, expect them to be thereabouts come September.

I then think there could be a drop off with the final two spots up for grabs, with Murchison-Toolamba, Violet Town, Stanhope and possibly a young Lancaster team that will be in the mix. And then it is expected to be a tough year on the courts for the likes of Undera who didn't win a game last year, Longwood, Rushworth and potentially Avenel who has lost a few of regulars from last year.

In one of the biggest moves of the summer, former Shepparton and United netballer Kate Durling will join her partner Shannon Campbell at Shepparton East.

Her inclusion is massive for the league as she was arguably one of the best netballers in the GVL before taking a break to have her two children.

She allows coach Erynn Hueston to throw Durling in different parts of the court, especially if they need a lift or just to change things up.

Durling will be hoping to lead her new club to victory today against Dookie and more importantly to a first flag in the competition.

There are a few others who are coming to the league with GVL experience and we look forward to them having a big impact with their respective clubs.

## MY TIPS:

Shepparton East, Tallygaroopna, Murchison-Toolamba, Merrigum, Violet Town, Nagambie and Girgarre.

# E THE BOUNCE

## BEFORE THE BOUNCE

KDL Publicity Officer

Longwood will again be coached by Michael Galvin this season.

It is again expected to be a tough year on the field for the Redlegs, but there is a lot to like about them over on the courts, with their under-18s and even with the upgrade to some of their facilities including over on the netball courts.

Undera and Tallygaroopna are expected to not figure in the finals this season, but are expected to be a little more competitive.

For both of them it will be about getting some games potentially into any of the kids they have on their playing rosters to try and set the foundations for the future.

Neither will win a heap of games, but they will be both trying to better their win-loss ratio for 2021.

Rushworth takes on Murchison-Toolamba who is expected to one of the teams vying for the flag. They are another club like others in the league who welcomed in players from a GVL club, with Trent Freer, Michael Coad, Brodie and Kallyun Sanders crossing from the Cats.

Anything less than a preliminary final appearance would probably be deemed a failure by the Grasshoppers while the Tigers are expected to improve under new coach Damien Wust.

And finally, we have left the best to last.

Nagambie has won five of the past 10 premierships contested in the KDL, including the last in 2019.

One of those teams that have been prominent in the past four completed seasons has been Avenel under the watchful eye of Kasey Duncan.

On paper, the Swans finish in the top 2.

Anything less and Duncan won't be happy.

The reigning premier appears to have the core group returning and with that said write them off at your peril.

I certainly don't think they will be in the top 2 or 3, but have them not far behind and definitely contending when September arrives.

### MY TIPS:

Violet Town, Stanhope, Murchison-Toolamba, Avenel, Shepparton East, Undera and Lancaster.

Hello Swans fans! And welcome to the 2022 season, it's going to be a big one with blue skies in front of us and the hope of a completed season.

On the football front we see Kasey Duncan once again in charge of the seniors, Daniel Clarke has stepped up as his assistant and Joey Pollock the reserves coach. Both of these guys have been very busy over the off season putting a competitive list together which we are hoping see's us once again up the pointy end of the ladder again in 2022.

The additions of Tim Karolidis, Mitch Tobin, Tim Brook, Nathan Gardiner, Dylan Ryan, Isaiah Trotter and a few others is exciting for our group, as well as the return of our gun leaders Kyle Maynard, Jack Myers and Braydon Avola, the skies the limit for these boys.

We can't wait to get back in front of our swannies faithful and show off some of the hard work that has been put in over the off season. From the up and coming Chayse Thomson to the club stalwarts in Paul 'Subba' Arandt, Cael McCarthy & Nick Goodwin, there will be plenty to cheer and enjoy throughout the season.

Off field club functions are back on the cards which is as exciting as anything, where we can get back together and celebrate our great club as a whole. Get behind us this year, we are on a mission.

Welcome to all Dookie United football/Netball club players, members and supporters, both old and new. Well, after a year that was stop and start due to Covid 19 we are finally back into a new season of netball and football and it will be great to see many new and old faces around the club.

We welcome our new president Chris Trenery and his family to our club.

Firstly we would like to thank all our sponsors who have stood loyal to our club through these difficult times of the past 12 months and welcome many new sponsors on board. Due to the hard work of our sponsorship committee we have been able to build a strong relationship with our sponsors and look forward to working with them and promoting them as the season proceeds. We also welcome many new coaches and players to our club; please make a point of introducing yourselves to them.

### **FOOTBALL**

We welcome Jack Threlfall and Daniel Burness as co-coaches for the senior team. The senior group has quite a few new faces and have been training hard during the pre-season and is ready for round 1. Lenne O'Sullivan and Jackson Wright are bringing a lot of knowledge and experience to coach the Reserves.

### **UNDER 18**

After finishing on top of the ladder, Stephen O'Connor is back coaching with the help of Daniel Ludeman and Connor Michel, who are stepping up after playing in the winning team last year. Matt Cullen is also on hand to assist the U18 team. We welcome a number of new players to the side along with our current list. Numbers at training have been building and hopeful will build as the season starts.

### **UNDER 13**

After a successful U12 competition last year, the age group now is U13. We welcome back Peter O'Donnell and Chris Ludeman as co-coaches of the future footballers of our club. Both Peter and Chris bring a wealth of knowledge and experience with them both being 200 game life members of the club.

### **NETBALL**

With lots of new faces, netball training is full of enthusiasm. We welcome back Maddison Owen who is co-coaching with Georgie O'Connor who bring their wealth of experience as the A/B grade coaches. We welcome Cassie Laffy bringing her talent and enthusiasm to coach C grade. Our junior teams are being coached by Georgia Caruana with her experience as an A grader to our U17, Heidi Henry and Caitlin Walker have joined their skills to coach the U15 and Paula Ludeman and Lisa Comensoli bringing their talents co-coaching U13.

All the best to the KDFNL committee and affiliated clubs for season 2022, let us all work with each other to make 2022 a success both on and off the field and courts.

# GIRGARRE

Welcome everyone to round one of the 2022 season!! There are a lot of expectations and hope that we get a full season including finals this year.

To all from Lancaster, we welcome you to Girgarre for the first clash of the season. We always look forward to a great contest hopefully with the blue and white on top today.

We feel the club is in a great position fielding all grades of netball and football (with the exception of under 13 football).

There has been a lot of excitement during preseason with the appointment of Damian Cupido into the top job in football and reigning League Medalist Holly Butler coaching our A grade team. They have great support within the coaching group.

Saturday finally sees our Centenary celebrations take place, with a lot of time, effort and enthusiasm happening in the lead up to this weekend. This has been two years in the works, so I am sure there will be a lot of sighs of relief happening Sunday/Monday. Thank you to all those who have made the trek to Girgarre and a huge congratulations to the footballers and netballers of past and present who have been named in the Teams of the Century/Ages.

As always a big thank you to our loyal sponsors and in particular to the new businesses who have jumped on board this year.

# PIRES REPORT

## UMPIRES REPORT

The GVFUA Executive are excited to announce Andrew Moore as our new Regional Director of Umpiring (RDU). Andrew is well known to the majority of GVFUA members, having umpired with the GVFUA since 2006. A past president of the GVFUA, Andrew has a wealth of knowledge within the GVFUA and the broader umpiring community.

Along with a wealth of umpiring experience, Andrew brings to the association fantastic administration skills, which he has picked up through his previous roles.

The GVFUA would like to thank previous RDU Sam Wood for his amazing work over his time in the role with AFL Goulburn Murray. We wish Sam all the best with his future endeavours in the VFL umpiring department.

The RDU role will include administration responsibilities for the GVFUA as well as promoting and developing umpiring across the Goulburn Valley Region. This will include, but not limited to, managing the recruitment, NUA program, tribunal co-ordinator and sponsorship. Andrew will be the first point of call for all clubs and leagues who have umpiring questions and concerns.

Umpire retention numbers have taken a hit since last season Covid Interruptions and the GVFUA need your help to make sure that the majority of local football games have appointed umpires in those games. The GVFUA now train Tuesday and Thursdays from 6pm till 7pm at their 3 training bases in Kialla, Kyabram and Seymour. If you are interested in umpiring, whether you've finished playing footy and still want to be involved, or you want a bit of extra pocket money and be paid to keep fit, then umpiring is for you. Get in contact with Andrew for more information.

In 2022 there will again be a Zero Tolerance to Umpire Abuse. Any abuse towards umpires from players or officials, whether it be verbal abuse, disputing an umpire's decision, or demonstrative behaviour towards umpires will result in a free kick, 50m penalty and potentially a report.

To remove any grey area regarding who the abuse may have been directed at. Umpires will be directed to penalise any player who is using abusive or foul language. This will include swearing.

The GVFUA understands that many supporters are passionate about their club and love to support them. They create the atmosphere around the ground that is loved by both players and umpires. However, we believe it is imperative that this behaviour does not become abusive to either umpires or opposition players.

We ask if a supporter is getting a bit too passionate that a club official remind them to support but not abuse.

For any questions regarding umpiring through the year please contact

Well 2020 didn't happen, 2021 we squeezed in 11 games!! So working on this progression that means we should get a full season and finals in..... let's all hope.

We all know how challenging the past two seasons have been and the struggles that many clubs have faced and were facing before Covid. There is no more important time than now that we all think of the greater good not only of our club, but our league and our great games, football & netball.

The Longwood FNC committee has worked tirelessly to ensure our club continues to take strides in the right direction and growing all aspects of our club on and off the field and court.

We are absolutely blessed at Longwood to have some many great supports for our club within it and outside of it.

Our junior growth has been one major success and focus of our club. With our Under 18's qualifying for finals to say we were proud of our first ever finals qualifying team is a massive understatement.

We have also seen that growth with our junior netball as well with the addition of our 11 & Under side and a number of our older junior girls being exposed to senior netball.

Our Junior netball court is nearing completion. We would like to thank Mark Tatong Goodall for the countless hours he has put into this project.

Our club again has been well supported with our loyal sponsors jumping back on board. We would like to welcome back our Major sponsor The Peppermill Inn for coming back on board for the next two season.

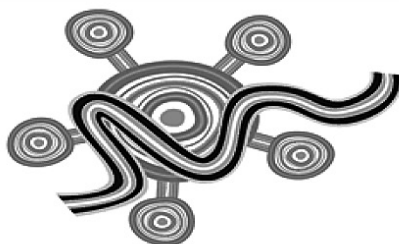

We would also like to welcome Violet Town Quarries as a new scoreboard sponsor to go with Portable buildings by design and the Avenel Pharmacy.

Over at the netball we have Seeka Australia as our major partner, Seymour Toyota as our new junior netball scoreboard sponsor and Murphy motors and Kialla Lawn and Garden.

The Redlegs look forward to a great season on and off the field and court and we thank our coaches, players, committee, sponsor's, locals and supporters for helping us get to this point.

## FOOTBALL & NETBALL

It's very exciting to have the season upon us again. The players, coaches and the rest of the club are looking forward to the first full season (hopefully!) since 2019. We have retained lots of our footballers and netballers from last season but there are also some new and returning faces. Junior football has been a challenge for Merrigum to field good numbers but we remain hopeful that we will get some teams on the park. As we come out of Covid restrictions and interrupted seasons, engagement for many clubs for both juniors and open age will be a struggle but hopefully we can get our clubs thriving and back to their best!

## SOCIAL CALENDAR

Hypnotist night Saturday April 30th at the Merrigum Hall- \$350 for a table of ten, tickets available for purchase on the website [merrigumfnc.com.au](http://merrigumfnc.com.au). At the time of these notes being written, the social calendar is having the final touches added so be sure to keep an eye on our Facebook page for this and our website for events and tickets. We will advertise our upcoming social events here once they're locked in.

## MEMBERSHIP

We have our memberships available for purchase at [merrigumfnc.com.au](http://merrigumfnc.com.au)

We have lots of options to cater for all - Top Dog, Bulldog, Bullpup

and Family. If you're interested in a pensioner membership speak to the club and we will be able to sort something out.

The wider community of Murchison and Toolamba have turned out in plague proportions ahead of the 2022 season. We are continuing to offer the opportunity for the family to participate in their sport on the same place on the same day. The rate of participation shown has been nothing short of extraordinary following two COVID affected seasons, we look forward to seeing you watching our full quota of teams take the field throughout the year. The club is working to realise its vision as being the community meeting place of a population that extends beyond Murchison and Toolamba and outward towards Nagambie, Rushworth, Tatura, Mooroopna, Shepparton, Kialla and Arcadia. We want you to feel welcome at the club and to connect with your neighbours while watching locals play sport.

The netball courts continue to be a hive of activity through our trials and into preseason. Our selectors had a tough job in narrowing down the teams into their lists. We do thank those who trialled this season. Our senior coaches; Sharne Milne, Carly Tuhau and Misti Gow will oversee our A, B and C Grades. Following the trials, the team spent an amazing weekend at Torquay exercising and team building. The junior netballers have also commenced their training, we welcome Leah Manson as 17 & Under coach and Liv Kerrins with the 15 & Under team. Stacey Hodgkisson and Chloe Murray continue with the 13 & Under team, Jordan Merriman continues with the 11 & Unders and has Karen Bathman joining her.

Participation numbers on the football field are also strong. Coaches Nick Iorianni and David Murray have the Seniors and Reserves primed for another strong season. The group has been putting in the work over the pre-season. Our existing core of players have our junior coaches, Peter Miller and Craig Thompson are once again leading the Under 18s and Under 13s. The Thirds have been very consistent at training and are set for a strong season. The Fourths are now Under 13s and are also looking fantastic for their second season. This year we are also looking to add an Under 9 game at each home game, starting next week on Saturday 9th April when we host Stanhope

**Next week after the Stanhope game, we will be holding our \$2000 Draw, a great first function on the year!**

## Supporting the lifeblood of regional communities

WorkSafe is excited to once again partner with AFL Vic Country for 2021.

It's an ongoing privilege to be a part of country football and netball because these sports play such an important role in every regional community. They bring together families, friends, neighbours and mates to yell, cheer and compete in friendly – and sometimes not so friendly – competition.

It is an important partnership for WorkSafe because it gives us the opportunity to spread the message about workplace safety to an incredible mix of people from all walks of life.

The people you see here today are players, spectators, umpires, club officials and volunteers. But they are also farmers, tradesmen, businesspeople, shop assistants and workers from a hundred different industries who deserve to get home safe at the end of the day.

WorkSafe works hard with local clubs and leagues every year to promote workplace safety and the support and hospitality we receive from local communities is remarkable.

At our Games of the Month, we invite some of the biggest names in football and netball to come along to meet the locals, share their sporting stories and enjoy the big-day atmosphere.

Our Club Safety Fund, which offers financial support to clubs who have initiatives to make their players and supporters safer, will again be available this year.

But workplace safety is not just an issue for WorkSafe. We cannot do it alone. Every employer and employee must take responsibility for keeping safe at work. Everyone, every workplace.

And every family member who says goodbye to their mum or dad, their son or daughter, or their brother or sister as they leave for work each morning, can do their part by reminding them of the need to take care.

We ask all regional Victorians to stop and think about what is ultimately important to them. What can they do to prevent the death or injury of a loved one at work?

Through our involvement in country football and netball, we will continue to spread the message that no one should be injured at work.

Workplace safety is everyone's responsibility and we must work together to ensure a safer Victoria for all.

Our Tiger Netballers are well and truly ready to step back on court and chase success in Season 2022.

We have had a good preseason with a few practice matches to test ourselves before we take on the teams this season. We take on Murch-Toolamba for Round 1 and look forward to good matches at Ironbark Stadium.

We would also like to introduce our netball coaches for this season. We have many co-coaches this season which is a great opportunity for our players to be led by some fantastic and dedicated people.

## FOOTBALL

Welcome back to 2022

We welcome new senior coach Damian Wust to tigerland and reserves coach Tommy Stevens. There has been a lot of hard work going on in the preseason and we hope for a successful year on the ground.

Our committee is headed by new President Mark Bartlett, Secretary Peta Williams and Treasurer Vicky Arnel.

We hope to see a lot of old and new faces around the club this year.

Our first function will be the iPod shuffle after our home game against Murchison Toolamba.

The social committee are organising our social calendar with all players expected to attend our major functions.

With the stop start nature of season 2021 and then the early finish without finals being able to take place, Shepparton East Football Netball Club are looking forward to season 2022 with a lot more confidence. Season 2022 is looking very bright and exciting both on the football field and the netball court at Central Park. We have had strong pre-season with great numbers at training for both football and netball.

At the end of the 2021 season the Shepparton East Football Netball Club was very excited to appoint a new senior football coach in Robert Osborne, a past premiership player of the club. Rob has undertaken a thorough recruitment process to help us get back to the top of the ladder, where he has been pivotal in recruiting some new players to the club, whilst also welcoming back past premiership stars.

The Reserves this season will be coached by Jae Watt, a long time servant of the club. Jae takes on this role for the first time and with his large amount of football experience he will be a great asset in leading the seconds and we wish him all the best.

Our under 12's have moved forward to under 13's where we will be looking to build on the good numbers we had last year. This year they will be under the tutelage of James Oster, who has returned to the Club and is keen to influence and lead our juniors in their development.

Our club will also be running Auskick again this year during the second school term. This will allow kids between the ages of 5-12 the opportunity to learn new skills in a safe and positive environment, with the hope that they continue onto our Fourths.

The football landscape has changed a lot over the last 2 COVID affected seasons and clubs have had to evolve very quickly to keep up with the fast changing climate. Player numbers are low all over the state and clubs have to be increasingly proactive to attract them. To this point, it was extremely disappointing that SEFNC had to make the decision that we will not be able to field a Thirds team in 2022. We thank co-coaches Adam Johnson and James Oster for all their efforts that were made to recruit at this age group, unfortunately the player numbers were just not available.

On the netball courts, Meagan Keady has taken on the role of netball president and we wish her all the best. Erynn Hueston will again coach the A/B squad. We will also be fielding the full allotment of netball teams, which is a great reflection of the strength of the netball club and their work to build player numbers, especially through the Covid interrupted seasons. The netball pre-season has seen very healthy numbers with new and returning players and the girls are all ready and raring to go for Round 1.

Importantly, Shepparton East is once again thankful and fortunate to be supported by the incredible generosity of our sponsors. We thank them all for getting on board with the club for 2022.

In Season 2022, we hope that our club is able to continue to provide sport and social activities for all our members, footballers, netballers and their partners and families. Our passion is to continue the legacy of being a strong and successful sporting club in spite of the disruption to the past 2 seasons.

## WELCOME BACK!

A huge welcome to all our new families, players and supporters who have joined the club this Season we're sure you'll love your time at the club! Welcome back to the familiar faces that have called Stanhope home previously. We are extremely excited to get going again with footy and netball, we certainly understand what we have missed over these last couple of years – fingers crossed it's a normal season this time around!

Massive shoutout to the 2022 Coaches for putting your hand up to help continue pushing our club forward and guide the Lions this season.

The Committee and broader club cannot thank our loyal sponsors enough for your continued support. The last couple of years have indeed been difficult for both businesses and community clubs, together we can continue to provide a place that people in our community love to be a part of.

Always remember, you are all now part of our proud history, but more importantly, you are part of our exciting future.

## SOCIAL SCENE

TONIGHT – Ferret Races – Always a fun family night  
Next Week – Tea @ Vic Hotel  
April 23rd – ANNUAL BALL – The night of nights!

Welcome to season 2022 – we come back with unfinished business!

Congratulations to all our teams, with special mention to A, B, C as Minor Premiers for finishing atop their respective ladders. Well done also to 17/U, 15/U and 13/U who finished in 2nd place on their respective ladders.

Our vote count was held online to finalise season 2021, with some nail biting results and some recognition for major contributors to the club. Congratulations to Georgie & Trent Sidebottom for being awarded the President's Award for their contribution to both football and netball supporting Leanne Good. Massive Congratulations and thanks to Club Person of the Year Gareth Florence, the amount of work you for our club is incredible and we are so thankful for your support! Thank you to everyone for their continue support especially over the past two seasons during these tough times. Football and Netball clubs are the life of some communities and people and it such a great avenue that we can share.

We now move onto 2022 and the year that will be. We welcome new and old faces to the club, and we look forward to having you follow the year ahead. Thanks to the coaches who have put in the hard yards during preseason, and finally to the committee with who some have worked tirelessly over the break to ensure we are doing all the right things possible moving ahead in what where some very uncertain times. We look forward to those first whistles of the day and bring on a successful year both on and off the field/court.

Good Luck to all for the year ahead – make sure to get back to the Aussie tonight following our match against Undera. Next weekend is massive for the club, first home game, we welcome our sponsors as well as Sunday is our \$5K draw – tickets are still available make sure to contact Bree!

Welcome old and new faces back to the Football and Netball. A lot of hard work has gone in by all clubs over the last couple of years for not a lot of results on field/court, however off field/court we haven't stopped.

For Undera we welcome many new faces and new teams in 2022 and are proud to say that we will be fielding all 4 Football sides and all 7 Netball sides for the first time in several years.

Our first Under 13 mixed Football Lions Cubs side will be led by Bob Boyer and Georgia Steele, they are doing a great job and in great hands.

Our Under 18s are once again being led by Simon Delahenty and have had a big preseason with lots of numbers, keep up the great work Simmo and boys!

Our Reserves this year will be led by Danny "The Phantom" Hatton, it's a tough gig at any level with the Reserves, but we always roll out a side and this year will be no different.

Our Seniors this year will be led by Mitch Dickason, who has a young group up and about and looking forward to the year ahead. He is Assisted by Matt Burridge and Marc Pengilly with Mick Kyle taking on the role of Coaching Director.

Over at the Netball we have appointed Sarah Press as our A Grade Coach, with a lot of changes to the A Grade line up. We look forward to seeing what the girls can achieve this year.

Tracy Hardie will be at the helm of both our B and C Grade sides this year, with ample numbers in both sides there are a lot of opportunities for both teams.

17 & Under will be led by Simone Cordy and Assisted by Herta Tisher, a lot of these girls have been at our club for a couple of years now and each year they get better and better.

Mikaela Thomas is taking lead of the 15 & Under side this year, we have a few returning faces, and a couple of new faces as well. Well done to the couple of girls who have stepped up from the 13s level to give us enough numbers to field the side.

13 & Under will be coached by Mel Campbell, (nice to see the better half out at the club!!) all of the girls in the team are pretty much new players to the club so its great to have you all on board!

Lastly, but certainly by no means least, we have Nicole Turvey coaching the 11 & Under side, Assisted by Baylee West. A lot of these kids have been around the club since they were babies so it's nice to see them be able to play in the same uniform as their parents!

Things are going well across the club as a whole, with a lot of upgrades happening around the ground, so thanks to everyone involved in those projects. Everyone is working as one and 100% behind the Committee, Coaches, Players Supporters all under the leadership of our newly appointed President, Steven McDonald. We are looking forward to a successful season!

Today we will have a short presentation prior to the Seniors Match, we are naming our new Scoreboard after a Undera Local Legend. A few milestones this week as well, Congratulations go out to Corey Turvey who is playing his 250th Club Game, Nathan Frizzell who is playing his 150th Senior Game, Bernie Howley who plays his 50th Club Game.

Our first Function for the year is tonight back at the Rooms – Ice Breaker/Cocktail Night. Entry is \$10 and finger food and music will be provided, drinks at Bar Prices hope to see you all there!
