PRESIDENT'S MESSAGE

Welcome back following our General Bye for Easter. I hope everyone had a wonderful break and that we are ready to roll into Round 3 of The Apprenticeship Factory KDL Season 2022.

Over the next couple of weeks, we will see the first of our makeup games across our Junior Grades in both Football and Netball, these games have been scheduled by the KDL Executive to ensure every team in those Grades play the same number of matches each. The clubs by mutual agreement can request the KDL to move these fixtures. So please ensure you are aware if you need to play in any make up games.

For those who might not have listened to our The Apprenticeship Factory KDL Preview Show hosted by Jason Welsh and Sam Saracino on 98.5 One FM. This show is great listening and has given listeners fantastic insight into what is happening across our league as we continue through the current season. These shows are available through links provided on our Facebook each week after the show for those who missed out.

This weekend will produce some absolute rippers of matches in both football and netball including a couple of cracker matches on Sunday as we remember and celebrate what ANZAC day means to all of us across the KDL on Monday:

UNDER THE RING

KDL Publicity Office

VIOLET TOWN V AVENEL

Violet Town will out to bounce back to the winners' circle when it welcomes Avenel to its courts today.

While the Swans will be looking to break its duck after back-to-back losses to start 2022.

Renae McKeown and Niki Lord will be looking to continue their good form from last round while Violet Town will look to Britt Button and Jo Wild to lead from the front

This should be a really tight contest and the team that can get off to the best start is likely to be in front at the final whistle.

Tip: Violet Town.

DOOKIE UNITED V MERRIGUM

Merrigum will be desperate to turnaround its slow start to the season which has led to consecutive losses. Dookie will be out to make it two wins on the trot after it accounted for Avenel on the road before the Easter break.

The Thunder will look to Abby Klein and Mon Kelly in goals to put the scoreboard pressure on the visitors while Georgia Caruana will be in charge of marshalling the defence to ensure they can keep the likes of Brenna Baker and Shanae Doherty at bay.

This will be a really tight contest and I think the home team can get the win.

Tip: Dookie United.

RUSHWORTH V STANHOPE

This should be a really tight contest between two teams that are 1-1 after the opening two weeks of the season. Both won on the opening day and then suffered defeats before the break.

The Tigers have been involved in two tight contests, going down by four goals last weekend while Stanhope was defeated by 18 goals last weekend.

This game will come down to who makes the most of their opportunities with ball in hand and I think it will be the home team in front at the final whistle.

Tip: Rushworth

GIRGARRE V LONGWOOD

Longwood will not fear making the trip to Girgarre today. The Kangaroos are winless this season and it appears that they have come back to the field after a stellar 2021. That said the playing roster has changed significantly and new coach Holly Nelson will be looking to small wins along the journey in 2022.

This is a game it could win if everything clicks but quite easily lose if the visitors are allowed to control the tempo of the contest.

The visitors had a fantastic win last round led by Alex Hendren and Stevie Dickman.

If that duo can inspire again then anything is possible. I am going with an upset and going for the visitors. **Tip:** Longwood.

LANCASTER V TALLYGAROOPNA

Lancaster will get its first real test when it comes up against one of the premiership favourites in Tallygaroopna.

The young Wombats outfit have done a brilliant job to claim the scalps of Girgarre and Rushworth.

This match-up will be much tougher, coming up against the well-drilled and experienced Redlegs' that is playing really well.

Tip: Tallygaroopna

UNDERA V SHEPPARTON EAST

This is a battle between top and bottom. The goal will be simple for Undera today. To be competitive, but it may find it difficu

To be competitive, but it may find it difficult against an emerging Eagles outfit that is making a statement to the rest of the challengers. Erynn Hueston has her team playing some strong netball and one of the standouts in the opening two weeks has been youngster Mia Jeffrey. The Eagles will win and win well.

Tip: Shepparton East.

MURCHISON-TOOLAMBA v NAGAMBIE

This will be an intriguing match-up.

The two have been involved in some good matches over the past few years and this should be no different. Sharne Milne would have been delighted to see her team get a strong win over Stanhope last weekend, but she knows this will be a tough game today.

The Lakers are full of talent and experience.

They will make it hard for the home team.

I think the experience of Nagambie will be the difference at the final whistle.

Tip: Nagambie.

BEFORE THE BOUNCE

KDL Publicity Officer

VIOLET TOWN V AVENEL

Violet Town will be hoping the break has given them the opportunity to refresh and prepare for another big challenge today. The Towners were out-played by the Eagles before the Easter break and coach Sean Horsburgh knows that only a four-quarter effort will be enough for them. Anything less and the likes of Kyle Maynard, gun on-baller Mitch Tobin, Micheal Mckenzie, defender, Daniel Clarke, Chayse Thomson, Thomas Tobin and key forward Tim Brook will control the tempo of the contest. Lachlan Baldwin, James Herring, Nathan Abley, Jack Exell, Riley Dowell, Alex Overs and Josh Mellington will be doing their best to try and ensure the home team returns to the winners' circle. For mine, Avenel has the right balance and better depth to ensure it remains undefeated.

DOOKIE UNITED V MERRIGUM

Tip: Avenel.

Merrigum will be out to continue its splendid start to the 2022 season when it travels to Dookie today. While the Thunder will be looking to avoid a 0-3 start to the season. Merrigum coach Steve "Box" Lawlor has his chargers playing a brand of football that is sustainable and good enough to beat anyone on their day. Jarrad Newman, Jye Limosani, Joshua Kezerle, Andrew O'Connor, Mason Irvine and Paddy McMullen will be doing their best to try and put a winning score on the board, while the likes of Jake Ross, Darcy Collins, Jack Sinclair, Rhys Shannon, Ryan Martin and Jacob Chessells will be leading the way for the visitors to ensure they don't drop the ball.

Tip: Merrigum.

RUSHWORTH V STANHOPE

Stanhope will be looking to get on the board for season 2022 when it travels down the road to take on arch rival Rushworth. The Tigers are winless in 2022 also and will face a difficult challenge against the visitors.

Alex O'Reilly, Stuart Trevena, Ryan Semmel, Josh Dickerson, Craig Emmett and Joshua Harris will be trying to lead from the front as the Lions look to break their duck while Joshua Newton, coach Damian Wust, Thomas Stevens, Matt Gilmore and Kyal Zass will be doing their best to ensure the home team matches the intensity of the visitors.

Tip: Stanhope.

GIRGARRE V LONGWOOD

Girgarre will be looking to make the most of an early season favourable draw when it welcomes Longwood today. Coach Damian Cupido knows the importance of early wins and at the same time playing a style of football that will hold them in good stead when they come up against some of the heavy hitters of the league. Caleb Ilbury, Benjamin Grayham, Joshua Cumberland, Kyle Withers and Matthew Ranger were the key contributors for Longwood in their loss to Undera before the Easter break. They will be again crucial in trying to negate the influence of Ashley Hughes, Rex Taylor, Jarrod Kellock, Ryan Butler

(five goals), Talbot Varcoe and Cupido (seven goals). In the end, Girgarre will have too much firepower for Longwood and ensure it chalks up its second win of the season. **Tip:** Girgarre.

LANCASTER V TALLYGAROOPNA

Lancaster will be out to make it three wins on the bounce when it hosts Tallygaroopna.

After a first-up grind against Girgarre, last year's minor premier made light work of Rushworth in round two. While, Tallygaroopna was beaten by Girgarre despite a competitive effort early on in that game.

Angus Harrington, Anthony Balchan, Adam Brophy, Thomas Macgill, Wade Bonham and Zac Brett will be doing their best for the visitors while Timothy Strapp (10 goals in round two) could be too hot to handle for the Redlegs, especially if the likes of Luke Davies, Charlie Mclay, Sam Spedding, Bradley Orr, Jack Donnell and Tom Davies ensure the supply to the key forward.

Tip: Lancaster

UNDERA V SHEPPARTON EAST

Shepparton East has made a solid start to the 2022 season with two good wins against Dookie and Violet Town.

Both teams that are expected to be competing for positions in the bottom half of the eight while many pundits are tipping big things for the Eagles if it can get its best team on the park for large chunks of the season. Thomas Campbell and Dwain Vidler were outstanding in the win keeping Jack Exell and Josh Mellington under control while ruckman Thomas McCluskey, Adam Fichera, Adem Barolli and Shannon Campbell were outstanding in the win.

Undera got its first win of the season last start when it defeated Longwood. For it to be any chance today, it will need its experienced players to lead the way, but in the wash-up it will be the Eagles who win to stay undefeated.

Tip: Shepparton East.

MURCHISON-TOOLAMBA V NAGAMBIE

Can you believe that Nagambie is starring down the barrel of a 0-3 start to the season?

I can't remember in my time as the publicity officer of the powerhouse club starting a new season 0-3.

On form, the reigning premier will go in as underdogs after the Grasshoppers brilliant win against Stanhope.

Jayden Hexter, Aidan Lloyd, Adam Macgibbon, Timothy Miles, Luke Cecchin and James Milne will be key cogs in trying to inflict more pain on the Lakers while Blake Fothergill, Mark Nolan, Nathan Fothergill, Tyrone Muir, David Comi and Mark Wilson will be desperate to guide their team to their first win of 2022. I see the Lakers making it difficult for the Grasshoppers but in the end, I think the home team will get the chocolates.

Tip: Murchison-Toolamba.

AVENEL

President: Brett McDonald Secretary: Donna McDonald Email: secretary@avenelfnc.com.au

UNDER 13S

Our first game of the season, we didn't let our nerves get the better of us. We started off strong with Natasha Harding and Willow Harper in goals, giving us a 6 point lead in the first quarter. Our mid-courters and defenders played an amazing game, showing Dookie the strength we have throughout the whole court. Our final score was Avenel 20 defeating Dookie 12. Our best on was Natasha Harding, shooting 9 goals throughout the game and Lilybeth Boote after playing in 15s and Under, she continued as a strong defender in our match.

UNDER 15S

The under 15's had a great game today and came away with a win with everyone putting in all great team effort. The work in defence and in the goals was great to watch no matter where the kids played they all worked well together. Awards Layla Clarke & Ben Morgan.

UNDER 17S

Avenel took to the court with so much energy and fierce and wanted to play! Avenel started really strong through the mid court right through to attack, our defence were reading all the ball movements and picked up intercepts to keep dookie to only scoring 2 goals in the first quarter. Charlotte Cotter, Naveed Bennet and Taylah Walker worked well in defence sticking to the players.

Lily and young gun Addison Thornberry who came up from under 15s showed nothing but determination to put the goals up.

All round it was a perfect performance from the whole team and we look forward to the next round

Best on - Charlotte Cotter Second on - Naveed Bennett

C GRADE

This week we had 3 mid court players missing from our team which showed throughout our set plays. We were able to have Naveed Bennett & Charlotte Cotter from U17's who were massive game changers. Girls within the team were put into positions that aren't usually there set position and dominated the court and did everything I asked of them as a team. Going into the last quarter we were down by 1 goal. Unfortunately Dookie were able to hold their ground in the rain and take home a 9 point win over us. The girls should all be very proud of their efforts and take out all the positives of this

weeks game. Best on went to Naveed Bennett & Kelly Crossing.

B GRADE

Wow, what a game!! Such a even competitive game from both teams. The game was neck and neck for the first 3 quarters. Only a couple of goals separated the teams for the whole match. It was a wet, slippery game and each goal was reward for effort. Our defenders once again stood strong. Taking great intercepts and reading the play coming down the court. Our mid court players were able to steady the ball and deliver the ball to our shooters who withstood the pressure and were able to convert. With a strong final quarter and full team effort, we were able to come out on top with a 35 to 30 win. Best players were Ruby Joynson and Alisha Franklin

A GRADE

Another challenging game for A grade against a solid Dookie UTD team. A slow start meant we were chasing for the rest of the game. We managed to reduce Dookie's lead from 15 to 9 in the 3rd quarter, but Dookie were too strong and overran us in the last quarter.

A much better team performance this week, with some great signs of improvement.

Best on: Renae McKeown & Nik Lord

SENIORS

We welcomed an improved Dookie side to Avenel for our first home game of the season and our boys didn't disappoint coming away 64 point winners. With some wind and rain around early it was our pressure and intensity around the ball that saw us dominate the contest and scoring in the first half. Our back 6 held Dookie goalless in that half lead by Clarkey, Wattsy and Max Lawrence.

Skipper Kyle Maynard (2 goals) was a standout all day collecting the footy at will and controlling stoppages. Debutant Mitch Tobin showed why his inclusion to the side had been hyped up, a strong contested beast who loves the contest. His brother Tommy also had his best game for the club in the ruck and up forward. Tim Brook bagged 4 goals, Jake Sutherland and Micheal McKenzie chipped in with 3 a piece. A great team effort from the boys sees us start the year 2-0 heading into the Easter break where we will freshen up, spend time with family and friends, then get ready for VT.

President: Chris Trenery Secretary: Carmel Sorraghan Email: dookieunited@gmail.com

U13 Netball

It was terrific to welcome Miley and Bonny to our U13 team. Although we went down to Avenel we finished the game strongly. Dookie Shop awards went to Angus and Miley both for their great attitudes and determination.

U15

Despite the efforts from the whole team, Avenel's defensive pressure was just too much for our team. Although working very well together and achieving small goals has really impressed us. Dookie shop awards go to Elle and Maddy.

U17

A big step up from last week. There were a lot of good things to come out of the game but we still have a lot to work on.

The Dookie Shop awards went to Brianna and Arcadia

C GRADE

Wow, what a game. Amazing defensive pressure down court matched by great attacking movement. Hannah Trenery stood strong under the post to win the Milkbar best on court award and Caitlin Walker also won a Milkbar award for her great work in WD.

B GRADE

A strong consistent game by the girls. Adjusted well to the conditions and had great ball flow .Shout out to the goalers for remaining level headed after pressure all day. Tallis Wines awards went to Sophie Smith and Tyrell Gilligan.

A GRADE

A fantastic game by the girls who put a lot of pressure on from the first whistle. Wet conditions made for a short, sharp game that allowed our girrls to come out on top. Bluebell Bathhouse awards went to Mon Kelly and Gige Caruana

U18 Football

The boys had their first game of the season against a very strong Nagambie. At half time the game was in the balance but a dominant display from Dookie's back line rebounded numerous forward attacks from Nagambie to our advantage. The Fab Five in the backline did some excellent work which allowed the Mids and Forwards to do a great job and led to a good first win. A fantastic effort and great teamwork from all the boys

Xavier "the Interceptor" Scott was everywhere and was clear BOG. Josh Ludeman was like an ant at the picnic and collected every crumb and Cam Exton stood tall. Other best players were Lachy Ludeman and Blake Wilson.

RESERVES

A tough day at the office for our reserves team against a well drilled Avenel outfit. The boys effort and intensity was there for the majority of the game, but we were beaten by a better team on the day. Special mention to Redda O'Keeffe for haveing a great game. The week off over the Easter weekend will be a good chance to have a break and regroup Highlight of the day was the massive torpedo by Cam Hall that went at least 60m in the wet.. Rumour has it that he has been getting kicking lessons off "Cheers - the Mallee Bull" Kennedy on Wednesday Nights. Best on ground Peter O'Keeffe, Billy Bagley, Andersen. Daniel Bailey Burness, Andrew Papadatos, Brett Findlay.

SENIORS

Round Two saw Dookie come up against Avenel at Avenel Recreation Reserve.

The first half saw a Avenel moving the football well and able to get on top to capitalise on forward 50 entries. Dookie was unable to get the reward for effort and went in to the main break goalless.

Dookie came out after the break and were able to use the footy more efficiently and started to hit the scoreboard.

Despite the hard work, basic skill errors saw the Thunder being their own worst enemy and although having plenty of the footy were unable to bridge the gap from the half time deficit.

Jarrod Newman was terrific down back with his agility in the air and on the ground a highlight of the game, Jai Limosani was also a very solid contributor in the backline with his one on one contests terrific to watch and Josh Kezerle continuing his strong start to the year on ball with his use of the footy a real positive.

GIRGARRE

Girgarre Football Netball Club travelled to Tallygaroopna last Saturday. Although our only winners on the day were the Senior footballers, we took a lot away from the day and look forward to taking on Longwood at home, hoping to reset and come away on too!

U11

Score doesn't reflect the effort. Good defence Lacey and Jedda in their first games ever, held their own you would not have been able to pick it. Daisy and Zara our goal scorers. Great team effort by all! Best on Court - Holly O'Neill Incentive - Heath Munro

U13

Played good as a team. Ended up using names and finding more space towards the end. Thankyou under 11's for stepping up.

Best on Court - Sophie McDonald Incentive - Daisy Woodcock

U15

Both teams played well with the scores not reflecting how good we played.

Best on Court - Mikayla Kuiper Incentive - Mackenzie Parsons

1117

For our first game we did very good for playing together but we need to work on our tightness and passes. Special mention to Stephanie Kuiper who played hard and consistently all game! Best on Court - Jasmine Westley Incentive - Mikayla Kuiper

C GRADE

The C grade girls had a strong start but couldn't convert the many turnovers into goals, going down 30 goals in the end.

Best on Court -Kaylee Turner Incentive - Emma Schache

B Grade

Great fight, Gig had second quarter, Tally put up a good fight and took it away.

Best on Court - Elise Jones
Incentive - Rehutai Collyer

A Grade

We knew we were up for a challenge coming up against Tally who have been the team to beat for many years. Their experienced outfit were far too strong for Girgarre and we were outplayed on Saturday. Their defensive pressure caused many turn overs down the whole court and we unfortunately struggled to keep up.

Best on Court - Kylie Waddington Incentive - Sarah Thorpe

With no thirds action this week it was up to our Reserves and Seniors to fly the flag for Girgarre.

With a number of players unavailable, our reserves headed into their fixture a little light handed and while they battled hard all day, they were unable to make an impact on the scoreboard.

Tallygaroopna 6.11.47 to Girgarre 0.2.2.

In the seniors however it was the complete opposite, with our forward unit having almost unlimited possession of the football. With 26 majors it was the tall/small combination of Cupido and Butler causing absolute headaches for the opposition defenders and combining for 12 goals. Our resident Benjamin Button, Scobes, continued to show brilliant form with 4 of his own. It was also pleasing to see our speedster duo of Talbot Varcoe and Rexy Taylor use their wheels and dominate the middle, supported strongly by Jarrod Kellock who like usual, was in splendid form.

We'll now turn our attention to Longwood whose faithful will no doubt come out in force today. This is a great opportunity for our groups to gel together even further, and for our thirds to get a second game for the season under their belts. As always folks, enjoy the football and keep supporting community sport!

Thanks to all who turned up after last round to the Ky West Hotel to support our sponsor! Reminder we are hosting our Casino night tonight at the clubrooms.

President: Stephen Elliott Secretary: Nicole Elliott Email: knickerselliott@gmail.com

Our first home game for the season went off without any problems, with all our sides coming away with wins on the day! Hope everyone enjoyed a weekend off and are ready to take on Tally at our home round today.

UNDER 13'S

Well done to our little superstars who won their first game in over 2 years! The team fought hard all day to come away 1 goal winners! Coach Shona was proud of al her team and awarded best on the ay to Charli Brennan, Sienna Brennan & Rylie Harding.

C GRADE

Jo had the C grade girls fired up and they lead at every break to win by 25 goals, Ali Backway channelled her mum to come away with best on for the day running hard in the mid court, she was backed up well by Makenzie Atkins & Sharmayne John.

B GRADE

Our B grade girls continued their strong start to the season with a 63-28 goal win, the girls zipped around court with Ash Scapin getting on the end of the good ball movement to be named best on, Tailah Rennie & Jess Laffy were also strong performers.

A GRADE

The main game on the netball court was a tough contest with the girls fighting their way to 4 goal winners, Bec Squires dominated the defensive half in a great performance. Kelsey O'Neill worked hard in the ring and Millie Hill put in a strong performance.

RESERVES

What a day for our Lads with a 131 point win! All eyes were on one man in particular and didn't he put on a show for us, 300 games is a special occasion, 7 goals just tops it off Rik. He was well supported on the day by Noah Sewell, Shan Fleming, Stevie Phillips, Rob Salter & Bones Phyland.

Seniors

The boys got off to a slow start with Rushworth kicking the first 2 goals off the day, once the boys got to work it was one way traffic coming away 29 goal winners, Tim 'lloydy' Strapp was the shining light finishing with 10 goals, Luke Davies was superb across half back taking mark after mark. Hard nuts Charlie Mclay and Brad Orr worked relentlessly all day feeding the ball out to quality ball users in Jack Donnell and Sam 'spin cycle' Spedding.

Once again, I would like to congratulate Rikki Busch on 300 games, you are a quality player and bloke, Wallace is envious of you.

President: Rick Shiner Secretary: Serena Blackwehl Email: Ricki.longwoodfnc@hotmail.com

There was a great buzz around Redlegs Stadium as Longwood hosted its first home game of the season. The Redlegs hosted Undera and it was noticeable that both clubs, despite their respective positions on the Kyabram District Football League ladders, were very well supported with a big crowd filing in across the day. Longwood was able to overcome some last minute adversity in unveiling its brand new second netball court. The court was due to be painted on Friday, with inclement weather wreaking havoc.

As is often the case with the Leggers, people stepped up to ensure the smooth unveiling and some temporary lines were marked for the day.

The new court has been made possible through the hard work of a lot of people, particularly great investment of time and resources from Mark Goodall of Done Shovelling and president Ricki Shiner.

It aptly marked a theme for the day of people putting in and helping out, with the Leggers having many volunteers play their role across the day to ensure it was a successful day off-the-field as well as on it.

The Leggers had four teams that saluted, with the A Grade netball team getting the four points along with the under-13s, under-18s and reserves.

The A Graders victory was set-up by a competitive first quarter, where training set pieces were put into play to great effect.

The Leggers' goalers got on top after that and a considerable margin was in place through the second and third quarters.

Tireless defence created many opportunities through intercepts, and the midcourters commanded the ball. The coaches stated following the game that the Leggers' ability to find team rhythm was the overall highlight of the day, highlighting a potential that can be realised when the team works together on court. Best-on-court went to the team's firecracker Alex Hendren, who put in a fiercely determined display in wing attack, while the Coach's Award went to star goal shooter Stevie Dickmann for her consistency and dependability.

The Redlegs' reserves claimed their first win of the season, on the back of a great display of leadership from captain Beauden Webber and a five-goal performance from Aiden Oeser. Tyler Speedy was best-on-ground, dominating from the wing, while Justin Purdey was on the bottom of every pack. Veteran Robert Welsh and Matthew Clayton were other key contributors.

The under-18s and under-13s footballers also claimed impressive victories, highlighted by great team

performances.

1

n the senior football game, signs were positive pre-game with the Leggers heading out to battle with a positive mindset.

The game started a real arm wrestle, before some undisciplined play proved costly as Undera claimed the ascendancy.

Longwood fought to the final siren, but were ultimately outmatched.

Better players for the Redlegs were Caleb Ilbury, Joshua Cumberland and Kyle Withers.

In C Grade netball, numbers were depleted due to illness meaning opportunities presented for iunior players to step up.

The senior players appreciated the juniors who doubled up.

Best-on-court was Michelle Groom, who was industrious in defence, while the Coach's Award went to Megan Pellegrino who fed the ball well into the ring.

In the under-17s, there were plenty of positives and lots of opportunities identified to improve.

Best-on-court was Cassie Rawlings, who ran out all four quarters in the centre, and the Coach's Award went to Kady Frances, who was a calm presence across the four quarters.

In the under-15s, the game started perfectly for the Leggers establishing an early lead.

They could not sustain it as the Lions claimed the ascendancy.

Larni Shiner was best-on-court, running her heart out all game and continually encouraging her teammates, while the Coach's Award went to Peta Webster, who demonstrated versatility in moving into a new position.

In the under-13s, there were more good signs particularly with increases in player numbers.

Zoe Marshall was best-on-court, providing great voice and a great team-first attitude in supporting her teammates.

Riley Laidlaw received the Coach's Award, playing her role for the team and demonstrating a capacity to move into a different position effectively.

The Redlegs regroup now, enjoy an Easter break, and look forward to resuming against Girgarre.

Up the Leggers!

President: Craig Thompson Secretary: Amee McCoy Email: murchisontoolambafnc@gmail.com

Our first home game for the year was massive. Hosting Stanhope is always a huge fixture on our calendar and once again the faithful streamed through the gate. The crowd was huge with a finals type atmosphere putting pressure on our canteen and bar staff throughout the day. It was great to be back at the Murchison Recreation Reserve once again.

The day started with a junior football double header! Our Under 9 group played a six-a-side fixture in the southern 50m arc. A huge thanks to Chris Pearson and Peter Davies for taking charge of this group. While the hour of play was a little long for some, a great time was had by all. Come along to home games at 9am to be included in our future Under 9 fixtures. Jimmy Turnbull had a day out kicking a heap of goals. Our burgeoning Under 13 group joined up with the Stanhope boys to make two evenly matched teams, which resulted in two 14-a-side teams. To be able to give 40 junior players a place to develop their skills was a real highlight. It was evident that last week's foci of spoiling oppositions marks, pushing back off the opponent following a mark or free kick, providing multiple options and kicking goals was starting to take effect. Lincoln Ralph played a fantastic game typified by some long kicking.

The Under 18s came up against a strong Stanhope side who were keen to stamp their authorily on the game. This meant that we were made to work and realised that there's a bit more work to be done. Unfortunately we weren't able to capitalise on the use of the wind in the first quarter as the Lions did in the second. This really took the wind out of our sails. To the boys credit they continued to fight out the contest and now have the opportunity to make some changes. As tough as the loss was to take, we know that we can turn it around. Better players included Harris Parr, Harry Denham, Jai Bailey, Callum Miller, Tony Valentin.

The Reserves took on their bogey side. It's been a few years since we've rolled the Stanhope Twos. This fact made the win a little sweeter for those who've been around for a while. It wasn't looking good at quarter time with the Lions kicking three unanswered goals. This was addressed at the break with the Hoppers then able to restrict the Lions to a single goal while we kicked away. The depth of the club is obvious at the moment with a number of players in the Reserves ready to claim a spot in the Seniors. Andrew Lloyd, Xavier Dwyer and Brodie Sanders showed the Seniors that they're ready to go. Hayden Newton-King and Dylan Foster continued their good form. We welcomed back Mitchell Tricarico for a cameo performance while home from WA.

All eyes were on the Senior game as the heavy weights traded blows through a spectacular game of local football. The first half was a real arm wrestle with our boys jumping out of the blocks in the first ten minutes. The following half an hour belonged to the Lions as we struggled to make an impact. The game stayed in the balance right through the afternoon. Some fantastic team efforts ensured that when the siren sounded that we were in front. We were ably led by midfielders Jayedon Hexter, Aidan Lloyd and Luke Cecchin. Our sublime defenders in Adam Magibbon, Timothy Miles and J ames Milne were fantastic also.

It was a good game by our 11 & Under girls as we won 4-2. The awards went to Zoe Simpson for playing amazing in her first game and Bree McLarty for her shooting skills and working well around the ring.

Unfortunately our 13 & Under girls were defeated by an experienced Stanhope team, 3-15, but this didn't stop us from experimenting with some different player combinations and a changeup in positions.

We have lots of positives to take from this game, especially our defensive pressure and persistence throughout the 4 quarters. Our awards this week went to Tash Puts and Delilah Thomas. Both girls were consistent in their time on the court and showed that they are fierce competitors.

The 15 & Under girls played a great game! But unfortunately we're not able to overcome Stanhope. Always room for improvement which we will able to work on at training. Best on went to Andee Harrison who showed confidence and goaling on the day was excellent! Second best to Lexi Anderson for her defensive efforts.

The 17 & Under girls never gave up and came home with their second win 38-17. This group of girls are starting to play some great netball. Best on court went to Ash Bedwell and 2nd best went to Elleanor Thompson.

Unfortunately our C Grade netballers didn't come away with the win this time, we held the first half of the game. Some simple mistakes allowed Stanhope to add to their score. We have learnt some valued lessons from this game to take into the rest of the season. Again our defensive pressure throughout the whole court was impressive and Stanhope had to work hard for every goal they got. It was a competitive game with Stanhope holding onto the lead to win by 3 points. Our best on went to Kasey Cook, who not only performed well in goals but showed her versatility in heading down the other end of the court into defence. She was well supported by Jade Golightly, her defensive pressure was consistent bringing in some turnovers and offering support and encouraging words to the team members.

Incredible game again by our B Grade girls, they went out with great enthusiasm and intensity from the first whistle and kept their head up the whole game and were rewarded with a great win. Despite a couple of players out, we are lucky enough to have a very versatile, strong group of girls and they all stepped up and did their job! BEST ON - April, Mel G 8 Mel F

After last weeks disappointing loss we were hungry for the win especially against the always great Stanhope A Grade. Our goal was to stick to the basics but ensured our intensity was viable. With great composure, fitness and communication across the whole court we were able to capitalise and maintain our lead for the most of the game and we were able to get the 4 points with an incredible win. BEST ON - Emilv. Darcie & Jade

A huge thank you to David Murray for running a highly successful \$2000 Draw after the Stanhope game, with over 140 tickets sold it was a great way to kick off our social calendar. We must congratulate Mel Fassbender and Peter Milne who decided to share the prize pool. Thanks to Blair Pommeroy and Josh Hodgkisson for attending the BBQ and to Georgia Baker for being a mainstay in the bar. Events like these don't work unless we have legends like you.

Today we take on Nagambie for the Kirwan's Cup. Major sponsor the Railway Hotel will be the venue to be following today's Sunday fixture. We are yet to add our name to this trophy and will be ecstatic if Goldy can etch MTFNC on it this year!

UNDER 15S

The second round started off with a very warm morning. We welcomed back Jessie Perry this week who shot with accuracy with her shooting partner Lily Mitcham. Down the defence end Milly Kelly showed great confidence picking many intercepts off the Merrigum girls. Ashleigh is seeing improvement in the girls netball abilities every time they take to the court and is very excited to see them evolve. The girls gave it their all and didn't drop their heads throughout the match, but Merrigum were just too strong. Final score Nagambie 16-Merrigum 48. Best on court Corner Nook incentive went to a well deserving Matilda Fairbridge being thrown in positions she normally doesn't play and doing an amazing job of them.

UNDER 17S

After a confident first round win, our 17's girls went into round 2 knowing they would be up for a real challenge taking on Merrigum. And what a challenge it certainly was!!! The home team quickly displayed such skill, speed and accuracy and got a very fast jump on us. Despite every player's efforts, some lovely defensive intercepts from both ring defenders Olivia Nash & Katie Perry and plenty of attacking opportunities the girls were unable to match the class of Merrigum. The lead increased from 11 goals in the first quarter to 20 at the main break. To our girls credit they stayed disciplined and worked hard in the heat to be rewarded with a much more even second half of play. It was pleasing to watch the girls match it for goals in the last quarter, which will be one of the main positive's to take from this round's loss. Final score Nagambie 22- Merrigum - 48. Congratulations to Charlotte Mason for her 4 quarter effort in GA being awarded the club incentive courtesy of Fiona Boyer.

C GRADE

Off to a bumpy start our C grade girls managed to finish off the game strong – with a winning last quarter – thanks to everyone's versatility. Final score was 38-28. Giving out

the award was hard this week as we saw some great skills from all of the girls. Best on Botanic House Incentive went to Charlotte Mason – who ran two games in a row to give us a helping hand. A big thanks also to Evie Merrifield for a back to back game as well.

B GRADE

Our first Sunday game for the season against Merrigum. Merrigum jumped out of the blocks in the first quarter 11 to 3 which meant catch up for the rest of the game. We outscored them in the 2nd, even in the 3rd and drew even with 5 minutes to go in the last. Eventually going down by eight goals, the early jump on us in the first proved very costly. With Gabby moving into WA in the second gave us some drive into goals, with Bec and Briodie teaming well in goals. Thank you to Briodie who doubled up from C and played a quarter in defence also, great game. Pleasing to see that never give up attitude has continued from last season. Jess's defensive pressure was outstanding. Award from the Royal Mail went to Gabby Finnigan. Congratulations also to Gabby on her 100th game milestone.

A GRADE

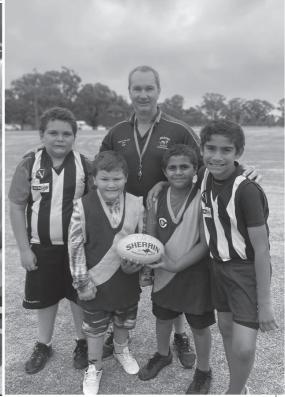

What a special day it was for our A grade team celebrating with a win the 300 game milestone achievement of our captain and club champion Sharni Lloyd. Also congrats to our youngster Ella Barnes on her 50 club games. Our A grade girls had watched Merrigum get off to flying starts in all other matches throughout the day and we were determined not to have the same fate! Credit to a very fast, young & talented Merrigum line up that kept applying good pressure and maintained an impressive standard in the heat for the entire match. Our win was certainly set up in the first half of play going into the main break with a 12 goal advantage. I was particularly pleased with the defensive pressure & combination of experienced player Alicia White with Ella Barnes in the ring and Ebony Peters also had a wonderful entire game at Wd. It was however very fitting that Sharni was awarded the Nagambie Rowing Club incentive. playing an incredibly consistent game with her trademark accuracy. Sharni scored a massive 42 goals of our 49 total. Final score Nagambie 49 -Merrigum - 22.

Hope everyone had a lovely easter break & we look forward to our next challenge taking on Murchison.

Over a decade sponsoring Country Football.

Over 30 years helping keep workplaces safe.

Supporting the lifeblood of regional communities

LET'S LOOK OUT FOR OUR FARMERS

Footy and netball are finally back for 2022 and WorkSafe is proud to continue its decades' long partnership with AFL Vic Country.

Community sport continues to be vital to our health and wellbeing; an opportunity to connect with friends, family and team mates on and off the field or court. The competition and comradery of weekend sport unites us and gives us a sense of community.

And it is this sense of community that makes our partnership with footy and netball so valuable. It is our opportunity work alongside local clubs and leagues to promote workplace safety and appeal to rural and regional Victorians to look after their mates at work.

When our workers are safe, we'll see them on the field, on the court and on the sidelines. Doing what they love, together.

SAFETY ON FARMS

In country areas we know a large part of staying safe at work is staying safe on farms.

Yet tragically, too many workers are being killed or seriously injured on farms every year. In fact, 14% of workplace fatalities are in agriculture, despite farms accounting for just 2% of Victoria's workforce. As a community, we simply must do better. We owe it to those lost and to those left behind.

Farmers know their land, livestock and machinery better than anyone, but that doesn't make them bulletproof.

We know the "it'll be right" attitude that is common in agriculture can have deadly consequences. We also know that experienced farmers are suffering serious incidents, and that if safety is not a priority, experience alone isn't enough to prevent a tragedy from occurring.

Our 'It's never you, until it is' agriculture campaign highlights that deaths and injuries on farms are preventable, not inevitable, and encourages farmers to treat safety improvements like any other improvement in their business. This campaign isn't about us telling farmers and those in the agriculture industry what to do, but reminding them that life changing incidents can and do happen.

You can prevent these incidents s by making safety a priority. And you most certainly can prevent deaths. Our farmers are the lifeblood of our community and we need to support them in every way possible.

SEE YOU AT THE COUNTRY CLUB

Together with our partners at AFL Victoria and Netball Victoria, WorkSafe will host six Country Club games this year throughout the state.

If we are in your area, come and see us, have a cuppa and help us encourage all farmers to rest during long hours on the land. Fatigue isn't just about being tired, it's pushing your body beyond its limits, day after day. It impairs reaction times, concentration, and the ability to think clearly.

That's why taking a safe-tea break is so important

We'll also be calling on all clubs to nominate their favourite farmers to go into the running to win some great prizes for their club and the farmers themselves.

Let's not just kick goals on the field or shoot goals on the court this season - let's work together to change the score in agriculture.

Because these are not just numbers – they are our sons, daughters, fathers, mothers, grandparents and team mates. They are someone's family, and I know together we can all make a difference.

Not a great day at Lancaster last week. Both teams were down on numbers and the club is so appreciative of those who stepped up to play and especially those who doubled up. We came way with some injuries so the break over Easter will help us rest and be ready for Stanhope at home on the 23rd April. It has been a while since we played them at home so we hope for a big crowd as we take home our rivals from down the road.

It was a close game right from the start, and going goal for goal most of the game, Rushworth were strong, with all players taking great intercepts. Heath Ogden seemed to have endless energy, though he was one of the smallest on the court he ran rings around his opponents. It was a fantastic game to watch & the spectators got right into the game. It ended up going Lancaster's way by 1 goal.

C GRADE

Score: Lancaster 49 - Rushworth 24 Incentives: Maddy, Imogen, Kannika Well done to our team today on a fantastic game - the score didn't reflect the dedication we all showed throughout the game. Our defense was superb, sending many passes back down our attacking end.

Our goalers worked great - putting effort into all they did during the game. Our midcourters ran out a hard game and showed that they have the drive to run out a hard game!

A massive thank you goes to the juniors who filled in for us - Imogen, Zahley, Maddy and Milly. We greatly appreciate their openness to play in older grades to help us out. Thanks also to Nolly's sister for jumping on court for us.

B GRADE

Score: Lancaster 63 - Rushworth 28 Incentives: Katta, Kaity and Harper. Another tricky game for the B grade group with a few newbies and fill ins. Massive thanks to the C grade girls Kannika and Hailey for sitting on the bench. Also welcome and thanks to Elvse 'Nollsy's sister' Sinclair for helping us out. First incentive went to Katta for her constant guidance and great ball use down the court. Second went to Clapp for her awesome effort in defense. Third incentive and another thank you to Harper, for stepping up from U17s again to help us out. Great to see Harper's confidence growing each week against some tough competition.

A GRADE

Score: Lancaster 26 - Rushworth 22 Incentives: Grace, Shannon, Mikaela The girls went down in a tight, low scoring, physical game. We had plenty of opportunities but were unable to capitalise. Everyone should be proud of the way we continued to fight right till the end. Incentives - Grace, Shannon and Mikaela.

FOOTBALL SENIORS

Two weeks ago we welcomed all our Premiership players back to the club to celebrate the glory days, it was great to have all the old timers back on the hill enjoying the day and telling a few yarns, a good day and night had by all.

The seniors came into the game minus a few players from the previous week, but ready to go for the challenge ahead. The first quarter saw Shepp East kicking with a slight breeze, the boys had most of the play but wasted opportunities in front of goal, kicking 3.6 (24), only to see when Violet Town went forward they scored and kicked 4.1 (25) to hold a 1 point lead at gtr time. The second quarter saw again Shepp East have most of the play adding 4.3 to VT 2.1 with some swift ball movement from around the ground. After half time it was all Shepp East as they dominated the centre clearances and fed the forwards to add another 5.4 to VT no score for the quarter, and in the last the boys added another 5 goals to finish strong winners 17.16.(118) to VT 8.5 (53).

The backline boys led by Tommy Campbell and Duane Vidler were superb all day, with the strong Tommy Campbell holding the dangerous Mellington to 3 goals, while Vids was superb on his shut down job on Excell, and well supported by the other backman.

The midfield was dominant all day with big Tommy McCluskey giving our mids first use of the ball with the likes of Fichera, Shan Campbell, Adem and Kano reaping the awards. The forwards worked well together with Huey and Renny leading the way getting on the end of some good ball use. Adem Barolli was superb with 3 goals and one incredible banana goal on the run being the highlight of the day, Slicka Corish also chipped in with 3 goals on the run and was a great 4 quarter contributor.

Best players were Tommy Campbell, Duane Vidler, Tom McCluskey, Adam Fichera, Adem Barolli, Slick Corish and Shannon Campbell in a great team performance from all players.

RESERVES

Following on from the Dookie game, the reserves game was once again an arm wrestle of a match against VT. However this time round the Eagles weren't able to win the arm wrestle. The Towners managed to control the majority of the match on the scoreboard, keeping Shepp East at bay before kicking away late in the last quarter to run out winners by 30pts. It wasn't lost on Coach Jae

that the team suffered its 2nd straight fade out in the 4th quarter, which highlights an area of required improvement as they front Undera today. Best players went to Joshy Dohnt, Browny, Chevy, Buscombe of the S variety, Easty and Pas.

NETBALL

U15S

This week we saw new combinations come into play, which the girls adapted to quickly. Defensively across the whole court, the girls put in an amazing effort. Best on was Ava for her determination for the ball and defensive efforts all game.

U17S

17's were on a bye. It was great to see several of the girls helping out other teams, either be supporting, playing or umpiring.

C GRADE

The girls had another cracking game. The girls' combinations are getting stronger each week, which is putting them in a strong position going further into the season. Player of the day went to Ruby Scouller- for adapting well into a new position, and coming out fighting from the first whistle.

B GRADE

We had a great game and played really well. All the girls played their role, we adapted to some changes that we made and they played out the four quarters strongly. Credit to the defence end who turned the ball consistently over and gave our attack end numerous opportunities at goaling. Best on court went to Rach Bell, for a consistent four quarter effort.

A GRADE

This week we had to grind out the four quarters, and had to work hard for the four points. We were scrappy at times but credit to the girls, who stuck at it and got the win. Changes at half time proved to help us and our defence worked tirelessly for the entire game and provided our attack end with numerous opportunities at goal. Best on today went to Leticia Keady, who played a solid four quarters.

The excitement was high for our youngest lions as they set to the court for their first game. Lots of chances but Murch were just too good in the end. Addy and Chelsea took home the awards.

UNDER 13'S

Stanhope 15 def Murch-Toolamba 3 Although they were down a couple of players, it was a great team effort for the girls first game of the season. Stand outs were Amity and Taylah.

UNDER 15'S

Stanhope 27 def Murch-Toolamba 22
A great battle by both sides. Ava was outstanding in defence providing lots of opportunities for our attackers. Chelsea did a great job to control her speed and adapt to the wet conditions.

UNDER 17'S

Stanhope 17 def by Murch-Toolamba 17
Best on went to Meg, who moved really well in the attack end and Kayla whose defensive pressure allowed for turnovers. The girls played really well as a team and should be proud of how much they've improved since Round 1!

C GRADE

Stanhope 33 def Murch-Toolamba 30 Without our legend coach Rebec to guide us there were a lot of nerves. Emma aka Renee, however, looked fabulous in her Lion's sweat band and was ready to rumble. It was close all game but tight defence by Teagan and sharp shooting from Hayley secured the win the final whistle which made BJ cry with relief! What a day!

B GRADE

Stanhope 32 def by Murch-Toolamba 42
Once again we got off to a great start taking the lead early in the game, but unfortunately we couldn't keep up the momentum. Best on went to Lily who drove hard and presented lots of opportunities in the ring, and incentive to Ellie who kept working hard all day. Keep working hard girls and the wins will come!

A GRADE

Stanhope 32 def by Murch-Toolamba 52 It was always going to be a tough day at the office with absentees and girls running on half strength. To their credit, they never gave up and kept fighting until the end. Better players were Sutto and Q who worked tirelessly in the defence end and incentive to Meg who applied lots of pressure and drove the ball out of defence.

UNDER 18S

Stanhope 15.10-100 def Murch-Toolamba 5.7-37. Thank you to Murch-Toolamba for allowing us to play 3 of their players so we could field 18 a side.

After training since the 3rd of Jan, it was great to get out and play some footy. To get a 'W' first up was awesome reward for effort. And to do it against a quality opponent was exciting, After a '21 season that wins were hard to come by. You don't hear a tree grow you just admire its blossom once it does. Well done team. Awards went to Ty, Anthony, Kyen, Tyler, Nugget. Under 18s play TOMORROW (Sunday) against Undera @ Undera!

RESERVES

Stanhope 4.4-28 def by Murch-Toolamba 9.11-65. A bright start could not hold back the opposition last game. 3 goals to none in the first was solid but Murch hit back hard and pulled away in the last quarter. Better players were Brady, Shagga, Charlie and Fletcher. Hpoefully the boys can bounce back today.

SENIORS

Stanhope 8.8-56 def by Murch-Toolamba 11.5-71

Another close game for the Seniors boys but unfortunately couldn't capatalise on opportunities that presented themselves throughout. Al O'Reilly played well in his first game back, Stew Trevena, Ryan Semmel, Josh Dickerson, Crackers and Josh Harris also played well. Another big game today, hoping to bounce back as best we can

A great day was had by all at Longwood. Thank you to Ricky and the crew for their hospitality on the day.

UNDER 13S: Undera v Longwood

The day started well at the Football with the Under 13s kicking off things with a great game of footy. The game was played in the right spirit and fun had by all. Massive thanks to Bob and Georgia.

Awards: Toby, George, Jimmy, Oscar, Sam & Bayden.

UNDER 18S: Undera 31 def by Longwood 95

The Thirds game started off really good and was goal for goal early, but the Longwood boys were just a bit cleaner and took their chances. Really good game by Joel, Denzel, Jack & Tyler.

Awards: Tyler, Jack S, Jack D, Brandyn, Kodye & Oli.

RESERVES: Undera 48 def by Longwood 66

Very much the same story in the Reserves, we started slow but had the chance to get back into the game in the third quarter. Guys need to get to training, as effort will turn into reward. Great to see some old faces back having a kick. Better players were J-Rod, Timmy, Danny & Harley.

SENIORS: Undera 120 def Longwood 63

The Seniors had their first win for the year. It was a good effort and we will take home the four points. As Mitch said on Saturday, we have a lot of improvement left in us. Hard work on the track will certainly help that. Better players were DVI. Frizz. Zac and Avrton.

A GRADE: Undera 28 def by Longwood 59

We didn't bring our best against Longwood. Their accuracy was very good, and their tall defenders saw our short brigade struggle. Simple mistakes let us down. Sami and Baylee kept fighting in Defence. Back to basics and hard training, no distractions. Warning to other clubs, don't underestimate Longwood A Grade this season!

B Grade: Undera 71 def Longwood 36

Best: Team effort

All players put in an outstanding effort against Longwood. It was amazing to watch! We just have a couple of things to work on to get you to a point where it is business as usual to get you through the season. Well done to all on an outstanding effort.

C GRADE: Undera 43 def Longwood 27

Best: Emily, Sam & Tanesha

We were missing a couple of players last week and I would like to thank Daisy for benching from 178U. We are making great progress with all the new players and feel we are starting to put our training into practice. Our passing still needs some work, however spacing was exceptional. Emily 8 Sam were instrumental in transitioning the ball out of defence into attack and Tanesha created havoc for the opposition.

17 & UNDER: Undera 32 def Longwood 22

Best: Tanesha, Sharni & Daisy

Great game last week. The hard training paid off, and we came away with the win. Our passing was great and our rebounding amazing. Can see the little things you're learning coming into the game. Well done to all.

15 & UNDER: Undera 27 def Longwood 14

Best: Bella, Amelia & Olivia

What a great win the girls had against Longwood. This is their first win as a team and for most of our players which is very exciting. They all played amazing, showing what they learnt during the week and putting it into game day. Great defensive pressure, working forward through the mid and into accurate shooting! Well done girls!

13 & UNDER: Undera 12 def Longwood 00 Best: Taylee, Madi S, Hannah

Without Coach Mel, Baylee the 11&U Assistant took charge. All the girls played some fantastic netball. An injury to Maddie G saw Alice from 11&U come on the court and shoot 2 goals. Excellent defence from Taylee, Jaz and Lanie. Great movement down the court. Great game girls and wishing Maddie G a speedy recovery.

11 & UNDER: No Game last week

Congratulations to Emily LaPorta who plays her 50th Club Game today in the C Grade match.
