PRESIDENT'S MESSAGE

I would like this week focus on how after 4 rounds of competition, the numbers of volunteers we have across our league and the tireless amounts of work each they perform each week, including many new and varied tasks that may not have existed prior to the previous season. Many of these volunteers are also having to grasp new Football and Netball Management systems that have been introduced for the 2022 season, which as everyone would know has been challenging.

Volunteers are the lifeblood of all small community organisations and without them Football and Netball across our region would not happen. We as The Apprenticeship Factory KDL owe a great deal to these volunteers who ensure each week the competition we govern happens.

I think it is important that all players, coaches, supporters and spectators take time over the next couple of weeks take some time to says thanks to their club volunteers.

As the old adage states "many hands make light work", so therefore if you are at your local club this week or next ask yourself, how can I help.

Again we have another weekend of cracking matches across our Football and Netball Competitions, including the following matches:

Saturday 7th May 2022

Undera FNC v Merrigum FNC

Violet Town FNC v Murchison-Toolamba FNC

Rushworth FNC v Nagambie FNC

Girgarre FNC v Avenel FNC

Lancaster FNC v Shepparton East FNC

Tallygaroopna FNC v Longwood FNC

Sunday 8th May 2022

Dookie United FNC v Stanhope FNC

Couple of reminders for Season 2022 after Round Four:

- Photos, Milestones, and other important items happening around the league, please send these through to Julian Perta, KDL Operations Officer s that we may celebrate these on social media and in the 5th Quarter
- Football Matches – all breaks should be conducted on the ground to ensure we remain on time throughout the day.
- Football & Netball Scores – please ensure these are through in a timely manner to allow for accurate and timely media reporting to occur.

Good luck for all heading into Round 5.

UNDERA V MERRIGUM

Merrigum will be looking to continue its winning ways after breaking its duck for 2022 with a solid win over Violet Town last weekend.

Coach Olivia Jackson knew the girls couldn't drop another game, especially if they want to figure in the finals this year. And, she led by example last weekend to ensure the team raced away from Violet Town late in the last quarter to win by 16 goals.

Others who will be important will be Latia Doherty, Maddy Wilson and Breanna Baker who has moved to the centre from defence.

The Lions were gallant in their defeat last weekend, scoring their highest total of goals for the season.

Tip: Merrigum

VIOLET TOWN V MURCHISON-TOOLAMBA

Violet Town will be looking to bounce back after it slipped to its second loss of the season when Merrigum raced away from them in the final quarter.

The Lions were strong for large chunks of the game and they will be confident if they can put together four strong quarters that they can pose plenty of headaches for the visitors.

Murchison-Toolamba was strong for three of the four quarters against Dookie.

One lapse during the third quarter cost them the game so coach, Sharne Milne will be telling her girls that they will need to play strong netball for the entire four quarters.

Tip: Violet Town.

RUSHWORTH V NAGAMBIE

Nagambie will be out to continue its undefeated start to 2022 when it makes the short trip across to Rushworth.

The Lakers are one of three teams who remain undefeated and coach Katie Sullivan would be pleased with how the season is unfolding so far.

Rushworth has been competitive in the opening month of the season, winning in round one. Since then, it has lost its past three games, including a couple of narrow losses.

Tip: Nagambie

GIRGARRE V AVENEL

Girgarre is still searching for its first win of the season after a slow beginning to 2022.

Coach, Holly Nelson knew the season would be one full of challenges and they will need to focus on small wins during games this year.

Avenel was able to break its duck last weekend and did well

to put down 62 goals.

If the shooters can continue that good form, then the visitors will make it two wins on the bounce.

Tip: Girgarre

LANCASTER V SHEPPARTON EAST

Lancaster was able to bounce back to the winners' circle with a narrow win over Longwood last weekend.

Shepparton East continued its blistering start to 2022 and the young Wombats will find it tough to go with the well drilled and balanced Eagles.

Coach Erryn Hueston has the Eagles firing on all cylinders and I think they will be too strong for the home team.

Tip: Shepparton East.

TALLYGAROPNA V LONGWOOD

Tallygaropna will be looking to continue its undefeated start to the season when it welcomes the improved Longwood.

Longwood narrowly missed out on creating a slice of history last weekend when pipped by two goals against Lancaster.

Coach Meg Pellegrino has the girls playing good netball and they will need to be on their game for the four quarters to match the well drilled and balanced Tallygaropna outfit.

Tip: Tallygaropna.

SUNDAY

DOOKIE UNITED V STANHOPE

Dookie will be looking to make four wins in a row when it welcomes Stanhope.

Laura Kelly in the defensive third and Hayley Symonds through the mid-court were important in win last weekend.

The Thunder have won three on the trot after losing on the opening day of the season and know a win today against Stanhope will firmly place them in the top half of the ladder.

Co-coach Georgie O'Connor will be looking back at what the group did well in the all-important third quarter last weekend where they broke open the contest to set up their 10-goal win over the Grasshoppers.

She will also remind her girls not to get ahead of themselves as Stanhope has played some good netball in the opening month of the season which has yielded them two wins so far.

Tip: Dookie United.

THE BOUNCE BEFORE THE BOUNCE

UNDERA V MERRIGUM

Merrigum will be treating this trip to Undera as an important contest for a variety of reasons. Firstly, to get its season back on track after a couple of defeats to Dookie and Violet Town. Secondly, to regain some much-needed percentage to keep its place in the top 8, knowing challenges will come from teams underneath them.

Nathan Frizzell, Logan Campbell, Rhys McKenzie, Dylan Moncur, Jack Hajro and Nicholas Watt will be trying their best to lead the Lions to their second win of the season while Josh Smith, Ryan Martin, Jake Ross, Rohan Hearn and David Matthews will be important to Merrigum getting the win and its season back on track.

Tip: Merrigum.

VIOLET TOWN V MURCHISON-TOOLAMBA

The challenges for Murchison-Toolamba just keep coming and that won't bother coach Nick Iorianni. He knows his team is ready for the challenge, having had a tough start to the season, which has included wins over Stanhope, Nagambie and Dookie United.

He hopes to be able to welcome back a few of his best 21 who missed last week's narrow win over the Thunder. If not, he will turn to Adam MacGibbon, Ashton Cashion (six goals on his return), Kallyun Sanders, Luke Cecchin, Jye Borg and Timothy Miles to lead the way to keep the likes of Violet Town key forwards Jack Exell and Josh Mellington at bay. Tim Ross, Fintan Brazil, James Herring and coach Sean Horsburgh will be other key players in trying to ensure the Towners use the confidence gained from the come-from-behind win over Merrigum to try and upset the visitors.

Tip: Murchison-Toolamba.

RUSHWORTH V NAGAMBIE

Are the league's most successful club in the past 15 years on the brink of missing the finals? The reigning premier is 0-4, with losses against finals bound Avenel and Murchison-Toolamba as well as likely top eight teams Stanhope and Merrigum.

In years gone by this would be a game that you would just marked down in the book as a win for Nagambie. While, I expect it to win its first game, it won't be easy. The Tigers gave Stanhope a run for its money, but then would have been disappointed they didn't defeat Tallygaroopna last weekend. Nagambie is not the same side that won the last flag in 2019. There are so many familiar faces either out injured, not playing or retired. And what makes today a little tricky is that Pat Rattray and Tommy Stevens will have some inside information on the Lakers, having spent many years at the club. That said, I am not prepared to write them off just yet and they will win today.

Tip: Nagambie.

GIRGARRE V AVENEL

Girgarre will be looking forward to the challenge of taking on the undefeated Avenel. The Kangas were very good in defeat to Shepparton East, scoring nearly 100 points. That said, they will find it tough against a very well-balanced Avenel outfit. Jack Myers, Mitch Tobin, Kyle Maynard, Tim Karolidis, Brendon Jack and Micheal McKenzie were outstanding in the comfortable win over Undera. Coach Kasey Duncan would be the first to admit that there is still room for improvement from his group. He will challenge his boys to dish up a four-quarter performance against Girgarre. If they don't, the likes of Mitchell Smith, Jarrod Kellock, Talbot Varcoe, Jack Oogies

(4 goals), Damian Cupido (4 goals) and Kevin Maroney could inspire the home team to an upset win.

Tip: Avenel.

LANCASTER V SHEPPARTON EAST

This will be a cracking game between two of the leading contenders for this year's premiership. Both are undefeated and occupy the top places on the ladder. Boom recruits Thomas McCluskey, Matt Rendina and Adem Barolli have been outstanding for the Eagles while Zac Groombridge, Justin Davies and Angus Sutherland were brilliant in the win over Girgarre. In a further positive, 11 different players hit the scoreboard in the six-goal win over Girgarre.

And, the Eagles will be boosted by the return of David "Dizzy" Gillespie and Tom Campbell. Lancaster will turn to Luke Davies, Sam Vick, Zaid Besim, Jack Donnell, Kyle Kydd, Riley O'Neill and Nicholas Ryan to try and ensure the Wombats remain undefeated. All bar three players hit the scoreboard in last week's big win over Longwood. The Wombats will know that despite the Eagles regaining two key backs that they conceded nearly 100 points in their win over Girgarre. Coach Tom Davies will challenge his team to really put pressure on the Eagles forward of the centre, knowing the visitors do leak goals. But he will be wary going the other way as the Eagles have multiple options in their forward half to kick a winning score. This should be a real arm wrestle and I am going with Lancaster to sneak across the line by less 10 points.

Tip: Lancaster.

TALLYGAROPNA V LONGWOOD

Tallygaroopna will look to make it two wins on the bounce when it takes on Longwood. Mitch Van De Duim, Robert Johnson, Matthew Ranger, Reece Dimech, Michael Galvin and Cooper Gilder will be doing their best to ensure the visitors are in this contest. The home team had a really good win last Sunday and will be confident if Dylan Butcher, Kian Wise, Adam Brophy, Dylan Macfarlane, Jarrod Byrne and Angus Harrington can continue their good form then they can chalk up win number three for season 2022.

Tip: Tallygaroopna.

SUNDAY

DOOKIE UNITED V STANHOPE

This should be a cracking contest between two of the teams that are most likely to figure in the bottom half of the top eight in 2022. Both have made indifferent starts to 2022, with Stanhope yet to hit its best while Dookie has stepped it up in the past fortnight with a big up over Merrigum and a narrow defeat to the undefeated Murchison-Toolamba. Andrew O'Connor, Brad Ridings, Kane Thompson, Joshua Kezerle and Harrison Walsh will be important for the home team today, while the visitors will turn to Ryan Semmel, Nathan O'Reilly, Daniel Flynn, Lachlan West and Tomas Rennie (5 goals last week) to lead the way today. This is a huge game in the context of both teams' season. A win could prove the tonic to launch into the season with a few wins to help them climb up the ladder.

Tip: Dookie United.

UNDER 11'S

First game of the season for under 11's saw them defeat Undera 31 to 0. What a game! The display of teamwork and encouragement from the players was amazing. Our goalers worked so well around the ring and it showed with 31 goals being shot. Defence stuck tight to their players with strong arm work defending the ball and goals. Awards went to Daniel Taresch for his effort and commitment for playing his first ever game, and Frankie Eagles for her court coverage and working as a team player.

UNDER 13'S

On the weekend the U13's went up against undera, after an amazingly played game they ended up taking home the win with 39-1. Our best ons went to winter and Hanna. A big congratulations to our under 13's.

UNDER 15'S

The Kids had a great game again today working well in all areas of the court awards went to Adison Thornberry & Mischa Boyd

UNDER 17'S

Another strong dominating performance from the 17's to get us on the board with another win. Starting out strong for the first quarter leading 12 goals to 6 Tiffany Bourke and Lily Thorpe were strong in our attack putting the goals up to finish the game with a 37 to 16 win. We are now looking forward to taking on Girgaree and hoping for our next win of the 2022 season.

Best on - Hannah Cotter
Second best - Tiffany Bourke

C GRADE

In C grade we were able to reward our hard work with another win. Temisha Griffiths and Ash Leahy working amazing in the ring, providing the mid court with plenty of options to set up for a goal, the girls were able to keep their eye in the entire game. Ash Beattie, Rian Challis, Rachael Toohy & Sophie Leahy rotated well throughout the mid court showing their versatility switching from defence to attack, applying amazing pressure causing errors down the court. Sherylee Welsh and Kelly Crossing once again strong in defence taking intercepts and being strong on every rebound. Talking and encouragement throughout the whole game was great to see and hear the girls rewarding each other. Everything was left on the court. Well done girls. **Best on:** Rian Challis and

Sophie Leahy.

B GRADE

It was a great game of netball for both teams today. We had a superb team effort from each and every girl on the court today. Libby, Alisha and Alyssa were on fire in the shooting ring today, moving and creating space and opportunities for each other. Our mid court worked tirelessly to create constant pressure and forcing turnovers. Sarah, Grace and Ash working well and attacking the ball. Loz, Katrina and Nic rotating through the defensive end, taking intercepts and applying constant pressure to a good Undera shooting duo. After a Undera last quarter comeback, Avenel were able to hold strong, keep calm and come home with a 1 goal win. Avenel 52 def Undera 51

Best on - Libby Dawson
Coaches award - Sarah Sidebottom

A GRADE

What a game and what a win! First win of the season for the A grade Swans. From start to finish, the team executed the game plan to a tee and gave 110%. Our intensity and defensive pressure was on all game. Our goalers were on fire, not missing a beat. Our centre court dominated with their attack on the ball and sharp passes into the ring. We continued to reset when required, as well as apply pressure all the way down the court when Undera had possession. Such a great game, fantastic team work and a win to be proud of.

GO SWANNIES! Maddi Albers and Bree Hicks

SENIORS

Our undefeated start to 2022 continued as we put Undera away by 130 points. Our midfield brigade dominated from the outset lead by Mitch Tobin, Jack Myers & Braydon Avola. After some heavy rain leading into the game we were able to move the ball with speed and precision to our forwards despite the early tough conditions. Tim Brook & Harry McLean booted 5 a piece leading the way up forward. Once again our back 6 were a class above, debutant Ben Tipping being one who worked hard all day with many strong contests in the air. Daniel Clarke and Lachy Watts cut balls off with ease, with Chayse Thomson and Max Lawrence providing the run and dash off half back.

13&U

The U13's came out firing. The team really jelled and we were able to bring home the win. Teigan Stevenson found her shooting confidence and Annelisse Tremper defended with passion. They were the Dookie Shop award recipients.

15&U

Although we fell short I was very impressed by the overall team effort. Each player completed and achieved the individual goal they were set. Dookie Shop awards went to Abigail and Marcus.

17&U

A bit of a slow start to the game but we found our feet in the second half, some great work from our circle defenders and defence through the mid. Dookie shop awards to Lydia and Carsley.

C GRADE

On the buzzer draw! Well done Phoebe for a great shot! Again, great hands and full team pressure all the way down the court. Best on Milkbar awards were Claudia for a consistent four quarters and Shan for great options and patience.

B GRADE

Good pressure in the defensive circle all day. The girls were versatile with multiple changes down the court. Bring on next week. Tallis wine awards went to Mel O'Keeffe and Hannah Henry.

A GRADE

The best third quarter we have seen all year after a slow first half. A strong finish to come away with the win. Bluebell Bathhouse awards went to Laura Thompson and Hayley Symonds.

U13 FOOTBALL

U13 football had their 3rd game for the season and we have seen great improvement in their skills and ball play since our 1st game. It was a great hit-out with 18 aside and plenty of scoring shots at both ends of the ground. The endeavour for the ball continues to be a real positive, and use by hands is starting to take effect.. Best players on the day went to Archie Ludeman and Tom McIntosh

U18 FOOTBALL

The under 18's had another win, beating the only side they did not get to play last year, Murchison. Dookie was challenged hard in the first quarter taking a two-goal lead at the quarter time, before finding their feet and pulling away for a good win

To their credit Murchison fought hard all day Lachy "Clint Eastwood" Ludeman thought he was in a spaghetti western shooting six goals Will Griffen-Close had a great first game for the club. Harri Walsh and Taije Fitzsimmons were in everything, like Speedy Gonzales and the Roadrunner, both chipping in with two goals each. Blake "Bend it like Beckham" Wilson continues to impress and Nic Borg was another strong contributor in a very good team effort.

RESERVES

A very tough and long day at the office for the reserve boys against a fantastic opposition in Murchison / Toolamba. The game slipped away early, and we couldn't contain it. The second quarter we stemmed the flow, but it was all one way footy. Heads up and we look forward to Stanhope next Sunday. Thanks to the thirds boys that doubled up. Best on ground were Nick Geddes, Ben Dyer, Jacob Ladgrove, Cam Exton, Lachy Ludeman, Bailey Andersen.

SENIORS

Round 4 saw Dookie come up against Murchison at Murchison Recreation Reserve. Murchison being one of the form sides of the competition were always going to be challenging opponent on their home deck.

The first half saw a tight contest with both Murchison and Dookie moving the football well at different stages. The game was played with some real physicality, which proved to be a highlight throughout the match.

Dookie was able to get reward for effort with a high level of intensity around the contest from onballers Josh Kezerle and Brad Ridings. Dookie were able to take a 1 point advantage into the main break.

Dookie came out after half time and were able to score 2 early goals only to see Murchison fight back with 2 goals of their own. Despite opportunities with the footy, Dookie were unable to capitalise on forward 50 entries as Murchison's defence held up strongly.

A tough contested final term saw Murchison get on top of game late in what was an impressive performance from the senior outfit, but unfortunately we're not able to get the reward for their sustained efforts.

Andy O'Connor was wonderful down back, Josh Kezerle was a very solid contributor in the midfield, Brad Ridings was strong onball and Kane Thompson used his speed on the wing.

DOOKIE UNITED

President: Mathew Graetz
Secretary: Shannon Balfour

While we didn't get the outcomes across the board we hoped for, it was still a great day out for the club. We are seeing improvements in our sides showing the ability to run out four solid quarters, providing contest throughout all of our matches. Time to reset as we take on Avenel at home today.

UNDER 11S

Best on Court - Jemma Booth

First game with a full side. Excellent game played by all, using all the tools we learn at training. Aleyah and Alyssa played well in mid court for first game. Heath, Lily, Morgan and Zara sensational defence preventing any score. Jemma, Holly, Daisy and Zara goal scorers.

UNDER 13S

Unfortunately, the team didn't manage to find any flow in their game this week. Too many bad passes let us down but everyone kept trying their best.

UNDER 15S

No awards given. Again, we made the same mistakes over and over. We had some great passages of play at time so we need to work harder and listen more.

UNDER 17S

Shepp East 42 def Gig 21

Best on Court - Jasmine Westley

Incentive - Caitlin Campbell

Jasmine's effort all game was fantastic but we need a lot more communication and team work to step up to the next level. We finished the game with a great last quarter.

C GRADE

Shepp East 45 def Gig 26

Best on Court - Caitlin King

Incentive - Magnolia Ryan

The girls had a very slow start to the game today allowing Shepp East to get ahead with a strong lead. In the second quarter we witnessed a huge improvement, winning the quarter and working hard to make it a more even match in the third. The fourth quarter was a letdown, as fatigue let us down and we allowed Shepp East to finish off the game strong. The girls did not drop their heads all game and applied physical defensive pressure in all thirds today resulting in many turnovers which we unfortunately could not convert into goals. We experimented today due to a couple of girls not feeling 100% and the girls played really well in those new positions which is another dynamic we can utilise in future games. The girls are really starting to gel together by successfully applying and their set plays we have been working on at trainings.

B GRADE

Shepp East 38 def Gig 22

Best on Court - Kristie Day

Incentive - Danielle Holmes

We knew it was going to be a tough day at Shepp East going into the game with 5 players out. It was a hard-fought

game considering it wasn't our usual team but we did well considering a lot of us hadn't played together. We had a lot of turnovers that we couldn't convert to goals. We've got a bit to work on to bring the ball down the court but keep your heads up girls - we were still very competitive.

A GRADE

Shepp East 52 def Gig 15

Best on: Sarah Thorpe

Incentive: Ellie Walsh

We knew Shepp East would be a tough competition and a forced to be reckoned with and they sure didn't prove us wrong. We had a slow start which allowed Shepp East to get a good lead early. We had some positive patches of play at times and our defenders worked tremendously hard and had an outstanding game providing our attacking end many opportunities. We learnt a lot from the game and know we still have more to give, we are far from providing our best yet. Our next focus is Avenel next week.

THIRDS

After a slow start against Undera where we conceded the first goal of the game the boys were able to rally together to take a three goal lead into halftime. A strong second half seen us run away with a 73-point win. Best players went to Michael who marked everything, captain Tom Werner who worked hard all day in the middle on the ground and Nick Pena with 9 goals. Other good performers on the day were Dom, Dave and Myles.

RESERVES

The scobby doos were up against it before we arrived at Central Park, with the loss of Thomo to illness and a couple up to the main dance. We played some good exciting passages of play but not for long enough periods to get the results we aim for. Muntz played another perfect game for the club but unfortunately it his last as he's relocated to QLD. The backline stood up well all game with our better players being Maloney, Gahan, Gay, and Archibald when he came into the centre. Goals were kicked by Halls, Archibald and McMahon in his first game back for us. There is a lot of promising signs for when we get a consistent side together.

SENIORS

The team knew we were in for a tough game before we arrived and we were right. 1 goal down with less than a minute played. But as a good side does, you take the good with the bad and dig in for the fight. And that we did. Both sides had times of dominance and that was obvious by the scores. In the end 6 goals was flattering to Shepp East, as it was a much closer game than that. Smithy did a fantastic job playing in the centre in a lockdown job but also winning enough of it himself. Kellock what can you say? He's a jet and always impresses. Oddie's was a grunt man both up forward but also in the ruck. Maroney played his best game for our club giving us drive with his rebounding skills and Cupido was a great target up forward. As always, his score involvements are as much of his game as the goals that he kicks Best - Smith, Kellock, Oogies, Maroney, Cupido/ Goals - Cupido 4, Oogies 4, Kellock 2, Butler 2, Varcoe 1, Hanratty 1, Tambling 1

UMPIRES REPORT

In line with the AFL direction on "zero tolerance of abuse towards umpires" the GVFUA sent the following letter to all leagues and clubs prior to the start of the year.

"The GVFUA introduced a Zero tolerance of umpire abuse during the 2021 season, which in the majority of cases resulted in umpires having a safer workplace and more enjoyable umpiring experience.

This directive will continue into 2022. Any abuse towards umpires from players or officials, whether it be verbal abuse, disputing an umpire's decision, or demonstrative behaviour towards umpires will result in a free kick, 50m penalty and potentially a report.

To remove any grey area regarding who the abuse may have been directed at. Umpires will be directed to penalise any player who is using abusive or foul language. This will include swearing.

The GVFUA understands that many supporters are passionate about their club and love to support them. They create the atmosphere around the ground that is loved by both players and umpires. However, we believe it is imperative that this behaviour does not become abusive to either umpires or opposition players.

We ask if a supporter is getting a bit too passionate that a club official remind them to support but not abuse.

If the whole football & netball community can work together, we can make a day at the football an inclusive and enjoyable experience for everyone."

The GVFUA believes in the majority of cases that players, officials and supporters in the Goulburn Valley are aware of what is and is not allowed in the leagues we officiate.

RULE OF THE WEEK.

18.7 ROUGH CONDUCT

18.7.1 Spirit and Intention

Players shall be protected from unreasonable conduct from an opposition Player which is likely to cause injury.

18.7.2 Free Kicks - Rough Conduct

A field Umpire shall award a Free Kick against a Player when that Player engages in rough conduct against an opposition Player which in the circumstances is unreasonable, which includes but is not limited to:

- executing a dangerous tackle on an opposition Player;
- making forceful contact below the knees of an opposition Player or executing a forceful action towards the lower leg of an opposition Player causing the opposition Player to take evasive action;
- sliding knees or feet first into an opposition Player;
- using boot studs in a manner likely to cause injury.

Dangerous Tackles

Players, when tackling should not:

- Place their opponent (head or body) in a vulnerable position which is inherently dangerous.

A dangerous tackle could be considered when the level of force is more than is normally expected in a given situation.

Doing so will be deemed to be rough conduct and will result in a free kick and possibly a report.

Cues:

- Excessive rotation, including slinging
- Arm or arms pinned that leaves the head or body in a vulnerable position
- Lifting legs (above horizontal) that leaves the head or body in a vulnerable position
- A tackle that drives or has 2 actions that leaves the head or body in a vulnerable position

A tackle may be considered rough conduct if the tackle is of an "Inherently Dangerous" kind.

Sliding

A free kick shall be paid against a player who slides into an opponent feet or knees first and makes any type of contact with an opposition player.

Contact below the knees

A free kick shall be paid against a player who makes forceful contact, or action in a manner likely to cause injury (reckless manner), or causing an opposition to take evasive action.

Cues:

- Player going to ground (may not necessarily "elect")
- Reckless bowling ball type action
- Movement into opposition legs
- Forceful contact (may cause player to go to ground) below knees
- Opposition player not causing contact.

Note: A player can still be penalised if he makes forceful contact below knees of his opponent even if he is moving side by side in the same direction with that player.

The following are instances when contact below the knees would not be paid

- When a player is genuinely attempting to mark the ball and in doing so, makes contact to an opponent below the knees.
- When a player is already on the ground and makes contact below the knees of an opponent in a genuine effort (reaches out) to contest the ball.
- Where a player is pushed, bumped, or tackled to the ground and makes contact to the knees of an opponent.
- When a player smothers, or attempts to smother, an opponent's kick (including kicking off the ground) when contact is made with hands or arms.

Studs up

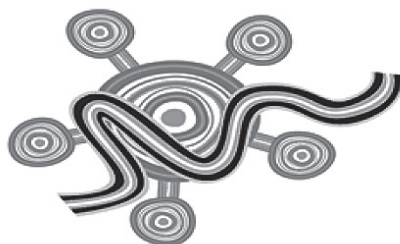

Players are no longer permitted to carelessly employ their studs in marking contests, ruck contests, or general play. The determination of carelessness will depend on the view of the field umpire as to whether the action of the Player is unreasonable in the circumstances.

Cues:

- Full use of studs
- Kicking out motion
- Be considered likely to cause injury
- Rarely going to be from a marking contest from behind.

FOOTBALL

Unfortunately both football sides lost to Violet Town in games that were decided in the last quarter.

The Senior side lost 7.13.55 to 13.10.88.

The best players were Jack Sinclair, Darcy Collins, Tom Cooper, Jake Ross, Jacob Martin and Rohan Hearn.

The Reserves side went down 7.2.44 to 9.7.61. Best in the resses were

Adam Williams, Rhys Behrens, Ben Gloster, Nathan Cronyn, Damien Scarcella and Mat Macansh. Well done to Nick Christou

(Dogga) who played his 100th club game.

Our Under 13s played again last week against Violet Town and look like getting another match this weekend against Undera. It's great to see many young faces enjoying themselves each Saturday morning. Thanks to all involved in running matches and getting them to the games.

SOCIAL, MEMBERSHIP, COVID & OTHER THINGS

Last weekend we had our first function, a hypnotist night with Bizarre Gazzard. He was great as usual and everyone had a laugh and an enjoyable night. Thanks to Rach Rowe, Greg Pell and all others involved in selling tickets, organising raffles, setting up things or any other way in which you helped out. It's much appreciated. Also well done to those who volunteered to be hypnotised; the night wouldn't work without you!

Our next club function is the Annual Ball on May 28th, after Lancaster (away) in Round 7. To buy tickets to other events, to see what's coming up or to purchase a membership, visit our Facebook page or merrigumfnc.com.au.

Twenty millimetres of rain on a Friday night would usually mean a slippery game, but fortunately our ground held up surprisingly well for our fixture against Dookie United. A team of helpers ran the squeegees over the courts to ensure we had some high quality netball too. Thanks to everyone who gets down to the oval on Friday nights and early on Saturday mornings to ensure we're ready to host our games.

We caught up with Greg McGrath last week. Greg was a member of the side that transitioned from the Goulburn Valley league to the Kyabram District League for the 1965 season. He shared some stories about taking on the Tom Hafey-led Shepparton team in 1964 and then defeating Merrigum in the 1965 Grand Final.

At 9:20am we saw no less than 60 boys and girls take the field for our Under 9s and Under 13s football matches. It was great to see strong numbers from the Dookie team, we shared a couple to ensure an 18-a-side Under 13 match. The level of support being shown for these junior grades has been astounding. Our Under 13s battled away in their match with kicking and marking chains again being a focus. Many of the players are working on kicking their opposite foot. Our better players included Chris Brown, Allie O'Mahony, Gus Ewart, Bailey Davies, River Barlow and Kye Goodwin.

The Under 18s took on another talented team in Dookie United. Our boys really missed a few key players, but fought out the game. While we weren't able to impact the scoreboard as we'd like, coach Peter Miller was pleased with the effort from the boys. Our better players included Callum Miller, Kurtis Clark, Patrick Forster, Zane Vukcevic, Ethan Gregory and Bailey McKimmie.

The lads in the Lunchtime League turned in another stellar performance over their 80 minutes. The rumour mill went into overdrive around 11am as the word was that Dookie United Reserves would have Premiership Hoppers Chris Cullinan and Geremie Ganino joining Ben Kelly and Rhys O'Sullivan, this prompted us to bring in Tim Ewart to help us combat his mates! In the end it was Cullo who enjoyed watching his stitch up with a can in hand! Our depth once again proved to be too much for the opposition as we ran out big winners. Better players included Jacob Holmes, Jye Scott, Xavier Dwyer, Shane Kay, Adam Caruso and Ignatius MacGibbon.

The main game laid claim to being match of the round and it did not disappoint, a real arm wrestle contest with Dookie holding a one point lead at half time and it being all square at the last break. Our boys had to get their discipline in check after some costly 50m penalties. Adam MacGibbon took two hangers in a best on ground performance. Ashton Cashion proved that he's still one of the league's most damaging players with six goals. Kallyun Sanders was sublime on the wing with many multiple effort passages of play. Luke Cecchin continued his fantastic season with a tough game. Jye Borg and Tim Miles showed great support to Gibbo in a resolute backline.

The 13 & Under girls fought hard in our game against Dookie. Our 3rd quarter was our strongest with honourable mention going to Tash Puts who worked hard as shooter in the goal ring, and Delilah Thomas who played brilliantly in C/WA. Unfortunately we weren't able to come away with a win this time, but as always, we will take away the positives from the game and keep working hard and learning more at trainings. Our awards this week went to Nyla Anderson for her determination on the court, Tiahana McKimmie for her beautiful defence and lastly to Frankie Ewart who is consistent and always amazing to watch with her spectacular intercepts throughout the game.

The 15 & Unders started off on fire, getting away to a good start. Leading the game most of the time. Our defensive pressure saw many turnovers and this resulted in rewards for our goalers. However, we

let Dookie get in front in the 3rd quarter. The girls were asked to go out in the final stanza to give it everything they had. Their termination gave them the win by 4 goals. BOC to Matilda Chadwick who adjusted her game following the coaches suggestions. Marli Young once again killed it in defence and Lexi Anderson with her ongoing defensive pressure saw many turnovers.

The 17 & Under girls took the court heads up and ready to win after the 3 goal loss last week. Dookie put up a good fight, but our girls had a point to prove after last week and never once dropped their heads or gave up, their fight for the ball was incredible.

Better players included Ava Ralph who moved beautifully in and out of the shooting ring. Kayla Macartney killed it in attack with her leading, which constantly lost her player and also shutting her player down when defending. Shanikwa Allen with her drive out of the ring, great rebounds and synergy with Ava was also very good.

We started off strong in C Grade but unfortunately couldn't maintain consistency. There are areas we need to improve on to conserve energy and be stronger and consistent throughout the contest. The team worked hard to come back from six down with their final goal at the buzzer to make it a draw. Janarra Atkinson played a tough defensive game shutting down the attack and creating many turnovers. Liv Miller through the centre court worked hard both in attack and defence. Stace Hodgkisson played a strong defensive game playing against a much taller shooter. Billie Merritt played another consistent game through midcourt and goals.

A stellar performance by the B Grade team to take out a 4 goal win. It was close throughout the game but we always had the upper hand. Well done to all players for their flexibility and willingness to give all positions a go! A brilliant last quarter in the centre got Liv Kerrins best on. High intensity, great communication and never give up attitude was amazing to see, other awards went to Tanesha Cecchin and Georgia Baker.

A disappointing finish after an amazing first half by the A grade team. Leah Manson was a huge loss to the side after a knee injury against Nagambie last week. The team is working towards keeping the intensity high throughout the entire game and adjusting to changes quickly to maintain our competitiveness. A standout performance by Jade Kay in the defence end was awarded with best on. Her high level of communication with those around her is a huge strength. Other incentives went to Sharne Milne and Georgia Foster.

Tonight at the Mooroopna Pizzeria, we are hosting our first ever Junior Ball. It is sure to be a great time for our junior players as they party the night away. Please check with Brooke or Craig Thompson today to see if there are any tickets left.

Next week we are back at the club for our Goods & Services Auction. We are still on the hunt for a few more items in this major fundraiser. It is sure to have a great spread of items and to be a great night in the rooms. David Murray is coordinating this event and he'd love to add a few more items to the list.

UNDER 15'S

It was a tough day for the under 15s facing a strong side being Stanhope, the girls pushed through the whole game never dropping their heads once. Down the defensive end Milly, Kelly and Eliza Shelton formed a good partnership working together to stop many goals. Charlotte Palmer showed drive through the mid court providing constant offers to her teammates. The incentive for round 4 went to Milly Kelly for her outstanding efforts down at defence. The end score Stanhope- 38 14-Nagambie.

UNDER 17'S

Another pleasing win for our Under 17's girls. Set up by a good first half, in which we were able to double Stanhope's score & lead 21-12. Today was a great opportunity for several positional changes, it was very encouraging (although the third quarter was a much more even contest) that we were able to adjust to multiple changes, continue to increase our lead & finish off strong. Final score Nagambie 43- Stanhope - 26. Special mention to Lily Skinner for her continual efforts in attack today and beautiful vision/ feeds into our goalers was a real highlight. Congratulations to Holly Boyer receiving the Botanic House incentive for her wonderful performance in C today.

C GRADE

In our C grade side this week we had some more new combinations, one of them welcoming another young talent Ashleigh Fraser into our defence end. Unfortunately in the end we couldn't produce a win with the final score being Nagambie 25 to Stanhope 49. Best on court went to Rylee-Rose for her great talk out on court and fantastic defence.

B GRADE

Round 4 against Stanhope, we started much better than previous weeks with only a couple of goals down. Moving Madeline into goals in the 2nd and Georgia onto the wing were the only changes to the side throughout the game, except when Georgia misplaced a finger ouch and Charlotte came back on. Thank you to Charlotte for stepping up, a big ask and you should be proud of your efforts. Bridie and Jess were fantastic in defence with many turnovers. Keely's awesome run in the centre, which won her the Royal Mail incentive. Bree was solid in WD. A draw is better than a loss and again your never give up attitude is a credit to you all. We need to continue to work on passes under pressure & address some of those simple mistakes which give the opposition a free option, but lots of positives out of today's efforts. Well done ladies.

A GRADE

With a full side back in today we were looking to continue on with the great form and winning momentum of previous weeks. A 10 goal lead at quarter time was the perfect start for our girls today, up against a new look Stanhope A grade side. Credit to the Stanhope defence, matching up quite well on us and forcing us to adjust several times when trying to play our normal style in attack. A very pleasing 30 goal win with final scores Nagambie - 51 to Stanhope - 21. Alicia White had another solid game for us at both ring defence positions. Ebony Peters was awarded the Royal Mail Incentive this week for her outstanding game at Wd. Creating so much pressure and providing a beautiful drive through the middle time and time again. Great start the year Lakers, keep it up.

It's never you, until it is

Everyone in the community is connected. You work together, play together, support each other. So, if something happens to someone, it is felt far and wide.

No one is bulletproof - you may know your land like the back of your hand, but incidents can happen to anyone.

And when they do, they don't just affect one farmer, incidents can affect the whole community.

Proudly supporting country footy & netball and farming communities.

worksafe.vic.gov.au/agriculture

Supporting the lifeblood of regional communities

LET'S LOOK OUT FOR OUR FARMERS

Footy and netball are finally back for 2022 and WorkSafe is proud to continue its decades' long partnership with AFL Vic Country.

Community sport continues to be vital to our health and wellbeing; an opportunity to connect with friends, family and team mates on and off the field or court. The competition and comradery of weekend sport unites us and gives us a sense of community.

And it is this sense of community that makes our partnership with footy and netball so valuable. It is an opportunity work alongside local clubs and leagues to promote workplace safety and appeal to rural and regional Victorians to look after their mates at work.

When our workers are safe, we'll see them on the field, on the court and on the sidelines. Doing what they love, together.

SAFETY ON FARMS

In country areas we know a large part of staying safe at work is staying safe on farms.

Yet tragically, too many workers are being killed or seriously injured on farms every year. In fact, 14% of workplace fatalities are in agriculture, despite farms accounting for just 2% of Victoria's workforce. As a community, we simply must do better. We owe it to those lost and to those left behind.

Farmers know their land, livestock and machinery better than anyone, but that doesn't make them bulletproof.

We know the "it'll be right" attitude that is common in agriculture can have deadly consequences. We also know that experienced farmers are suffering serious incidents, and that if safety is not a priority, experience alone isn't enough to prevent a tragedy from occurring.

Our 'It's never you, until it is' agriculture campaign highlights that deaths and injuries on farms are preventable, not inevitable, and encourages farmers to treat safety improvements like any other improvement in their business. This campaign isn't about us telling farmers and those in the agriculture industry what to do, but reminding them that life changing incidents can and do happen.

You can prevent these incidents by making safety a priority. And you most certainly can prevent deaths. Our farmers are the lifeblood of our community and we need to support them in every way possible.

SEE YOU AT THE COUNTRY CLUB

Together with our partners at AFL Victoria and Netball Victoria, WorkSafe will host six Country Club games this year throughout the state.

If we are in your area, come and see us, have a cuppa and help us encourage all farmers to rest during long hours on the land. Fatigue isn't just about being tired, it's pushing your body beyond its limits, day after day. It impairs reaction times, concentration, and the ability to think clearly.

That's why taking a safe-tea break is so important

We'll also be calling on all clubs to nominate their favourite farmers to go into the running to win some great prizes for their club and the farmers themselves.

Let's not just kick goals on the field or shoot goals on the court this season - let's work together to change the score in agriculture.

Because these are not just numbers – they are our sons, daughters, fathers, mothers, grandparents and team mates. They are someone's family, and I know together we can all make a difference.

FOOTBALL SENIORS

Last week we took on Girgarre on our home deck, after 2 days of rain, the ground came up a treat with the amount of rain we received, it certainly is one of the better drainage grounds goin around. We went into the game with a few late changes again due to illness and injury. Girgarre came out to play kicking the first 3 goals of the game, before we got goin and started getting the ball out of the centre and by the end of the 1st we had 7.2 to Gigs 4.3 to end an entertaining first quarter, the 2nd quarter was fairly even with SE added 4 more goals to Gigs 3 to see us 11.7 (73) to Gigs 7.6 (48). After the main break it was Girgarre who came out hard again and kicked the first 4 goals of the third to get within one goal, but the guys settled again and banged on 7 more goals to Girgarre's 6 for the quarter with the scores being 18.9 (117) to Gigs 13.8 (86), both sides battled it out in the last quarter being fairly even. The Final score 21.11 (137) to Girgarre 15.9 (99). Overall it was a stop start effort for 4 quarters, we would lose momentum then gain it back, it was an OK effort against some good opposition, but Ossie would have been a bit more happier with a consistent 4 quarter game, but still a good win and bank the 4 points. Our best player last week was big Tommy (Frank Jnr) McCluskey who dominated the ruck and airwaves around the ground and also bagged 3 great goals, the legend himself Matty Rendina had the ball on a string and set up many good plays around the ground from the backline and when on ball (his a good player is Matty Rendina), Adem Barolli in the no. 57 guernsey was a damaging player around the ground and also kicked 4 straight goals, (had the kicking boots on last week Adem), Zaccy the bull Groombridge continued his great form in the midfield and also drifted forward to kick 3 very important goals, Justin (the old timer) Davies showed his smarts in and around the packs and set up many good plays, while Angus Sutherland was a busy player out on his wing and also chiming in with a couple of handy goals. Hopefully today we will get a few more players back in to side that have been missing and look forward to a solid contest today against the Lancaster Wombats. Go Eagles.

RESERVES

Coach Watt would've been rapt with the Ressies effort last Saturday. Whilst there were a few forced changes required, the boys managed to carry on some of the form from the week before, once again having a strong 1st quarter. From there the Eagles had confidence against the Roos who

applied plenty of pressure, but weren't able to gain ascendancy of the game, as the Eagles won every quarter and ran away with the game in the last to record a 79pt win. BOG went to Boxy who won plenty of the ball down back and in the middle, Patto notched up another 2nd best performance setting up a number of goals and slotting 2 himself and Rexy had a great game and is getting better with every match. Captain Cox, Cody & Burgo rounded out the best, with Cobey slotting through 4. Coach Watt will be driving the boys to carry on their form to notch up their 3rd win in a row against Lancaster today. All the best Eagles!

NETBALL U17S

What a great game it was to watch. Well done everyone on a great win by all. Everyone played their part and brought something different to the game and it was just what we needed. With high intensity everyone backed each other and applied a tight defence. Well done Tara on an outstanding performance and taking home the award.

C GRADE

Another great game for the girls today. The girls worked hard for 4 quarters to ensure the win. A few new combinations were tried out, which brought new found confidence to the team. Best on court goes to Daphne - who came out fighting from the moment her feet hit the court, hands up over every ball and continuing to put in second efforts. Well deserved.

B GRADE

Had a tough and physical start this week, however we managed to find our groove in the second half with a lot more movement. The defence end were up against it this week, however to the girl's credit they didn't stop and the attack end managed to step it up against a physical defence end. Well done to our ladies on today's efforts. BOC to Pippa Bullen who stood up and played a terrific game.

A GRADE

The girls had a solid win. We were able to make numerous changes throughout the game and to everyone's credit we adapted well and kept the momentum going for four quarters. We did have a slow first half but to everyone's credit they stepped it up in the second half and were able to finish off strongly. BOC to Bianca Kelly for her consistency and for a solid four quarters.

STANHOPE

UNDER 15'S

Stanhope 38 def Nagambie 14
Another great team effort from our 15 & Under side over a Nagambie side that never gave up. Tia delivered at the post and chipped in with some outstanding defensive pressure while Dakota lead the way up our defence end turning balls over and rebounding strongly.

UNDER 17'S

Stanhope 26 def by Nagambie 43
Under 17s played their best game of the year so far today! It was great to see the girls put in a four-quarter effort. Charlotte and Tia stepped up from 15s and held their own in mid court and defence. Best on went to Meg and Charlotte. Looking forward to seeing the girls bring this same intensity into next week!

C GRADE

Stanhope 49 def Nagambie 25
It was a really tight contest against the Lakers with C Grade girls putting in the hard work required to come away with the points. Kara was everywhere, racking up the stats all game!! Hayley was reliable in goals and Teagan was impressive against a tall opponent.

B GRADE

Stanhope 31 drew with Nagambie 31
Drew with Nagambie. There were only one or two goals in it all day, with neither team able to pull away at any stage. Philly and Ellie combined beautifully and created a lot of turnovers for our attackers to capitalise on. Fantastic effort everyone!

A GRADE

Stanhope 21 def by Nagambie 51
I was a tough day at the office for the girls, coming up against a strong Nagambie side and only having one goaler available due to illness. We set our own goals and to their credit, the girls achieved them.

Sutto and Zhalz had fantastic games, working exceptionally hard. Shout out to Dory who, after playing a full game in B, played ¾ in A! Well done girls.

UNDER 18'S

Stanhope 13 def by Nagambie 67
As predicted Nagambie is a very good side. With 4-5 player up in the seniors that will be available come the end of the season they will be the team to beat. Nothing is impossible, the word itself reads "I'm possible". Awards went to Nugget, BC, Mitch, Ethan, And Seth. Over to Dookie Sunday to play their undefeated 3rds team. Another big challenge for our side.

RESERVES

Stanhope 51 def Nagambie 10
With the back 6 holding firm the midfield worked hard to give the forwards plenty of opportunity to hit the scoreboard but in hard, wet conditions the fast start to the game was the key factor to getting over the line. The better players were J. Canny, C. Harvey, J. Van Roy and J. Fisher

SENIORS

Stanhope 67 def Nagambie 48
Ended up being a win full or merit and persistence, the lads are showing good signs of fitness and working together. Another slow start was not what the doctor ordered but to keep the oppo to 3 goals after quarter time was a great effort. No real passengers last week but Sem, Knackers, Flynny, Lingy and Youngy were prolific and Big Tom Ren booted 5 also played well. Big challenge today against Dookie.

SOCIAL

Clear out next weekend after Violet Town game, Family Fun Night at the clubrooms - iPod Shuffle, Trivia and lots of fun to be had!

Congratulations to Tait Collins who played his 150th Club Game last weekend in a good win against Rushy, and congrats to 17U player April Earles who play her 50th club game today against Longwood! Tonight, is our 80s night – lets make it a great night.

ROUND 4 V RUSHWORTH

Awards thanks to Aussie Hotel, Fichera's Lawns, La Porchetta, Mooroopna Pizzeria, Revolver Burger, Mrs Fields, Urban Wrap and Grill, Steve Mahoney, Subway

Seniors Won 99 to 62: With a great crowd supporting for our first Sunday match we wanted to produce a good win. The first half was pretty much goal for goal but at the main break we rectified some errors made and played the style of play we wanted. It was a great team effort to get the win by 6 goals.
 Best: Dylan Butcher, Kian Wise, Adam Brophy, D ylan Macfarlane, Jarrod Byrne, Angus Harrington

Reserves Won 63 to 50: Great win on Sunday, against an undermanned Rushy. We were challenged in the first half but found a way to ground out a win – by far the most pleasing win so far for the year. The mids especially got the job done when asked to lift in the last quarter. Best: Tristan Wilson, Michael Amadei, Jesse Stephen Ripper, Logan MacKenna, Travis Cooper, David Gilby

A Grade Won 60 – 31: Rushy provided a good challenge with their quick play and body pressure. We began the game strongly with a solid first quarter. Numerous changes were made throughout the following quarters providing run to different combinations. Our intensity and consistency ebbed and flowed with some errors entering our game when we played too fast. Great to see and hear the talk, direction and positivity when errors are made and rotations are made. Awards: Rebecca Brett, Claudia Callagher

B Grade Won 81 – 21: Today we meet a very determined side who kept us on our toes, never backing off. The team stood up to every challenge asked including changes at every quarter to keep looking at playing combinations, new positions for some players and a goal sprint with 4 minutes to go in one of the quarters. Our goalers & mids didn't miss a beat, showing great drives, committing to plays and supporting each other and our defence are already showing a settled unit. We welcomed Staci Friks this week and she displayed her 'quick off the mark' skills and took many intercepts and contributed to many turnovers. Awards for the day were Courtney 'Flash' Lewis for her grit and grind in defence and Loz Good - amazing accuracy goaling today from anywhere in the ring and her leadership on the court today.

C Grade Won 60 – 29: We had our best team game of the season so far. The team worked hard at training on Thursday which reflected in the play and transition down the court. Renee was strong to drive the ball out of defence and Dee ran hard all day, directing play and feeding beautifully into ring. Special mention to our goalers who positioned and presented themselves fantastically today, particularly Hannah who showed great confidence under the ring. Awards: Deanne Hosie, Renee Anderson, Hannah Bilney

17/Under Won 42 – 18: It was a consistent win in the 17s who had been focusing on dictating play and denying space this week. We worked hard providing defensive pressure on the centre pass that allowed a 13-goal lead up to half time. Positional changes throughout the match, showed some great versatility. Whilst at times we were a little quiet (Saturday night shenanigans) and a few footwork errors, we were able to adjust the game by setting some realistic goals to aim & achieve. Special thanks to Fee Down giving some of her senior coaching feedback. Awards: Sophie Ahmet, Liv Burgess, April Earles

15/Under Won 33 – 25: It was our first tough game of the season this week where it was goal for goal throughout the game. Loads of changes made throughout the game with everyone playing their role. The team kept pushing through and produced an excellent last quarter. Awards: Jaye Ennis had a great defensive game and worked especially hard to turn over the ball to bring down to our goaling end. Lily Rogers drove hard and implemented everything we worked on at training. Letiya Ennis ran all day and got hands to heaps of balls.

13/Under Won 33 – 2: Another confident win and the team is really showing how well they can play together as a group, in lots of versatile combinations. The play down the court is so open and flows smoothly which is a big credit to young players. Awards: Indi Hicks for her terrific work to move the ball around and into the goal ring beautifully. Jaida Sweetman for providing smart, and open options and being amazing through the mid court.

11/Under Won 30 – 0: After two weeks off, we hit the court excited and ready to play. We were able to turnover each of Rushworth centers, which speaks to how well we applied defensive pressure all over the court. All goalers were able to rebound if they missed and the mid court defended and made great space throughout the game. It was great to see the team helping Rushworth during the game when they needed to. Awards: Fenn Burgess for always giving 100% and the number of balls she turned over. Zahlee Humphrey for the space she created and her drive through the court.

Last Saturday we had our Seniors at Avenel and our Juniors at Shepp East, a challenge to manage, but we got through it.

We started with a win in the Under 13s who are going along nicely. Better players were Darcy Grogan, Junior Nicholson, Seth Collier, Jedd Simpson, Anthony Evans & Riley Wooster. Thank you to Shepp East for accommodating us, and to Rushy for bringing over their kids to have a kick.

Our Under 18s came up against a big Girgarre side at Shepp East and were in it at half time but fell away a bit in the second half to go down by a few goals. Better players were Brandyn Steele, Corey Pike, Jack Doolan, Brayden Timmis, Olly Haynes & Kodye Fraser. Goal kickers were rabbit, Corey & Brayden.

No game for the Reserves last week. If you know of any players, encourage them to get along to training in the coming weeks!

Our Seniors travelled to Avenel against a side that will be thereabouts come end of the season. After they kicked 7 goals in the first 10 minutes, we thought here we go...! But to the boy's credit, they had a crack and matched it with them until Avenel kicked 5 goals late in junk time to win by a bit. Better players were Frizz, Rhys, Nic, Brocky & Dill.

A great turnout Saturday Night after an away game with 90 plus at the Mooroopna Pizzeria, then the boys and girls took Whitey to the Deck for a big welcome.

A Grade: Undera 36 def by Avenel 22

Awards: Mikaela, Herta & Sheryn

With all 9 of our players available for the first time, we displayed a much better performance last week. Everything we worked on at training we put onto the court, a huge turnaround from last week. Connections are starting to happen, we just need to work on fitness to run out 4 quarters.

B Grade: Undera 51 def by Avenel 52

Awards: Emmerson, Shanara & Janaya

Last week we welcomed Tamekah into the team being short a few players and you put in a fantastic effort. Emmerson teamed beautifully with Tamekah and played an outstanding game, taking on board all the wisdom she created headaches for the opposition. Top effort by all, it was a great game to watch, falling short by 1 goal in the dying minutes.

C Grade: Undera 45 def by Avenel 57

Awards: Amber, Georgie, Debbie & Sam

Last week we had another chase down game and once again it was too late. Ambers holds were amazing, and Georgie put the pressure on constantly with Deb and Sam backing up in their respective ends. It's back to the drawing board for us and let's see what we can produce from today onwards.

17 & Under: Undera 16 def by Avenel 37

Awards: Molly, Chloe & Eliza

Our last game is certainly showing that you are all taking in what you have been learning at training, and it is now making it harder to select a starting 7 each week. Every person is being such a team player and so proud to have you in our team! Keep working hard and the results will come.

15 & Under: Undera 3 def by Avenel 53

Awards: Chloe, Claudia & Della

We knew it would be a challenge going into last weeks game against Avenel. The team fought hard the whole game and never gave up. Everyone is definitely developing and starting to find their feet on the court.

13 & Under: Undera 1 def by Avenel 39

Awards: Maddi G, Jaz & Layne

A great team effort made by all the girls last week at Avenel. It was nice to see some of the new skills learnt at training on show. Well done and go Lions!

11 & Under: Undera 0 def by Avenel 31

Awards: Ruby, Harper & Lily

The girls worked really hard last week on what we have been practicing at training. They might not have won, but they gave 110% for the whole game and came off smiling, that's all we can ask for!

Today we battle it out for the Denise McCormack Memorial Shield in the A Grade netball.

Then tonight after the game we are back in the clubrooms for the Wild West Night – there will be a bucking bull there, and plenty of fun! \$5 entry if you are dressed in the Wild West theme or \$10 entry if you are not dressed up!
