EASTERN FOOTBALL NETBALL LEAGUE SAFEGUARDING CHILDREN & YOUNG PEOPLE

CODE OF CONDUCT

The EFNL and its affiliated clubs are committed to the safety and wellbeing of children and young people. Our community recognises the importance of, and a responsibility for, ensuring the EFNL and clubs are a safe, supportive, and enriching environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

This Code of Conduct aims to protect children and reduce any opportunities for child abuse or harm to occur. It also assists in understanding how to avoid or better manage risky behaviours and situations. It is intended to complement child protection legislation, EFNL policy, club policies and procedures and professional standards, codes, or ethics as these apply to staff, volunteers and other personnel.

All staff, contractors, volunteers, and any other member of the EFNL community involved in child-related work are required to comply with the Code of Conduct by observing expectations for appropriate behaviour below. Failure to comply with this Code of Conduct will be considered a breach of the policy and may result in disciplinary action. Such disciplinary action may, depending on the seriousness of the misconduct, include suspension while matters are investigated and/or dismissal. The Code of Conduct applies in all EFNL and club situations, including training, match day, functions, training camps and in the use of digital technology and social media.
