<u>SENIOR FOOTBALL COACHES REPORT – DAVID BOX</u>

Welcome back to our home ground for our final round of the year.

We managed to have a good win last week against Caramut with an undermanned team full of injuries and COVID.

Today we welcome W/Bolac and look to finish the year off with a good win. I will have opportunity to give thanks to all that have helped out and supported throughout the year after the game.

Let's put in everything boys and get the win and enjoy a big day for the SMW Rovers football club.

RESERVE FOOTBALL COACHES REPORT – BRAD SCOTT

Morning all and welcome.

Well, the last home game today and I would just like to take this chance to thank everyone that has helped along the way this season for the reserves it has been a struggle week in week out to get a side out on the park with injuries, covid and unavailability's but we have managed to have 2 sides each week and that is an achievement within itself, so Thank you and well done.

Our last home game was a tight match against Glen in what saw the boys go down by 10 points, we showed that we can match it with the top sides when we play team footy and put our minds and skills to it but fell short on the day.

Last week we travelled down to Caramut in what was a very slow start we were pushed up until half time when we turned it around for a comfortable win on the road.

This week we take on Wickliffe - Lake Bolac in what we hope will be a memorable day for 2 our long serving players in, Peter Hamilton and Tim Cromb who both celebrate a massive milestone in reaching game "300" respectively for the club.

Both players have been around for a very long time and seen both disappointment and success of more recent time and the boys will be looking to finish the year of with a win for you both and to hopefully start another big final's campaign for 2022.

Congratulations to you both it's a massive achievement you both should be proud off.

All the best to all sides today and go Rovers.

Cheers Butch

NETBALL CO-ORDINATOR – AMELIA DUNN

Welcome Wickliffe Lake Bolac and Rovers affiliates to the last round of the home and away season! The first full season since Covid and how lucky we have been to be able to field teams each week even with the virus still looming.

Although we were unable to make finals this year, all four of our netball teams have fought out the season, with improvement and growth shown in every grade. A huge congratulations to all the girls who took to the court every week and to the coaches who helped the girls enhance their skills throughout the season. Also a massive thank you to everyone who put in the extra time and effort to ensure the season ran smoothly, from the coaches taking trainings, to the ladies in the canteen ensuring we have our scrumptious snacks every week.

Everyone has deserved a well-earned rest in preparation for next year.

Good luck to all teams today and I look forward to celebrating the season together tonight with the rec committee's spit roast for dinner and a few tunes with Liam and Blake.

Go Rovers!

A & B GRADE NETBALL REPORT – COURTNEY GUY & KYLIE BOX

Welcome to the last round of the 2022 season. What a pleasure and reward it has been to be apart of the SMW community.

We are beyond grateful to have shared the game with so many great people the last 16 weeks. The B grade started as a whole new team. They are diverse, motivated and willing to learn. We have a vast

range of ages on the netball court which allowed us to take it back to basic netball where needed.

The girls often started each game very strong, with great defensive pressure. This team knows how to make some turnovers when needed.

On behalf of Kylie and myself, we are so pleased that the girls responded to our coaching each week and we loved having the opportunity to lead them.

Although the girls just missed out on finals, we reflect on this season and remind ourselves of the new girls we have gained, the improvements we have made the outstanding games we have played.

This week we hope to enjoy every minute of it. Good luck in your last game girls, go smash it!!!

On other news, the A grade side wrapped up 2022 last week on a huge game against Caramut. The girls came out firing, having defensive pressure up the entire court and fast plays into the goalies. The girls finished the last 3 terms even with Caramut and it was the last minute of the game that allowed us to finish with a win. Though a physical game it was so rewarding to finish the season on a high. This season has been incredible with the A grade girls. The way the girls present themselves on and off the court with such grace is a credit. I'm beyond proud of the team and the closeness that has followed us throughout. Each individual has had an incredible season, I'm so proud. Well done girls.

I'd like to wish the rest of the games this weekend the best of luck and I thank you for the year at SMW Rovers. It truly is a great club!!!

<u>C GRADE NETBALL REPORT – MATT MCLEOD</u>

Wow where has the year gone. Finally, we have arrived at the final round of the season.

Unfortunately, the girls won't be in finals this year but they have had a very consistent year without doubt. Today is a good chance for the girls to finish on a high with a win.

Also I would like to congratulate Amanda for being invited to the league vote count. You have had a great season and should poll well.

Best of luck to all teams and GO ROVERS

13 & UNDER NETBALL REPORT – AMANDA MCLEOD & KARISSA SCHUMANN

Hello all and welcome! Whoa wee. What a year it has been.

Our girls have improved immensely, and we are so very proud of each and every one of them. Be sure to get down to the courts today to see for yourselves.

Last week we had a team of 6, Caramut kindly leant two girls to form our side of 8. The girls welcomed them with open arms and showed great sportsmanship. All girls played a beautiful game.

Goodluck to all teams today. GO ROVERS!

It's never you, until it is

Everyone in the community is connected. You work together, play together, support each other. So, if something happens to someone, it is felt far and wide.

No one is bulletproof - you may know your land like the back of your hand, but incidents can happen to anyone.

And when they do, they don't just affect one farmer, incidents can affect the whole community.

Proudly supporting country footy & netball and farming communities.
