

Minnow 1240

Brand new, ready to be launched.

This boat was built from the Murray O'Brien jig which is a copy of the YMS / Griffin hull shape and arguably one of the best built Minnows

Gaboon ply, Paulownia, WR Cedar and trimmed with various exotic timber species

West System Epox

Brand new Hooper racing sail

Two pack International paint on the hull

Two pack International 'Perfection Plus' varnish

Lightweight Everdure epoxy used to seal the ply

Anodised Keeley mast and boom

Dyneema halyard and vang

Carbon fibre tiller extension

Super stiff, lightweight centreboard and rudder using Paulownia and WR Cedar with a hardwood spine in Epoxy fibreglass

Goldspar pintles and gudgeons (no slop)

Zhik padded toe straps

Professionally built alloy trolley

Sadly selling due to second daughter pursuing athletics over sailing.

\$5,600
