## **AFL Hunter Central Coast Junior Umpires 2022**

The NCCUA wishes to thank all of those people who took part in the 2022 AFL Hunter Central Coast Junior Competitions in 2022.

While we can not name everyone in this report, it was great to see so many people out at the grounds throughout the season taking part.

We must also acknowledge and thank all the family members, friends and carers who also played an important part by either taking these people to training, games, washing their uniforms or even making sure they have packed everything.

Like we have seen over many years, it was also fantastic to see how many family members are also out there umpiring together.

With out all of your Junior Football could not go ahead each week, so on behalf of the AFL Hunter Central Coast and the Newcastle Central Coast Umpires Association, we say thank you.

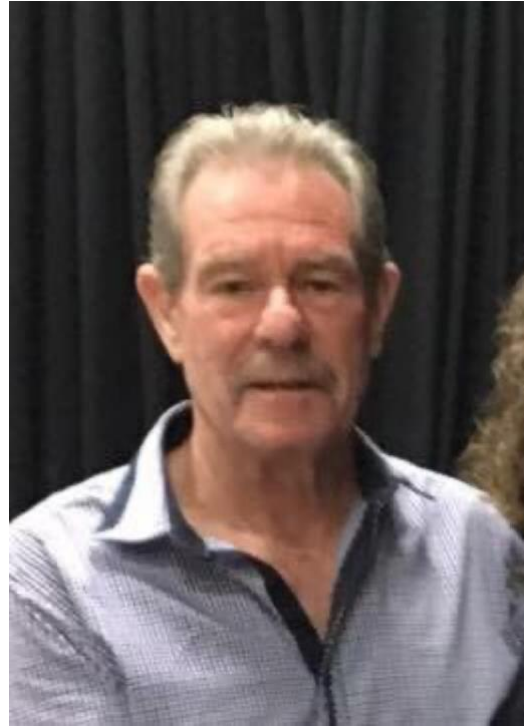

We must also thank all of the clubs that have helped by recruiting umpires, making the day enjoyable or simply being accommodating, it is all truly appreciated.

## The Neville Turner Memorial Trophy

In 2016 the NCCUA lost a much loved and respected member, Neville Turner. Neville was a Life Member of both the NCCUA and Black Diamond AFL, from 2000 until his passing Nev was the NCCUA Treasurer.

To honour Nev in 2017 the NCCUA Committee established the Neville Turner Memorial Trophy.

This trophy is to be presented to an NCCUA Member who embodies the attitude, spirit and enthusiasm for umpiring at any level, that was exemplified by NCCUA Life Member Neville Turner.

This award may be presented to an umpire for any of the following, but not limited to:

- Services to umpiring above and beyond on-field representation
- General encouragement and support of umpires, either on or off field
- Mentoring newer umpires
- Being an active member of the Association (Not restricted solely to Committee Members)
- Establishing, forging and maintaining sustainable and positive relationships with AFL Hunter Central Coast Affiliates through outstanding presentation.
- Demonstrating exemplary attitudes towards umpiring
- Upholding the high standards that the NCCUA wish to aspire to

In 2017 the inaugural recipient was Stephen Blume. In 2018 the award went to Simon McCauley. 2019 saw NCCUA Legend Darrel Luck claim the honour, while Janelle Biden took out the award in 2020 and Anthony Everson received the award in 2021.

In 2022 the Neville Turner Memorial Trophy was awarded to Jessica Barnes. Jess, thank you for all that you have done this year. Congratulations.

## ***PRESIDENT'S REPORT***

I am pleased to present the President's Report for 2022, now concluding my seventh and final term as President of the Newcastle Central Coast Umpires Association Inc.

I will just point out that this is my personal report and may not necessarily reflect the views of the NCCUA Committee or the Association as a whole.

While I have been encouraged in this role by fellow committee members and our NCCUA Members, I need to acknowledge that I have once again reached the decision to stand back from my involvement in the NCCUA Committee. For those that were unaware this was a rather challenging year for me and the NCCUA Committee, particularly the preseason stress. This led to my decision rather early in the picture this year.

After the madness of Covid and the end of lockdowns as we knew it in 2020 and 2021, we saw a return to a FULL season in 2022 and I believe we can all agree that this was rather challenging on our fitness, mentality and availability. But I am incredibly proud of how everyone of you pushed through and made it to that one day in September!

### **THE COMMITTEE**

This Association could not continue to function without a strong committee and it is my opinion that as this association continues to grow we have found some amazing people willing to serve on our committee.

I need to acknowledge this year's hard working committee:

Anthony Everson (Vice President), Tom Steward (Treasurer), Cameron Moore (Secretary), Andy Baldwin, Jess Barnes, Peter 'Boof' Hoffman, Shane Lowndes and Sam Parkinson.

On top of this our tireless Head Coach, Christine Burrows, also has a seat on the committee.

I thank you for your continued contributions to the committee and hard work behind the scenes for the Association.

### **THE UMPIRE COACHES**

I need to sincerely thank the following people for the tremendous job they did this year in coaching our umpires, especially in the difficult situation that Covid-19 continued to impose on us: Christine Burrows (Head Coach & Hunter Junior Field Coach), Emily Brown (Umpire Coordinator & Junior Appointments), Darrel Luck (CC Senior Field Coach), Jessica Barnes (CC Junior Field Coach), Troy Edwards (Hunter Senior Field Coach and Strength & Conditioning) and Simon McCauley (Boundary Coach). As well as Anthony Everson and Janelle Biden who were appointed as Match Day Mentors this season.

### **THE AFL HUNTER CENTRAL COAST**

This year the NCCUA worked tirelessly to liaise with the AFL Hunter Central Coast Board and Footy Ops team to have the new Umpire Selection Policy and MOU adopted. While this was a rather lengthy and challenging effort this was ultimately achieved in late March just prior to the commencement of the 2022 AFLHCC Season.

I need to acknowledge and thank Matt Harris who until June this year was the Community Football & Competition Manager for the AFLHCC prior to leaving the AFL. Matt, thank you for your continued support of the NCCUA.

Thank you also to Lauren Francis, Football Operations Coordinator, for all the tireless work you have done throughout the year and your continued support of the NCCUA and umpires.

I also need to thank David Flynn the previous chair of the AFLHCC Board and Kim Sweetnam who was elected as the Chair of the AFLHCC Board in March this year, as well as the other board members for your time and support throughout the year.

I would also like to welcome Sam Cunningham to the role of Community Football & Competition Manager – AFLHCC. Sam joins the AFLHCC team from his previous roles in the NTFL.

I hope that despite the challenges at the start of the 2022 year the NCCUA and AFLHCC can continue to forge a strong and positive relationship that benefits all umpires.

### **THE AFL NSW/ACT TEAM**

Now onto AFL NSW/ACT, we must thank our Simon Smyth and the AFL NSW/ACT Staff for their continued support of not only our Association but umpires in the Hunter Central Coast region. Also, the AFL NSW/ACT Umpiring Department, especially Emily Brown, Umpire Coordinator ACT & Regional NSW, for the continued to provide support to Christine as well as the NCCUA & AFL Hunter Coast Junior Umpires, so thank you.

### **SPONSORS**

The NCCUA, like any sporting club could not continue to operate without sponsorship, and in 2022 we were blessed to have the continued support Wallsend Diggers.

A special thanks to Catherine Burgess & Ashley Fiorenza, the Conference & Events Coordinator, for your incredible support and generous understanding of our group and our functions. A special thanks also to CEO John Hume. I'm sure everyone agrees that it is an incredible venue.

### **INDIGENOUS ROUND**

On a different note, how great was it for the NCCUA to actively participate in the AFLHCC Indigenous Round for a second time. This was done by wearing specially designed NCCUA Indigenous Shirts. While this has been a desire of the Committee for some years now, we were able to complete this aim due to two significant points. The first being our strong fundraising base gave us the ability to subsidise the costs for the umpires and members. The second part was David Parsons, Dave was the driving force behind this at the start of the season, even going as far as designing the shirt himself. Dave, thank you for your passionate work on this and my personal thanks for helping us achieve a long-awaited goal.

### **PRESENTATION CEREMONY**

The 2022 Presentation Ceremony returned in person to Wallsend Diggers as a Sunday Lunch function attended by approximately 40 people.

I would like to offer my personal congratulations to everyone that was recognised at our presentation. Especially to our award winners, Lachlan Chellis (Boundary Umpire of the Year), Graeme Donnet (Goal Umpire of the Year), Kyan Everson & Cypress Hart (Field Umpire of the Year), Christle Erodias (Golden Whistles), Jessica Barnes (Coach's Award), Anthony Everson (President's Award), Jessica Barnes (The Neville Turner Memorial Trophy) and Simon McCauley

---

(The Ray Dinneen Award for Club Person of the Year). You have all had an incredible season, well done and thank you.

In 2022 we saw one of the recipients of the Darrel Luck Trophy for NCCUA Field Umpire of the Year, Kyan Everson, also named NCCUA Umpire of the Year. Congrats on a fantastic year.

We also saw the AFLHCC Elliott-Davey Medal Night also return in person and Stephen Blume was named as AFLHCC Umpire of the Year as part of the Black Diamond Cup – Men's Team of the Year. Congratulations Stephen on this recognition.

We also took some time out to acknowledge and thank all those people involved in umpiring junior footy, this is not just those that umpire, but also the family and friends that take these umpires to training or their matches each week.

Occasionally the Presentation Ceremonies also see a current or former NCCUA member inducted into the NCCUA Hall of Fame. 2022 saw the worthy induction of Peter 'Boof' Hoffman into the Hall of Fame. Boof's citation can soon be found on the NCCUA website in the Hall of Fame section. Congratulations on your induction and thank you for your contributions to the NCCUA and football in general.

## **FUNDRAISING**

On a fundraising front, the NCCUA continued to be involved in a number of Bunnings BBQs that significantly assisted with the NCCUA's bank balance. I sincerely thank Rachel Robinson for leading the charge with these efforts and also a massive thank you to all those that helped out at these BBQs and strongly encourage everyone to assist on one in the future.

## **THE FUTURE**

While we continue to build on our relationship with Junior Umpires and try to increase the number of junior umpires becoming NCCUA Members, we also continue to see an improvement on the coaching structure. Our representation of Junior Umpires is a key focus of the committee over the off-season to see how we can reward the Umpires at the end of the season with new awards and hopefully greater involvement at our Presentation Ceremony.

Another focus for the future is to continue to work with the AFL Hunter Central Coast for the betterment of ALL umpires when it comes our MOU on Umpire Payments and other entitlements, as well as other policies.

I would like to conclude this President's Report by again thanking every member of the NCCUA for the honour of representing them as President. I would also like to again thank the committee for their ongoing contributions to the NCCUA. I also need to wish the next President and committee the very best for the challenge that lies ahead for the NCCUA.

I wish you all the very best for the off-season and I hope to see you all back out on the field in 2023.

***Jake Lowe***

President & Life Member

## ***SECRETARY'S REPORT***

Thank you for selecting and voting me in as your Secretary for the 2022 season. This is my second time around as being your Secretary and I need to say it is an honour to serve the NCCUA in this capacity. The year has been an experience I think most of us will not forget. From rained out games/venues to a split Grand Finals Series. Our combined efforts in achieving the milestones that we all have is not short of exceptional. Well done to each and every one of our valued members.

### **Members**

This year the Association has 53 registered NCCUA members and 12 more who run but have not decided to join the Association. It is these people that we, as a whole, should encourage to join the NCCUA, which will enable them to enjoy the benefits that we currently have. One of our objectives of the NCCUA is to continuously expand our junior umpire groups in the Hunter and Central Coast junior competitions, along with supporting these umpires through training events and mentoring. With the correct leadership and encouragement the junior group will follow on to our senior group in the future.

Finally, being a member of the association is important, as it provides both benefits to the umpire, along with allowing the association and committee to do more for umpires in this region. It will be essential to reiterate the various advantages of being an NCCUA member to all AFL HCC umpires next year.

### **Social Media**

The NCCUA committee continued engaging in various public media platforms, mainly the use of our official NCCUA Facebook page, as well as Instagram and Twitter NCCUA accounts. A private NCCUA Facebook members group was also maintained to provide a discussion forum specifically for our association members. These outlets have provided a forum for the sharing of photos and stories from the weekends, milestone achievements and discussion around rules for coaching purposes, along with sharing funny stories and moments from social events. I would like to thank our Page Admins for running these sites.

### **Meetings**

Unfortunately, there were no formal face to face association meetings held during the season. Instead, association updates were provided during training sessions at both training venues, as well as via email correspondence and sessions held via Webex.

Hopefully during Season 2023 face to face meetings will once again be part of our umpiring journey. These meetings provide a means for important information to be delivered to members and allows members to express their opinions in a formal setting. Furthermore, these meetings provide an insight into the way that the NCCUA committee is administering their various roles and duties for the association.

## **Moving Forward**

The association will be arranging fundraising opportunities during the off-season. These fundraising events have only been able to run with the help of our members, which showcases the commitment that our members have towards the betterment of this association and is a quality that I hope remains within our umpire group for many years to come.

## **Thank You**

I would like to thank the NCCUA committee, for their hard work and contribution to the association. Without each committee member working as a collective team to tackle issues and pursue opportunities, this association would not be in the healthy position that it currently is. And to all of the umpires who officiated in the AFL HCC 2022 Season and who became a part of the NCCUA. This association aspires to provide quality services and benefits to umpires, so that they feel supported, have the opportunity to increase their quality of umpiring and to be able to meet like-minded people in the process. Without each and every one of you, there would be no association.

Finally, I hope everyone has an enjoyable off-season and comes back fresh and excited for another successful year of umpiring in 2023. Until then, I wish each of our umpires all the best and I will see you all when pre-season starts up.

***Cameron Moore***

Secretary

## **UMPIRE COACH'S REPORT**

At last we were able to have a full season football!

We were able to have a full season of training for the first time in several years, as well as running some on line sessions as well.

Again the Senior and Junior Umpires were all training as one group together, the camaraderie built up over the season was great to see and the number of junior umpires wanting to move up to Senior football is very pleasing.

The coaching structure was expanded this year having more coaches on board, we were able to set up satellite training groups for Junior umpires who were unable to attend the regular weekly sessions. On the Central Coast, Jess Barnes, our Central Coast Junior Coach worked with Clubs to set up these sessions which she would run at their grounds and I hope we can keep these going next season and possibly expand some into the Hunter as well.

The training venues changed this year - the Newcastle based group trained at Tulkaba Oval and the Central Coast Group trained at Hylton Moore Oval. The Attendances again this year were very good at Tulkaba for both Juniors and Seniors but a little disappointing at Hylton Moore for the Juniors especially.

We were able to recruit new members especially in the Junior ranks and it's looking promising for more new umpires next season.

I thank the NCCUA for their support and assistance during the season and look forward to a successful season in 2023.

## **UMPIRE COORDINATOR'S REPORT**

2022 was a successful season despite many challenges. La Nina was out in force and determined to stop football from occurring with many venues closed or under water throughout the season, Covid restrictions were still around and isolation rules resulted in many last minute changes. Under the guidance of Head Coach Christine, the challenges were tackled face on and did not stop umpires being allocated to games, training still went ahead and social events were brought back to life.

AFL Hunter Central Coast Umpire group had a total of 143 umpires in 2022. This was slightly down on previous years and hopefully can improve in 2023. We had success off the field with the NextGen program and other talent pathway opportunities. HCC nominated 16 umpires with 10 accepting positions in the squad. AFL HCC had solid representation across all talent opportunities in 2022 and finished off the season strong with 3 umpires attending Albury Super 24 carnival. The talent pathways will continue to grow in 2023, with additional levels on offer and more opportunities for both junior developing umpires and senior high-performance umpires to be able to access talent opportunities. Representative football returned at Senior and Junior level, with many umpires appointed as a reward to their hard work and dedication. Congratulations to all talent umpires and representative umpires!

Looking forward to challenges in 2023 and seeing all Hunter Central Coast Umpires return. Registrations open on November 1, so keep an eye out for details.

Regards,
